Nico: WHOA!

Me: INCREDIBLE!

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

Suddenly, we heard a loud howl, and we saw an army of 50'0" tall massive musclebound werewolves heading right for us.

Me: Crap! Werewolves!

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of werewolves, and he began absorbing them and he assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite, Scratch, and Bodily Fluids, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on

his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

At the same time, the werewolves began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Eli: Seriously, who keeps on sending creatures after us?

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Haltmann, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 20'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 14'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, ROT IN HELL FOREVER, YOU PIECE OF SHIT!

Lincoln, Nico, and I did one final powerful energy slash that hit Haltmann hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Haltmann was on his last legs and he was really really mangled.

Meanwhile, Don Karnage was still fighting Alexander Michaelson, and it was really getting fierce.

Alexander Michaelson: Not until that piece of shit dies for what he's done! I don't care if you have transformed, Don Karnage, you're not getting in my way!

Suddenly, Alexander got out a black rifle and aimed it at Haltmann, but before he could fire, Rebecca Michaelson fired a blast of darkness that disarmed him.

Rebecca Michaelson: Enough, Alexander. I know you're angry and you have every right to be, but this needs to be done. Haltmann will serve eternity in The Masters of Evil. Killing him isn't going to bring Dad back from the dead, you of all people should know that.

That brought back the memory of the day he killed their mother: killing her wasn't going to bring his dad back from the dead. Suddenly, he started to calm down, but then, tears started forming in his eyes as he started crying.

Alexander Michaelson: You're right. Even after that day, the day I killed Mom for what she did to Dad and to the both of us fifteen years ago, it wasn't going to bring Dad back, nor return to happier times because they never existed. That pathetic devil woman kept doing this to us, and she couldn't or rather refused to get rid that evil side of hers, she showed us just how evil she really is and I hate her for it.

Then, the look on his face changed.

Alexander Michaelson: She robbed the both of us of our childhood, our innocence, and our father in one uncontrolled night of cruelty, Dad would never see us graduate, nor be around for any future Christmases and birthdays! She ruined everything! That unhinged bitch is a monster, an absolute piece of inhuman trash! If I ever see her again, I'll send her to Hell for good!

Then, Rebecca Michaelson, Baloo, Kit Cloudkicker, and Rebecca Cunningham hugged Alexander as he let his tears flow out more.

Meanwhile, Lincoln and Serena Goldorado's fists were surrounded by fire.

Lincoln and Serena Goldorado: FLARE SUN FIST STYLE: 1,000 FLARING SUNS FIST BARRAGE!

Lincoln and Serena Goldorado punched Haltmann all over the place with a barrage of flaming fists and their fists and kicks also fired mini suns at him and he got blinded and burned, and one final punch from them knocked Haltmann out and he was tied up and sent to The M.O.E.

We cheered as we holstered our weapons and powered down, and Susie's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror behind the large gold halo behind her head and four large orbiting gold rings on each corner and four large gold Yata no Kagami mirrors behind the four large orbiting gold rings, 100 large pink planets orbiting around her legs, 100 smaller pink planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized pink planets orbiting around her wrists and ankles, and massive pink angel wings and 99 sets of large pink angel wings underneath her massive pink angel wings are permanent.

Me: That should do it.

Then, Rebecca Michaelson brought her brother, Alexander, to us, he was still crying. It appears she brought him back to his senses, yet we still felt that pain he carries in his heart: the pain of what'd happened fifteen years ago. We saw into his eyes: the hatred he carried for his mother and the very sadness he had for a childhood he'd lost fifteen years ago. When we saw it, we knew we were dealing with a case similar to Caleb Maxwell.

Nico: Oh man. Did we...?

Me: We saw into his eyes, and we saw the hatred he carried for his mother and the very sadness he had for a childhood he'd lost fifteen years ago.

Lincoln: Rebecca told me everything when she moved to Royal Woods, they may have survived and moved on, there were some scars that couldn't be erased.

Eli: He suffered betrayal and pain and at an early age, and that left those permanent scars.

Alexander Michaelson: Scars I thought would fade after I ended the very source of our nightmare so very long ago, but you are right. We survived and moved on, but the betrayal and pain Rebecca and I suffered when we were three left a permanent scar that would never fade. Even as time passes, this lifelong scar won't easily heal, but perhaps, I can give it time.

Me: That's the spirit.

Lincoln: Give it enough time, and soon, you'll finally be free from the pain that haunted you.

Horsea still had her gas mask on.

Me: Horsea you can take your gas mask off now. We're outside.

Horsea: Oh sorry.

Horsea did so.

Eiji Hino: Man that was so much fun!

Qin: It sure was!

Mega Skarmory: We sure kicked some butt!

Nico: Nice job, Mega Skarmory.

Mega Skarmory: Thanks. That was fun.

Poromon: Want some beer?

Mega Skarmony: Oh no thanks. If I drink anything like that I rust.

Nico: (Skeptical) Really?

Me: Well he is a Metal Pokemon and Metal usually rusts from time or when you put it in water or anything like that,

Nico: Good point.

Poromon: I see what you mean. Okay then.

Poliwag: (Uses Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Mega Skarmory: Nice try though pipsqueak.

Poliwag: HEY!

Poromon: We're going somewhere later

May: Oh god! I hope it's not to a whorehouse.

Poromon: NO WAY! We're going to Andy's house to visit Woody and friends.

Me: Ah that's even better. I wonder how they are doing?

Poromon: We'll find out.

Me: If you see Sid Phillips there I hope Hannah gives him a piece of her mind.

Qin: Yeah!

Nico: Yeah!

Mindy Chan: Oh guys that's good timing. Mrs. Davis asked me to babysit Molly, Andy's little sister while there too.

Nico: Cool!

Me: Mindy has been learning a lot from us on our babysitting adventures.

Nico: My little sister is growing up fast.

Qin: She sure is.

Nico: Antonio, this might sound silly but what do you like to do in your free time?

Antonio: I like to paint landscapes and make drawings.

Shanan: That's like what I do. It's fun.

Qin: Cool!

Nico: Yep.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Mandee.

Mandee: Another Me?

Lincoln: We'll have to see who it is.

Eli: Whoa, and one of The Anothers is The Avatar of The Thunder Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Me: So we got Another Dinoshark, Nitrogolem (Heretic), Evil Golden Queen, Motley Bossblob, Nekogal and Liondon.

Qin: Yep.

Lola: That means Antonio, Serena Goldorado, Crystal Applejack, Gina El Dorado, Goldie Ride and Golden Leon are up.

Nico: It sure does.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Poromon: There they are!

We saw Another Nitrogolem (Heretic), Evil Golden Queen, Motley Bossblob, Nekogal and Liondon.

Me: WHOA!

Nico: This is gonna be good.

Another Nitrogolem: (In a girls voice) Hey guys.

Me: Wait I know that voice.

They reverted back and it was the gene-slammers of Stardust Trail and Gagaga Girl.

Me: WHOA! The famous Carina (DOES WILD TAKES) WOWOWOWOWOWOWOWOOO! Stardust!

Nico: Carina Stardust is a famous movie star! And also Gaia Gagaga too.

Me: Wow!

Carina Stardust: Yes and it's great to see you all again Nico.

Nico: Yep. I helped Carina on one of her movies. It was called The Princess and The Dragon Knight. I portrayed the Dragon Knight Hero to protect the princess.

Me: REALLY!? That was you!?

May: WOW! Nico you are talented!

Nico: One of their actors called in sick so I volunteered to fill in for him.

Carina Stardust: It's true.

Me: That sucks to get sick in the middle of a movie shoot.

Poromon: It's true.

Me: Yeah.

Carina Stardust: It sure is.

Me: Sorry I couldn't be with you guys in the spotlight. I'm a terrible actor and the world of entertainment is not for me. I would rather stick to the superhero business.

Carina Stardust: That's quite alright.

Nico: Yeah.

Me: By the way are the rest of the Anothers friendly hostile?

Gaia Gagaga: Friendly and Hostile and J.D. you may not like the Another Mandee.

Me: Uh oh.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now, we wait.

Me: We don't have to wait long!

We saw Another Dinoshark and Another Mandee! The Another Mandee was glaring at me ferociously! I glared too.

Me: What are you looking at bitch!?

Another Dinoshark: (In a girls voice) I have a feeling it's personal

She reverted back and it was the Avatar of the Thunder Card!

Lincoln: Tahlia Thunder!

Tahlia Thunder: Good to see you again Lincoln.

Lincoln: You too.

Nico: Care to introduce us?

Anna Anyanova: Sure. This is Tahlia Thunder, Avatar of The Thunder Clow Card, she's Lincoln's Guardian Angel from

Japan and she's a very powerful angel who was born with the powers of lightning, electricity, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Thunder Clow Card, and the magic of Clow Reed. She's The Thunder Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Tahlia Thunder is a master of the powers of The Thunder Clow Card and she's a powerful master of lightning, electricity, and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Tahlia Thunder came to Royal Woods where she met Lincoln, and she taught him how to master the powers of lightning, electricity, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Thunder Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of lightning, electricity, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Thunder Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by electrocuting them with a bolt of lightning, and they had frizzy hair and charred clothing.

Me: WHOA! Pleasure to meet you.

Tahlia Thunder: Same here. This will be awesome.

Another Mandee: (In a boys voice) And you ruined me J.D.!

Me: (GASP) Terrance Tyler! I knew it!

He reverted back and it was TERRANCE TYLER! He had black hair and blue eyes and had a red prison jumpsuit on. He also had a stab hole on his shirt where he got stabbed and blood on his shirt.

Me: I would say it's nice to see you again Terrance. But I would be lying.

Terrance Tyler: I will kill Jackie for ruining my face!

Me: You're still pissed about that even after all this time!? Grow up bub. Get over it Tyler! It was an accident! Jackie didn't do it on purpose! You just have serious anger management issues!

Terrance Tyler: I will still have my revenge!

Me: Get over it! Also what lead you to be killed in prison like that?

Terrance Tyler: Oh they never told you about that. I got into a fight over a bunch of tater tots.

Me: That is very familiar. A similar incident happened in the moon prison years ago. Right Ra's?

Ra's Al Ghul: Yes I remember that all too well J.D. I lived.

Terrance Tyler: But I died. Weird turn of events.

Me: Indeed my old friend. Me and Terrance used to go to school together. But then came that day where Jackie dated him and it went south from there. The rest is history.

Nico: Oh man.

Kaito: (Gets out Dynaman Gear) Did Swartz promise you anything?

Zocks: (Gets out Bioman gear) Because we can grant it instead.

They got weapons from said teams.

Tahlia Thunder: Not on my part. But Terrance yes.

Me: Revenge on me for putting him in prison and to kill Jackie am I right?

Terrance Tyler: You hit the nail right on the head!

Sougo (Gets out Dynaman Ridewatch): We actually heard about you yesterday

Geiz (Gets out Bioman Ridewatch): But it looks like we're seeing you now in person

Sougo got DynaRedArmor while Geiz got RedOneArmor

Nico: Also we had no idea that you had a nasty history with J.D.

Me: It started good and ended on a REALLY rotten note.

Jackie: (Voice breaking) Because of me! (CRYING) IT WAS ALL MY FAULT! (CRYING HARD)

Leni and Mandee comforted her.

Me: Terrance that was years ago. Look what happened to you because of it.

I went over to him.

Me: Terrance I know things were rough but let it go. What happened to one of the first friends I made here in Michigan? What happened to you?

Terrance Tyler: After I got sent to prison I lost everything. My parents disowned me and surrendered me to the state. Claiming I was their problem now. But after I died, Karma hit them too. They got arrested for Treason and sentenced to death.

Ymir: What did they do?

Terrance Tyler: They got caught trying to sell government secrets to terrorists and they got caught somehow and sent to prison and executed.

Me: I had no knowledge of that Terrance and I assure you I had nothing to do with your parents deaths. But Terrance listen that was almost 8 years ago. You have to let it go. We can rebuild and get you the help you need. You just have to trust. Like I once trusted you.

I held out my hand and he took it and then hugged me and cried.

Terrance Tyler: (CRYING) YOU HAVE TO HELP ME! I AM A MONSTER!

Me: It's okay Terrance. It's okay. Lets separate you first.

We did so.

Me: We'll get him therapy. Ino think you can help him?

Ino: I'll do my best.

Me: Lets dance.

Nico: (Gets out Dinoshark's ridewatch) This is a Tyrannosaur that has an Underwater Bite!

May: (Gets out Evil Golden Queen's Ridewatch) I REIGN SUPREME!

Universe 666 May: (Gets out Motley Bossblob's ridewatch) I am going to slime you up!

Maria: (Gets out Nekogal's Ridewatch) This girl is a beast!

Serena Goldorado: (Gets out Nitrogolem's ridewatch) This will hurt!

They used the powers of Dinoshark, Nitrogolem (Heretic), Evil Golden Queen, Motley Bossblob, Nekogal and Liondon and blasted the Anothers!

Nico: I really am proud of you right now, J.D.

Me: I just want to do what I can to help people. Especially old friends.

Camie: Yeah that's true.

THUNDERCLAP! THUNDERCLAP!

Out of a bunch of lightning strikes came the next team! It was Universe 666 Mr. Electric, Big Burt the Bashfull, Seiryu, Universe 666 Van Kleiss, Starmon, Derek the Master of Evil and Stinger (Wendy Sherman A.K.A. Stinger)

Me: WHOA!

Nico: Mr. Electric!?

Universe 666 Mr. Electric: The one from Universe 666.

Universe 666 May: Surprising to see you in our frenemies.

Universe 666 Mr. Electric: It sure is May. Good to see you again.

Universe 666 May: You too and Van Kleiss you're looking well.

Universe 666 Van Kleiss: I agree May and good to see you too. Thank goodness you are free from that wretched husband of yours.

Universe 666 May: Indeed.

Manaphy: I'm glad too

Me: We are as well. Also this means that Shock Rock is next.

Shock Rock: It sure is.

Starmon: YEEHAW! We're really excited for this pardner!

Me: Yes we are!

Applejack: YEEHAW!

Nico: Yep.

Then a rumble came and out came PHYREXIAN HYDRA!

Me: WHOA!

Luna Loud: WHOA DUDES! IT'S PHYREXIAN HYDRA!

Sam screamed and jumped into Luna's arms in fright!

Sam S.L.: Scary!

Phyrexian Hydra: (In a girls voice) I sure am scary like this.

Nico: Hallia Phyrexia!

She reverted back and was a girl with neon green hair and green eyes and had green demonic wings and had black clothes and had Phyrexian Hydra on her forehead and on her arm was the Phyrexia Symbol with the Swamp Skull MTG Symbol on her arm as a cutie mark and she had a skull sword.

Hallia Phyrexia: Good to see you again Nico. I got this.

She fired waves of skulls and energy and blasted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Hallia Phyrexia: Thanks! That was awesome!

Me: It sure was!

Serena Goldorado: What is your favorite memory of Nico?

Hallia Phyrexia: Mine is where me and Nico went to the Philippines and we found this sword.

Nicole: The Skull Sword of Batala Kala! The god of death in Indonesia.

Nico: Yep.

Me: WHOA! That is a scary looking sword.

Hallia Phyrexia: It sure is. But it was awesome.

Nico: Yep.

Nico and Hallia hugged.

Nico: I've missed you.

Hallia Phyrexia: Same here.

We went back home.

Nico: Now, we're facing The Dark Thunder Card in the hands of DuBois.

Alex the Lion: And she's causing quite a storm with it in Monaco, she needs to be stopped.

Antonio Garcia: And thrown in prison forever.

Lincoln: That's for sure, she's not going to like The Davy Jones Penitentiary one bit.

We got a move-on, and then, we spotted our target: DuBois, and she was laughing insanely as she kept attacking with bolts of lightning: we knew this was The Dark Thunder Card.

Lincoln: That animal, she's not getting out of this without a scratch.

Lincoln blasted her and that forced The Dark Thunder Card to come out and took on his true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Thunder Card and he began sucking out all his powers of lightning, electricity, and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and

999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Thunder Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Thunder Card, and the light destroyed it and the card was rendered blank and it went into The Dark

Clow Book, and in the place of the Dark Thunder Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: DuBois.

We turned to DuBois who was mad now!

DuBois: Curse you! I will destroy you all, and I will have your heads mounted on a wall!

Lincoln: How about I shut your big fat mouth up forever, you pig.

DuBois: WHAT DID YOU CALL ME!?

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at DuBois and he proceeded to brutally smash her hard into the ground with his massive godly superhuman strength, slashed at her with his gold-armored dragon claws and his massive greatsword, and he fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at her, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON DUBOIS! HE WAS REALLY GOING APESHIT ON HER!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT DUBOIS WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED BLASTS OF HEAVENLY LIGHT THAT HIT HER!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of the pain you're going to experience before Lincoln kills you.

Then, Andre Lupeau went after DuBois and he fired extremely powerful blasts of dark blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit her, and Andre Lupescu slashed at her with his massive greatsword and shot at him with his silver-plated guns.

Then, Abaddon Aeternus went after DuBois and he fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, demons, dragons, vampire bats, wolves, phoenixes, and angels at her, and he even slashed at her with his massive greatsword which really hurt like Hell!

Then, Von Lycaon and Skippy the Bush Kangaroo punched her hard with their gauntlets and kicked her with their greaves and she got hit hard, and Red Savarin slashed at her with his massive greatsword and shot her with bullets and stun blasts and Sly Cooper whacked her hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit her on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to DuBois, and she screamed in agonizing pain.

Lincoln continued smashing DuBois hard with his extremely massive godly superhuman strength, and she was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering her and he even attacked her using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Then, Lincoln fired a rainbow energy blast that turned into a rainbow energy straitjacket and tied DuBois up and sent her to The Davy Jones Penitentiary where she'll remain for eternity or until she gets killed by the inmates there. We cheered as we holstered our weapons and powered down, and we returned home to The World Tree Estate.

Me: And that is that for DuBois.

Nico: She won't survive in The Davy Jones Penitentiary.

Lincoln: She won't because of the inmates there, and we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair, blue eyes, massive black angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, black sleeveless strapless top, black skirt with Gem-Knight Obsidian, white bridal gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Obsidian, she has a greatsword, and with her are the four girls.

Lincoln: (GASPS) Ophelia Obsidian, Avatar and Gene-Slammer of Gem-Knight Obsidian.

Ophelia Obsidian: That's right, and I got the girls away from DuBois and The Dark Thunder Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: But, we took care of The Dark Thunder Card when I sucked out his powers and took down that insane DuBois. (To Ophelia Obsidian) And it's so good to see you again, Ophelia.

Ophelia Obsidian: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Ophelia Obsidian had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Ophelia Obsidian was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Ophelia Obsidian: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Ophelia Obsidian's waist and hugged her, and Ophelia Obsidian is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ophelia Obsidian: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a

20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Ophelia Obsidian, Avatar and Gene-Slammer of Gem-Knight Onyx, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of obsidian gems and crystals. She's known as The Obsidiain Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Ophelia Obsidian came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of obsidian gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of obsidian gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Roxanne Ondrushko, Gene-Slammer of Steelswarm Sentinel and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Ophelia's parents and her little sister, Olivia, in cold blood, and she swore to kill Roxanne Ondrushko and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Ophelia.

Lincoln with his massive muscular arms still wrapped around Ophelia Obsidian's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long

brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Ophelia Obsidian: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ophelia Obsidian with obsidian gems on the gold lightning bolts and obsidian crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Ophelia Obsidian: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Ophelia Obsidian.

Ophelia Obsidian had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Ophelia Obsidian's waist, and he leaned down to her face and kissed her on the lips, and with Ophelia Obsidian's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Ophelia Obsidian had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Ophelia Obsidian: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The four girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the four girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the four girls are Rikka Sumeragi, Tomoe Kisaragi, Mio Katou, and Louisa Richter from Seika Jogakuin Kounin Sao Ojisan.

Lincoln: Oh whoa, it's Rikka Sumeragi, Tomoe Kisaragi, Mio Katou, and Louisa Richter from Seika Jogakuin Kounin Sao Ojisan.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, they're voluptuous, especially Rikka, who has an extra-voluptous and curvaceous body.

Lincoln: Not to mention easy targets for someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Rikka Sumeragi: Yes, we're okay, thanks to you.

Then, when Rikka Sumeragi and the other three girls saw who it was that saved them from DuBois and The Dark Thunder Card, their faces turned atomic red and their noses gushed out blood upon seeing the 20'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom in the center behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom and four large orbiting gold Yata no Kagami mirrors on each corner with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts:

Rikka Sumeragi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Rikka Sumeragi: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rikka Sumeragi, Tomoe Kisaragi, Mio Katou, and Louisa Richterwith colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long sky blue hair, blue eyes, massive blue angel wings, she has on a blue two-piece bikini, and a wind greatsword.

Lincoln: (GASPS) Nadine Nubibusaira, Queen of The Nubibusairans of Planet Nubibusaira.

Nico: The only surviving Nubibusairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Nadine Nubibusaira, Queen of The Nubibusairans of Planet Nubibusaira, she's Lincoln's Guardian Angel from the planet of Nubibusaira in The Forbidden Zone. She was the Queen of the Nubibusairans who ruled the planet of Nubibusaira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over clouds, the weather, and the ability to grow even stronger, but she was also born with angel wings, Cosmic Aerokinesis, wind, the sky omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Nadine Nubibusaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Aerokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, clouds, the weather, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of Cosmic Photokinesis, Omnipotence, Omniscience, Cosmic Awareness, clouds. the weather, and all the powers of The Nubibusairans, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome wind greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lynn with a blazing passion, and she swore to imprison her in a cloud prison with the powers of Nubibusaira.

Nadine Nubibusaira: And I knew Lincoln absorbed the souls of the male Nubibusairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: That's true, and Lincoln 2 of The Ebonwu Squadron told us, And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Nadine Nubibusaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Nadine Nubibusaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Nadine Nubibusaira with sky blue gems on the gold lightning bolts and sky blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Nadine Nubibusaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Nadine Nubibusaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Nubibusairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Thunder Card of all its powers and sent DuBois to The Davy Jones Penitentiary after we took her down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Ophelia Obsidian saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Ophelia Obsidian: My God, I was right that Lincoln's really grown into a 20'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Ophelia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Ophelia Obsidian: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Ophelia Obsidian: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Rebecca Michaelson: Okay, now you guys are going to see the video of my brother's journey to Cape Suzette and dealing with Don Karnage and the Air Pirates along with how I was able to get my brother back home, but it led to Cape Suzette and the other islands merging with Earth and how he met with Shere Khan of TaleSpin and how he and I confronted our mother and ended that darkness on our lives.

Rebecca Michaelson puts the tape in and as it plays on the big screen, we saw Alexander Michaelson walking home to his apartment.

Rebecca Michaelson: (Narrating) It's been fifteen years since the very day we lost Dad thanks to that toxic bitch, and we lived in our grandparents' apartment on Dad's side and our grandparents on Mom's side also moved in too, and Dad's parents transferred ownership of the apartment to him along with their wealth and assets right before they died when he was seventeen and Mom's parents transferred their wealth and assets to me before they died when I was seventeen, and ever since then, Alex kept the apartment clean and always returned here since then after school, same with me.

Past Alexander Michaelson: It's been fifteen years since that night. Dad, I know you're watching me from Heaven, but just know I'm still doing okay.

Rebecca Michaelson: (Narrating) But, then, as night fell, Alex went to bed, but this night would lead him to a new adventure in a new world.

Suddenly, a noise woke him up.

Past Alexander Michaelson: What was that?

Alexander Michaelson woke up and got dressed in his normal clothes and he headed down, but then, he saw a blinding white light and he covered his eyes and didn't know what was about to happen. Then, as the light faded, Alexander found himself on an island, and he saw a club there.

Past Alexander Michaelson: Louie's Place? What kind of place is this?

Alex headed in, but, as he did, he saw many anthropomorphic animals there, and one of them, Louie, is the owner here.

Past Alexander Michaelson: This is unreal. Whatever this place is, I stumbled into something really amazing.

But, then, one of the patrons came inside in a panic.

Patron: Louie, we got trouble, it's Don Karnage and The Air Pirates!

Louie: Don Karnage?! Again!

Past Alexander Michaelson: Don Karnage? From the world of...! Oh man! So, I'm here in Louie's Place, the nightclub Baloo and Kit come to. I better get out of here.

Alex ran into the shadows and he heads for behind the bar. Then, the doors were forced open, and Alex saw him: Don Karnage, Cape Suzette's wanted criminal and leader of The Air Pirates.

Past Don Karnage: I was told that a stranger has been sighted here. Where is he?

Louie: Buzz off, Karnage. We don't know who you're talking about.

But, things were about to get dangerous as they were about to cause havoc in the club, so Alex did something really crazy. He grabbed a pineapple and threw it at Don Karnage.

Patron: FOOD FIGHT!

Then, the chaos started, and in the midst of the chaos, Alex found the trap door that leads outside and he went inside it, and he ran out of there and outside.

Past Alexander Michaelson: Oh, that was too close. If I'd stayed longer, I would've been caught. Now, I got to find a way to get to Cape Suzette. Oh, but I can't swim that much, I got to find a way to get there at once.

Alexander began thinking of what to do, but then, he felt a hand on his right shoulder, and he turned in panic, but there he met Baloo and Kit Cloudkicker.

Past Baloo: Whoa, it's okay, kid, we're friendly.

Past Kit Cloudkicker: He's right, we're friendly.

Alex breathed a sigh of relief.

Past Baloo: We saw what you did throwing that pineapple at Karnage, that was funny.

Past Alexander Michaelson: I had to do something.

Past Kit Cloudkicker: Wait, you're...not from around here, are you?

Alex knew he'd been caught.

Past Alexander Michaelson: Can we head for Cape Suzette? Once we're there, I'll tell you guys my story, but it's not for the faint of heart.

He got on The Sea Duck and they went to Cape Suzette and to Higher for Hire, and they met with Rebecca Cunningham and her daughter, Molly Cunningham, who was taken to the next room because what he was about to tell them was too dark for words, and there, he told them his story including all the details of his past. When he was done, they were stunned at how he came here, but horrified about his dark trauma, luckily Rebecca took Molly to the next room.

Past Rebecca Cunningham: I can't believe your mom was that evil, she murdered your dad when you were three and tortured you and your sister. Didn't your dad try anything to stop her or separate from her?

Past Alexander Michaelson: No, he only thought of us and that was always on his mind, I was only three back then. If I could, I would've told Dad to leave Mom and take us away from her. But, I can't undo the past, I know that. Dad's always watching over me in Heaven, but Mom, she destroyed our family with her hatred and blackhearted behavior, I cut her out of my life fifteen years ago, and I had to do six months of therapy because of her.

Past Baloo: You've really been through a lot.

Past Alexander Michaelson: You have no idea. I got to find a way back to my world, and I need to avoid Don Karnage and his men.

Alexander was already about to pass out, but Baloo caught him.

Past Kit Cloudkicker: I think you need to rest, Alex.

Past Alexander Michaelson: I only slept for...! Oh man, getting sent to another world also messed up my period of sleep.

He went to sleep, and the next day, he came downstairs.

Past Rebecca Cunningham: Ah, Alex, you're up.

Past Alexander Michaelson: Yep. Now, what's on the agenda for today?

This surprised Rebecca Cunningham.

Past Rebecca Cunningham: Well..., we got a delivery to do. It's a case of imported furs that need to be sent to the island of Tinabula.

Past Alexander Michaelson: I see.

Then, Baloo and Kit came in.

Past Kit Cloudkicker: And we got to get them to the island before nightfall.

Alex looked out at the sun still in the sky.

Past Alexander Michaelson: Then, we should get going. Where's Baloo?

Past Rebecca Cunningham: He's already got the crate inside the plane. You sure you're okay going too?

Past Alexander Michaelson: I am. If I'm to adjust to life here, I need to start learning and quick.

Then, they got on the plane, and they were off to Tinabula.

Past Alexander Michaelson: I've been on a plane before, an airplane when we went traveling back home, but not in a cargo plane before.

Past Baloo: Well, like you said, you get used to it.

Past Alexander Michaelson: Now, how do we get to this island?

Past Kit Cloudkicker: Leave that to me.

Kit got out the map.

Past Baloo: Kit's a natural at navigation. But, we always run into trouble with Don Karnage and his gang of Air Pirates. They're thieves who plague the skies.

Past Alexander Michaelson: That's the guy I saw at Louie's Place. If he shows up, let me handle him, I know how to defend myself. Ever since I turned ten, I enrolled in self-defense classes, and I trained hard to defend myself from bullies and also, for the day when my mother breaks out to get revenge. But, I intend to end the curse of her toxicity once and for all.

Suddenly, The Sea Duck's alarm sounded: and that meant Air Pirates were coming for them.

Past Kit Cloudkicker: Great, Don Karnage is coming.

He saw The Iron Vulture in the skies, and he knew it meant trouble.

Past Alexander Michaelson: Baloo, keep the plane flying, I'll deal with them.

He got into the cargo hold, and suddenly, he'd seen the grappling hooks firing and hitting The Sea Duck.

Past Alexander Michaelson: They're trying to board the plane, I got to stop them!

Then, he found a steel pipe and grabbed it, and then, the door was opened and Mad Dog and Dumptruck came in.

Past Dumptruck: Alright, where's the cargo?

Past Alexander Michaelson: The only thing you two are getting is a one-way trip down into the ocean.

Then, he swung the steel pipe hitting Dumptruck in the face.

Past Mad Dog: That was a dirty move. Now, you're gonna get it.

Past Alexander Michaelson: Bring it on, wuss!

Mad Dog charged at Alexander, but he hit him on the head with the pipe and kicked him into Dumptruck, and they got pretty mad. But, then, another figure entered with a sword drawn: it was Don Karnage, leader of The Air Pirates.

Past Don Karnage: What is taking so long to get the cargo, you nincompoops?

Past Mad Dog: It's not our fault, boss, it's this guy!

Mad Dog pointed to Alexander Michaelson and Don Karnage turned to see the young man.

Past Don Karnage: Ah, so, you're the one who's been smacking around my crew. Word of warning, I'm the only one who does the smacking of those chowderheads.

Past Alexander Michaelson: I don't have to listen to the words of a dirty scoundrel like you!

They gasped.

Past Don Karnage Dirty? How rude of you.

Alex saw he was about to attack him with the sword, and he blocks it with the pipe and they got into a fight of pipe and sword, but then...!

Alexander let out a scream as the sword slashed him in the cheek.

Past Don Karnage: Hah, maybe now that'll teach you some manners.

Alexander had his head down, but we could tell, he was pissed off!

Past Alexander Michaelson: You absolute piece of trash...!

Alex said in a low tone of voice that almost sounded demonic, and the air turned dark.

Past Don Karnage: What was that?

Finally, Alexander lifted his face up.

Past Alexander Michaelson: YOU ABSOLUTE PIECE OF TRASH!

Alexander snarled at them like an animal and he was beyond angry.

Past Alexander Michaelson: You're dead, you slanty-eyed scoundrel from the skies! TIME TO DIE!

Alex went full all-out berserk on Don Karnage, Mad Dog, and Dumptruck, and it got really messy.

Past Don Karnage: RUN FOR YOUR LIVES!

Don Karnage, Mad Dog, and Dumptruck got on their fighter planes and flew back to The Iron Vulture and fled, leaving a snarling angry Alexander watching as he slams the door shut.

Past Kit Cloudkicker: Alex?

Kit's voice snapped Alexander out of it as he turned and saw Kit in the room.

Past Alexander Michaelson: (Thinking)(Horrified) Oh God, Kit saw everything.

Past Kit Cloudkicker: Papa Bear, we need to get to Tinabula, Alex got injured bad.

Past Baloo: What?!

They got to Tinabula, and Baloo checked on Alex and saw the cut on his face.

Past Baloo: Oh man, did Karnage do that to you?

Alex nodded.

Past Alexander Michaelson: Yes, after I told him off, and then, I just lost it.

They got to the doctor who treated his wounded cheek, and the cargo was safely unloaded and the payment was paid to Baloo. Then, they got back to Cape Suzette and Higher for Hire.

Past Rebecca Cunningham: Nice work. And Baloo told me what happened, are you okay, Alex?

Past Alexander Michaelson: I'll be alright, Rebecca. I just thought I'd never have to deal with that again after what'd happened fifteen years ago.

Then, he turned to face the window.

Past Alexander Michaelson: I'm still going to find a way to get back home, this won't stop me. Not in the slightest.

He was determined to find a way to get back home to New York, but he didn't realize that by the time he returns, he'll have to deal with the shadows of his past. That night, Alexander knew it was only a matter of time before Don Karnage and his Air Pirates try to get revenge on him next time, yet despite this, he wasn't afraid at all, he'd dealt with pure evil fifteen years ago, and he overcame the trauma through therapy. Now, he's trying to find a way to get back home to New York, and try to dodge Karnage and his men, but this would mean he wouldn't see Baloo and his friends again, and that alone left a haunted thought on his mind.

Suddenly, Alexander saw his right hand glowing with black and dark blue energy.

Past Alexander Michaelson: W-what is this?

But, he remembered his younger sister, Rebecca Michaelson, was born with Cosmic Umbrakinesis, darkness, hellfire, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, and Cosmic Awareness, that meant same with him.

Past Alexander Michaelson: I was born with the same powers my sister has, but we kept it secret from Grandma and Grandpa on both our parents' sides, Mom tried to kill us, but she failed, and her psychotic desires for death, destruction, and misery drove her down the path to ruin. If I ever see her again, this time, I'm gonna send her to Hell forever.

Then, a massive black double-edged greatsword appeared in his right hand and a black rifle appeared in his left hand.

Past Alexander Michaelson: Looks like I now have the means to fight back.

Alex holsters his new weapons on his back. The next day, they had another delivery, this time, they were heading for Macadamia, but unfortunately, they had a run-in with Don Karnage and his Air Pirate scourge.

Past Baloo: Oh great, Karnage is at it again.

Past Alexander Michaelson: I'll deal with him. Just keep flying.

Then, he turned into a mist of darkness and flew right into The Iron Vulture and he reappeared in the shadows. Then, he snuck into the deck.

Past Don Karnage: Keep on with attacking that bothersome Baloo, soon we'll have the cargo, and get revenge on that boy who attacked us yesterday.

Past Dumptruck: He'll pay for hitting us on the head.

Past Mad Dog: What if he's on board right now?

Past Don Karnage: Do not be ridiculous, Mad Dog. There is no possible way he'd be on board The Iron Vulture, he can't fly.

Past Alexander Michaelson: Yeah, that's what you think, too bad for you, I have some new tricks up my sleeve.

Suddenly, the place went dark, and then, monstrous demons appeared, and they screamed in terror.

Past Dumptruck: What are they?!

Past Don Karnage: Men, get them!

They attacked the demons, but then, they vanished as Alexander appears and he unholsters his new darkness greatsword and rifle.

Past Alexander Michaelson: You got some nerve coming back to attack us, now you're through. Then, he unleashed a storm of dark energy slashes at the Air Pirates with swings of his darkness greatsword and they got hit hard, and he fired his rifle at Karnage who ducked.

Past Don Karnage: So, someone has a few tricks up his sleeve. Dumptruck, Mad Dog, get him.

But, they were tied up with chains of dark energy, and Alex fired a blast of dark energy at Karnage who ducked yet again, and then, Alex disappeared and reappeared on The Sea Duck.

Past Baloo: I don't know what happened, but you sent those pirates flying back to Pirate Island, nice one, Alex.

Past Kit Cloudkicker: And we're here.

They arrived at Macadamia, and they unloaded the cargo.

Past Baloo: That was a quick delivery, and those pirates were driven off.

Past Kit Cloudkicker: That's for sure. Now, we can head back home.

Past Alexander Michaelson: Yes, we can.

They returned back to Cape Suzette.

Past Alexander Michaelson: (Thinking) Yet, I have not found the way to return home.

Suddenly, a bright light appeared out of nowhere, and Baloo, Rebecca Cunningham, her daughter, Molly, and Kit along with Alex covered their eyes. Then, as the bright light fades, Alex opened his eyes, and he saw that Cape Suzette was still here, but then, he saw the waters of The Hudson River and the New York Bay: he finally realized it.

Past Alexander Michaelson: I'm...back in New York. But, Cape Suzette is now part of New York? What's going on?

Past Baloo: You found a way to get back home, Alex, but now, we're also part of your home too.

Past Kit Cloudkicker: But, how?

Past Alexander Michaelson: That's what I need to find out. Come on, follow me and stay close.

They followed him to Alex's apartment.

Past Baloo: So, you live here on your own?

Past Alexander Michaelson: Yes, the apartment I live in with my sister was signed over to me when both our grandparents on both sides passed away when we were seventeen, and the wealth and assets of my grandparents on Dad's side were given to me along with the apartment, and Rebecca Michaelson, my youngest sister, gained the wealth and assets of my grandparents on Mom's side before they passed away, and Mom would never see a single penny after she got disowned fifteen years ago for what she did along with being a constant troublemaker and nuisance.

Suddenly, Alex was met by a girl with the same brown hair and dark blue eyes as him, but she was dressed in a black coat, dark blue frilly shirt, dark blue skirt, and dark blue knee-high high heeled boots with butterfly buckles on them, it was his sister, Rebecca Michaelson.

Past Rebecca Michelson: Alex, you're back.

Past Alexander Michaelson: Yes, I am. But, how?

Past Rebecca Michaelson: I managed to use a spell to find you in Cape Suzette and bring you home, and from the looks of it, it also merged Cape Suzette with our world.

Past Rebecca Cunningham: So, Cape Suzette's now part of your world.

Past Alexander Michaelson: That's correct, it's due to the spell.

Past Kit Cloudkicker: Looks like we're going to be neighbors.

Past Alexander Michaelson: Looks like it.

Past Rebecca Michaelson: Uh, you might want to watch how you say it, Alex. Take a look outside.

Alex looked out his window, and he spotted Pirate Island and it's right next door to his apartment.

Past Alexander Michaelson: Oh, you have got to be kidding me!

Past Baloo: Ooh, now that's what I call a kick in the pants, you're now next door to Karnage and his men.

Past Kit Cloudkicker: You're not gonna try and sell your apartment?

Past Alexander Michaelson: No, this apartment though I own it, this is our home, and I can handle Don Karnage and his men.

Suddenly, Alexander heard a knock on the door, and as he opened it, he saw a weak-knee tiger enter, it was Raja.

Me: Who's that?

Rebecca Michaelson: Raja, Shere Khan's weak-knee assistant.

Raja: (Nervously) E-excuse me, a-are you Mr. Alexander Michaelson?

Past Alexander Michaelson: Uh, yes.

Raja: M-Mr. Shere Khan of Khan Industries would like to meet with you.

That made the Higher for Hire gang gasp.

Past Rebecca Cunningham: Alex, you want us to go with you? This is gonna be something that needs all of us as well.

Past Rebecca Michaelson: She's right, Brother, and I've been here before because I'm The Keyblade Knight of Cape Suzette.

Rebecca Michaelson revealed her true identity as her Keyblade was summoned and her angel wings spread out.

Past Alexander Michaelson: All right, you guys can come.

They headed off to Khan Tower, Khan Industries' main headquarters, the biggest and wealthiest large mega corporation owned and run by multimillionaire businessman Shere Khan.

Nico: Whoa, so that's Khan Tower.

Rebecca Michaelson: Yep, the headquarters of the biggest and wealthiest large mega corporation owned and run by multimillionaire businessman Shere Khan with divisions in dozens of areas and an estimated worth of nearly 3.7 billion dollars worldwide.

Me: Impressive.

Alexander Michaelson: According to Rebecca Cunningham and my sister, Khan Industries commands a sizable portion of the global economy and the economy of Cape Suzette, but Don Karnage has been trying to take over Cape Suzette and turn it into a paradise for him and his men, and Khan has had to deal with them for years, and unlike the one in The Jungle Book, this one's an anti-hero.

Lincoln: I see.

We saw on the screen, and Alexander knocked on the door.

Past Shere Khan (TaleSpin): Come in.

The door opened, and Alexander Michaelson entered the room, and the chair turned around, and he came face to face with Shere Khan.

Past Shere Khan (TaleSpin): Ah, you've made it in time, Mr. Michaelson. Please, sit.

Alexander Michaelson sat down.

Past Shere Khan (TaleSpin): I have been observing you for some time now, you have made quite the reputation with driving Don Karnage away. Yet, I sense within you a darkness born of malice from a dark forgotten past of yours. I have heard of the death of your father fifteen years ago, a good man who rose to the top, but just as his star shined bright, it fell to Earth and the flames burning bright in his heart were extinguished by your heartless mother.

Alexander was stunned, did Shere Khan and his father know each other, but he kept quiet.

Past Shere Khan (TaleSpin): Yet, your father didn't build his business on his own, he had the help of your grandparents on his side, I was impressed. Now, here you are, his eldest son not yet in his early twenties, but made a reputation as a fighter against pirates, and carving out your own path.

Past Alexander Michaelson: Yes. This is how I'm honoring my dad and my grandparents on both sides who took me and Rebecca in after what happened fifteen years ago.

Suddenly, an executive came in.

Executive: Sir, I have terrible news, we intercepted a call from the prison and Ravenna Michaelson has escape from prison!

Alexander Michaelson gasped. Suddenly, Baloo, Rebecca Cunningham, Kit Cloudkicker, and Molly Cunningham gasped too.

Past Alexander Michaelson: She's escaped?

Past Rebecca Michaelson: I knew she would one day escape, she hasn't changed in the slightest even after fifteen years, she's still the same heartless woman from back then.

Alexander Michaelson gripped his hands tightly in anger.

Past Alexander Michaelson: That woman thinks she can break out and try to finish what she started fifteen years ago and kill us?! Maggot! I'm gonna make you squirm in fear! You filthy animal, you're not getting out of this alive, I'm gonna make sure you draw your last breath and leave you to die in a pool of your own blood just like what you did to Dad fifteen years ago when you took his life!

Shere Khan just looked at the scene with a smirk on his face.

Past Rebecca Michaelson: Where's Mom heading to?

Executive: No idea, but she also let some gang members loose and they're terrorizing your high school in Manhattan.

Past Alexander Michaelson: That old hag! Rebecca, come on, we need to clean this mess up starting with hunting down the gang members that hag let loose in our high school in Manhattan.

They ran down to Manhattan High School, and just as the executive said, gang members are running loose and hurting some of the teachers and students, and two teachers got killed in the process.

Past Baloo: What do we do?

Past Alexander Michaelson: I'm going in there to get rid of the gang members, first, we need to get the students and teachers surviving out of here, Baloo, Kit, Rebecca, Molly, you stay here.

They went in and they got the surviving teachers and students out, and Alex spotted his five friends, Alan Richards, Michael Anderson, Paige Stevens, Laura Matthews, and Derek Andrews, and they were surrounded by a group of prisoners. Alexander went in and slain them all.

Alan Richards: Thank God you got here, Alex, your evil mother's back!

Past Alexander Michaelson: I know.

Paige Stevens: And she's also got her gang together again.

Past Alexander Michaelson: The Devil's Harlots. Dad told me about them, they were the nastiest hellraisers in New York and they caused all kinds of Hell, I would've thought they were gone forever, but just like that old hag, her cronies hadn't changed at all. Now, they're running loose again and causing Hell! That's it, I am going to hunt all of them down and slay every last one of them.

They went outside and met with Baloo, Kit, Rebecca Cunningham, and Molly Cunningham.

Michael Anderson: You won't be able to hunt them all down, you need help.

Laura Matthews: Your mom's buddies murdered my parents fifteen years ago, we're not letting that bitch get away with this.

Derek Andrews: We're with you, Alexander and Rebecca.

Past Rebecca Michaelson: Looks like we've got some help, but it's still not enough, even with the additions of Alan Richards, Michael Anderson, Paige Stevens, Laura Matthews, and Derek Andrews, along with Baloo and Kit, The Devil's Harlots number in the hundreds of thousands, they have our mother and her cronies for the previous generation, and a new generation of Hellraisers, and many of them are the hags of our high school and all of them are criminals.

Past Alexander Michaelson: We need to get more help, and as much as it's going to sicken me, I've got no choice.

Past Rebecca Michaelson: (GASPS) Oh no, Alexander, you can't mean getting help from Don Karnage? I bet he still wants revenge on you.

Past Kit Cloudkicker: And he also slashed your brother in the face and he went berserk and drove them out the first time and he drove them out right before you got him home. There's no way he'll listen to him, nor to you. You also fought them off before.

Past Rebecca Michaelson: That may be so, but this needs to be done. Our mother is a psychotic evil monster who kills anyone who gets in her way, and she hates all life itself, she needs to go, she needs to die.

Past Alexander Michaelson: I agree, Rebecca. You guys head back to my apartment, I'm heading over to Pirate Island to pay Don Karnage a visit.

Baloo, Kit Cloudkicker, Rebecca Cunningham, and Molly Cunningham headed back to Alexander's apartment, while Alexander Michaelson, Rebecca Michaelson, Alan Richards, Michael Anderson, Paige Stevens, Laura Matthews, and Derek Andrews headed to Pirate Island that's next door to the apartment.

Laura Matthews: Pirate Island? Is it too late to back out?

Past Alexander Michaelson: No, we can't back out, Laura. This needs to be done, Mom's a monster and so's her gang, and they're not running free ever again.

They went in, but they felt it: the overwhelming sense of evil.

Nico: Uh oh, going into a villain's lair surrounded by evil, that's enough to chill anyone's bones.

Lincoln: Rebecca's gone after Karnage before, but she hasn't done so on his home turf: his island.

Past Alan Richards: (Gulps) I feel like we're being watched.

Past Rebecca Michaelson: I know.

Past Alexander Michaelson: Don Karnage! I know you're here! Stop lurking in the shadows!

Then, The Air Pirates came out of the shadows.

Past Dumptruck: Intruders, get them!

Alexander Michaelson got out his rifle and fired a bullet into the air and the sound silenced them.

Past Alexander Michaelson: That's enough, you lizard-eyed slimerags! Now, where the heck is your boss?!

Then, Don Karnage came in.

Past Don Karnage: So, it's bad enough you snuck onto The Iron Vulture, now you come into our home? (Suddenly sees Rebecca Michaelson) You!

Past Rebecca Michaelson: That's right, me, the younger sister of the guy who recently gave you and your gang of cutthroats trouble since he came to Cape Suzette, but thanks to my spell, you're now part of our world, now tell your men to cool it!

Past Don Karnage: And if I refuse?

Past Rebecca Michaelson: You know, I could turn you into the police or have my brother finish the fight you started when you slashed his cheek. So, what's it going to be?

Past Don Karnage: Men, stand down!

They stood down.

Past Don Karnage: Alright, now what is this business you have with me?

BANG!

Suddenly, they saw a group of girls from The Devil's Harlots at the entrance, and they're out for blood.

Past Alexander Michaelson: (GROWLS) Roxanna Matthews, Wendy Roberts, Kyrie Parsons, Natalie Stevens, and Megan Daniels of The Devil's Harlots! So, my mother sent you five bitches after us, the bitches of Manhattan High School!

Past Rebecca Michaelson: I knew Mom was a lowlife bitch, but to send you five bitches after us, well that's going too far!

Roxanna Matthews: We'll see about that when we bring your heads to Ravenna! She will make us captains for sure!

Past Alexander Michaelson: The only places you'll be getting is where I leave your mangled corpses after I get done killing you!

Alexander Michaelson unholstered his darkness greatsword and he fired at them with bullets from his rifle, but they fired a shot that destroyed his rifle, and that pissed him off so badly, he went after them and...!

SLASH! SQUELCH!

HE BEHEADED THEM AND SENT THEM TO HELL!

Past Alexander Michaelson: That's our problem, my evil mother, Ravenna Michaelson, has escaped from prison after what she did to Dad and me and Rebecca fifteen years ago, and now, she wants to finish what she started. If she's not stopped, she and her gang will tear New York to shreds and she'll also destroy Cape Suzette and Pirate Island, she despises life itself and anyone who gets in her way will be killed by her and her gang. Now, you have a choice: stand and fight against The Devil's Harlots and live to see tomorrow, or let yourselves be slaughtered by those harlots and watch as Pirate Island and all of Cape Suzette burns to the ground along with New York, it's your choice.

Past Don Karnage: Alright, we shall have a truce.

Past Dumptruck: What?

Past Don Karnage: If we do not put an end to this, everything we worked for shall burn to ashes!

They agreed.

Kyrie Parsons: Okay, the Air Pirates are now on our side, but where do we find your mom and her gang?

Suddenly, Alexander remembered as they followed him to a seedy bar.

Past Alexander Michaelson: There is only one place someone like her would go to: our former home, a place where fifteen years of abuse and destruction occurred.

Past Rebecca Michaelson: It was bulldozed after that, but then, a seedy bar was built here, but it also became the hangout of The Devil's Harlots, and it'll soon be their final resting place.

Past Alexander Michaelson: There is only one place someone like her would go to: our former home, a place where fifteen years of abuse and destruction occurred.

Past Rebecca Michaelson: It was bulldozed after that, but then, a seedy bar was built here, but it also became the hangout of The Devil's Harlots, and it'll soon be their final resting place.

Then, Alexander and Rebecca kicked the doors down.

Past Alexander Michaelson: Get out here right now, Ravenna!

Past Rebecca Michaelson: Same with your old buddies and the rest of the new generation of Hellraisers, you old hag!

Then, we saw an old woman with black hair and eyes of hatred and she was in a red prison jumpsuit, it was Ravenna Michaelson and a group of other old women with black hair and eyes of hatred and they too were in red prison jumpsuits and a massive group of teen girls dressed in punk clothes: The Devil's Harlots.

Ravenna Michaelson: YOU! I'm going to finish what I started and send you brats to join that useless husband of mine in Hell!

The older generation of The Devil's Harlots also shouted threats at them same with the new generation.

Past Alexander Michaelson: Shut your mouths, you old hags! I knew in my heart you would never ever change even after fifteen years, Mom! You're still the same murderous old hag who made our lives Hell every chance you get! You and your friends are not only finished, but I will make sure your new generation of Hellraisers join you in Hell where you rightfully belong! ATTACK!

Alexander Michaelson snapped as massive black angel wings sprouted out of his back, and The Air Pirates went at the new generation of Hellraisers and they took them down and tied them up, and Rebecca Michaelson went at the old generation of The Devil's Harlots and she cut them down with her Keyblade, and Alexander Michaelson attacked Ravenna with fifteen years of anger, rage, fury, and hatred in his heart, he was showing her no mercy at all.

Alexander Michaelson raised his greatsword and pointed it at his mother.

Past Alexander Michaelson: Powers of Darkness, heed my call, imbue this blade with all your power and strike your target down! Condemn the souls of Ravenna Michaelson and the old generation of The Devil's Harlots to the darkest depths of Hell for eternity and may they suffer all of its tortures and torments!

The blade was shrouded with darkness and glowing with dark energy, and he ran at Ravenna and...!

SHEEN!

HE STABBED HER IN THE CHEST WITH THE BLADE, AND DARK FIRE EXPLODED OUT FROM HER EYES AND SHE EXPLODED IN A BLAZE OF DARK FIRE AND SHE ALONG WITH HER OLD GANG WERE SENT TO HELL FOREVER!

Past Alexander Michaelson: It's finally over.

Past Rebecca Michaelson: It's done.

The dark shadow haunting the Michaelson siblings had lifted as the dark clouds passed. Afterwards, the new generation of Hellraisers were sent to prison for life after being expelled from school, and Alexander headed for the cemetery where his father and grandparents on both sides were buried.

Past Alexander Michaelson: It's finally over, now you can rest in peace, Dad. This may have been the only way for me and Rebecca to finally move on.

Alexander Michaelson walked back home as the video ends.

Me: Whoa, now that's what I call an epic journey.

Nico: That's for sure, you went through a massive adventure, and a final stand against a fifteen-year nightmare that haunted you.

Alexander Michaelson: And due to that, my nightmare was finally over.

Eli: Calling upon the powers of darkness to imbue your blade to send that hag to Hell along with her minions, that was really scary.

Lincoln: Even The Goths of Darkness were impressed by that. So, your nightmare may have ended, but whenever you see an abusive parent, that brings back the pain of fifteen years ago. Okay, we really need to keep a close eye on you.

Lori: Literally. Rebecca may not have had problems with putting Lynn in her place, but her brother was an absolute relentless merciless demon, he hated us with a bloody passion and he got really violent with us.

Lynn: We tried to call the cops, but he used his dark power to make us suffer convulsions.

Nico: GEEZ LOUISE! I know he was violent, but come on!

Caleb Maxwell: He's even worse than me and I'm one violent person.

Alexander Michaelson: I admit, I'm a bloody violent person, but that doesn't mean I embraced it fully.

Lincoln: I've seen how violent you get, Alexander, and Rebecca and I had to restrain you before you wound up taking another life.

We got a shower, and then, Lincoln, Matcha Cookie, Avocado Cookie, Mozzarella Cookie, Red Osmanthus Cookie, Tarte Tatin Cookie, Twizzly Gummy Cookie, Stormbringer Cookie, and Financier Cookie are heading to Amami Oshima in Kagoshima, Japan, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 20'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Matcha Cookie, Avocado Cookie, Mozzarella Cookie, Red Osmanthus Cookie, Tarte Tatin Cookie, Twizzly Gummy Cookie, Stormbringer Cookie, and Financier Cookie and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Matcha Cookie, Avocado Cookie, Mozzarella Cookie, Red Osmanthus Cookie, Tarte Tatin Cookie, Twizzly Gummy Cookie, Stormbringer Cookie, and Financier Cookie had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Avocado Cookie: Wow, we're here in Amami Oshima, it's so beautiful.

Lincoln: You said it, Avocado Cookie, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Matcha Cookie, Avocado Cookie, Mozzarella Cookie, Red Osmanthus Cookie, Tarte Tatin Cookie, Twizzly Gummy Cookie, Stormbringer Cookie, and Financier Cookie and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Matcha Cookie, Avocado Cookie, Mozzarella Cookie, Red Osmanthus Cookie, Tarte Tatin Cookie, Twizzly Gummy Cookie, Stormbringer Cookie, and Financier Cookie and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Matcha Cookie, Avocado Cookie, Mozzarella Cookie, Red Osmanthus Cookie, Tarte Tatin Cookie, Twizzly Gummy Cookie, Stormbringer Cookie, and Financier Cookie and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Matcha Cookie, Avocado Cookie, Mozzarella Cookie, Red Osmanthus Cookie, Tarte Tatin Cookie, Twizzly Gummy Cookie, Stormbringer Cookie, and Financier Cookie and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clone of Aurawhirl.

Anna Anyanova: Uh oh, is that...?!

Lincoln: A clone of Lily's hypothetical Akuma, Aurawhirl.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Aurawhirl and he began absorbing her and assimilating Aurawhirl's intense glowing water powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Aurawhirl, and Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Matcha Cookie, Avocado Cookie, Mozzarella Cookie, Red Osmanthus Cookie, Tarte Tatin Cookie, Twizzly Gummy Cookie, Stormbringer Cookie, and Financier Cookie and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, and Matcha Cookie, Avocado Cookie, Mozzarella Cookie, Red Osmanthus Cookie, Tarte Tatin Cookie, Twizzly Gummy Cookie, Stormbringer Cookie, and Financier Cookie and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with

embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Amami Oshima, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Matcha Cookie, Avocado Cookie, Mozzarella Cookie, Red Osmanthus Cookie, Tarte Tatin Cookie, Twizzly Gummy Cookie, Stormbringer Cookie, and Financier Cookie with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, Matcha Cookie, Avocado Cookie, Mozzarella Cookie, Red Osmanthus Cookie, Tarte Tatin Cookie, Twizzly Gummy Cookie, Stormbringer Cookie, and Financier Cookie are in your harem, Linky.

Matcha Cookie, Avocado Cookie, Mozzarella Cookie, Red Osmanthus Cookie, Tarte Tatin Cookie, Twizzly Gummy Cookie, Stormbringer Cookie, and Financier Cookie showed the marks Lincoln made on the right sides of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Alecto Slytherin the sent clone of Aurawhirl after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into her chest, and I absorbed her and assimilated Aurawhirl's intense glowing water powers. Then, I sucked out every bit of energy from her soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We arrived at Andy's house.

Woody: Hey guys!

Hamm: Glad to see you all.

Sam Simpson: Hey guys!

Poromon: We're glad to be here.

Mindy Chan: Ready to have some fun Molly?

Molly Davis: You bet!

They got to having fun.

[Then green letters appear: "Gamma Quadrant, Sector 4" on screen. They disappeared and a blue comet speeds towards Planet Z. The comet is revealed to be Buzz Lightyear, who opens his jetpack wings and flies through the canyons. Once he reaches a cratered area, he lowers himself and closes his jetpack wings. He then looks around, with the sound of Darth Vader-style breathing]

Buzz Lightyear: Buzz Lightyear Mission log. All signs point to this planet as the location of Zurg's fortress, but there seems to be no sign of intelligent life anywhere.

[Laser red lights appear on Buzz and he looks up to see millions of robots that are armed with lasers surrounding him. Buzz jumps and uses his own laser on the crystal which blows the robots up and sends him flying into the air screaming. Buzz lands on the ground and runs over to a wall to catch his breath when a monitor looks in his direction and beeps. Buzz jumps and zaps it with his laser, destroying it. Then the ground opens up in a Z shape and Buzz jumps in and when it shuts, his suit glows. He runs along the corridor. In a room, a yellow dot appears on a red screen identifying as Buzz. A figure raises his clawed hand and puts it on a lever]

Emperor Zurg: Come to me, my prey.

[He moves the lever back and the lights in the corridor come on making Buzz stop in surprise. Then a wall with spikes appears behind him and moves towards him. Buzz looks back and gasps and runs as the wall closes in on him. Buzz manages to jump through a closing door just in time and the spikes ram into the door, denting it. Buzz stands up and sees a battery which reads "The Source of Zurg's Power". Buzz walks slowly to the bridge which has discs that float between him and the battery. Buzz jumps and lands on the discs, each one playing a musical note as he does so. Then, the discs fall suddenly, carrying Buzz with them. Thinking fast, Buzz presses a button on his utility belt which makes a force field bubble around him and then he flies upward]

Buzz Lightyear: To infinity and beyond! [He reaches the platform and deactivates the bubble. He then reaches to grab the battery but his hand goes through it, revealing it to be an illusion. It then disappears and Evil Emperor Zurg rises up behind Buzz on a platform]

Emperor Zurg: So, we meet again, Buzz Lightyear, for the last time.

Buzz Lightyear: Not today, Zurg!

[Zurg fires his ion blaster at Buzz but he picks up a disc to shield himself and the blasts bounce off. Buzz throws it at Zurg, hitting him in the face. Buzz somersaults over Zurg but just as he lands and turns around to fire his laser, Zurg spins around so fast and shoots Buzz. But Buzz dodged it and blasted Zurg and vaporized him!

BUZZ WINS!

Rex: You did it Poromon!

Poromon: Easy to do!

Rex: I couldn't press the buttons to do so at the same time.

Mandee: Oh.

Poliwag: Look guys it's Sid! Get him!

Poliwag and Woody fired waves of energy and blasted him all over.

Poliwag: Take that Toy Chewer!

Hannah Phillips: I was hoping never to see you again "Brother!"

Andy Davis: Yeah! Especially after doing all the abuse you did to my girlfriend!

Sid Philips: Wait you guys are dating!?

Me: That's right jerk! Also read this out loud please?

I held up a paper to his face.

Sid Philips: (Reading) "Crackhouse Minnie is a fat ugly freak and loves sleeping in dog poo and she loves licking toe jam out of Mickey's feet. She also smells like the rear end of an elephant that hasn't washed its butt in a year and it's no wonder why Mickey Mouse hates her and loves cheating on her all the time."

Crackhouse Minnie: (Offscreen) WHAAAAAAAAAAAAAAAATTTTTT?!

Me: If I were you I would start praying bub.

We went back inside and Crackhouse Minnie came and beat him up in a MERCILESS FIGHT CLOUD!

SID SCREAMED IN AGONY AS HE WAS BEING BEATEN TO A PULP!

HE WAS REALLY BEING BEATEN UP!

Mixmaster: What's Manaphy doing?

Poromon: Playing Battleship with Mr. Potato Head.

Mr. Potato Head: B-3.

Manaphy: Miss! G-6.

Mr. Potato Head: AW YOU SUNK IT!

Manaphy: Yay!

Woody: Nice one.

Horsea was playing Space adventure with Buzz.

Horsea: (Imitating Aliens) We come in peace Earthling

G1 Jazz: How does that work again?

Eli: One plays an alien and Buzz is Buzz for obvious reason.

Buzz: No aliens will take Earth.

Horsea: (Speaking funny alien language)

She fired bubbles and Buzz fired his laser and we laughed.

Me: Nice one.

Woody: I agree there. Wonder what happened to Big Bob?

Me: The guy that owned Al's Toy Barn? I gave him a much better job representing my toys for us.

Nico: Much better money and fun.

Woody: I agree.

Poromon: Wanna see something else that's cool?

Woody: What is it?

The mascots did some magic.

Mascots: TADAH!

Woody: Cool!

They did amazing magic.

Rex: Amazing!

Me: That was for starters. But watch this.

Poromon: Yep.

I pulled out a cardboard box.

Me: The mascots are going on a trip into the world of...

SpongeBob: Imagination.

They hopped in.

Manaphy: Let's play Mountain Climbing Adventure!

Poromon: Let's go for it! [pulls the flaps of the box over on them] Gloves!

Manaphy: Check.

Poromon: Hats!

Horsea: Check.

Poromon: Underwear!

Poliwag: Uh... check!

Poromon: Okay, Manaphy, climb up there and secure this rope.

Manaphy: You got it! [climbing noises come from the box]

Woody: Wow it's so real.

Me: I know.

Poromon: Manaphy! Manaphy! Manaphy, you're going too high!

Poromon: Take it easy, Patrick, you've got to acclimate!

Manaphy: I'll take it easy when I'm dead! I'm shaking hands with Neptune! Whoo! Excelsior! I am the lizard king! Whoo! ("I have to make it!" in Latin Spanish)

Xenia: Funny.

Poromon: Manaphy? Manaphy? Manaphy! I think we should keep our voices down! We might start an avalanche!

Manaphy: What?

Horsea: He said, that we should keep our voices down in case of avalanches!

Manaphy: What should we keep down?

Poliwag: [loudly] Our voices!

[But then the sound of an avalanche, making the Mascots scream and fall, they all start to cry. We looked at the box shocked]

We were shocked and in horror!

Me: You guys? [softly touches the box, causing another avalanche]

Manaphy: Hold me.

Poromon: Hang in there, guys, the chopper's on the way!

Manaphy: Poromon! My antennaes are frozen solid! You're going to have to cut them off with a saw! [Nico begins to sweat]

I was biting my nails in fear!

Poromon: No, Manaphy, I can't do that!

Manaphy: Why not?

Poromon: Because I already cut off my own wings!

Manaphy: Nooooo!

I WAS CHEWING MY NAILS IN FRIGHT!

[I then quickly open the box and looked in. The mascots were inside the box]

Woody: Whew! You guys had me worried there. But those noises. They were so realistic.

Poliwag: They were!

Nico: That was our reaction too.

They resumed. But then...

Police sirens are heard,

Policeman Inside The Mascots box: Attention! We have you surrounded! Come out with your hands up!

Woody: UH OH! DID SOMEONE CALL THE COPS ON US!?

Me: Actually it's that.

I pointed to the box.

Criminal Inside Box: You'll never take me alive, coppers!

Man Inside Box: No, Johnny! Don't do it! [Police sirens are heard]

Qin: Wow that is really realistic!

Hamm: Man I thought we were in trouble there for a sec.

Laney: That is absolutely amazing.

Lily: Yeah we had a lot of fun.

Sora: By now, everyone figured out you're living toys

Me: Yep.

Nico: I had a splitting headache from eating Gamon's Romulan Ale Blueberry Jam when we saw this. They bought a huge 150" HDTV.

Sunset Shimmer: They gave me the TV and we set it up. It's really amazing.

Me: I remember that.

But then…

Astronaut inside the Mascot's box: 3... 2... 1... blast off! [a loud rocket takes off noises are heard from the box]

Me: WHOA!

Woody: Sounds like a rocket was taking off.

Me: Yeah!

Astrotrain: Thank goodness that's not me.

Hamm: That was amazing!

Right: That's the power of imagination.

Me: Oh yeah.

We then heard real robot and pirate battle noises from box.

Lily: That's Robot Pirate Island. I remember that one too.

Me: That was cool.

[fireworks and cheering sounds are heard coming from the box]

Woody: Wow that is so realistic.

We then heard a roar.

Horsea: It's the robotic kraken!

Woody: Robotic Kraken!?

Qin: WHOA!

Buzz: WOW!

They were blasting and slashing the robot Kraken all over. We heard blasting sounds and slash noises and roaring noises.

Woody: Boy they are really having fun on that one!

Qin: Yeah!

Jack Sparrow: Boy the world of pirates has nothing on this mate.

Buzz: No kidding Jack.

Xenia: Wow.

They came out.

Nico: Wow!

Poromon: I still can't believe those pirates beat all those robots.

Powerglide: How was it?

Poromon: It was awesome! What did you think?

Woody: Boy that was amazing!

Me: Yep.

American Dad Roger Smith: I still want to visit a world of cocaine.

Nico: No, Roger.

American Dad Roger Smith: Fine. I'll just go watch TV.

He left.

Jamesdean1987: I would have turned him into primordial slop if he done so.

Nico: You sure would have.

Woody: You guys sure had fun in that!

Poromon: Yep!

Right Suzuki: We all thought that was cool.

Ymir: That is really awesome though.

But then...

SLASH!

A fire hydrant broke.

Me: Uh oh.

We looked outside and saw a MEGA AEGISLASH! It slashed a Fire Hydrant!

Me: Whoa a Mega Aegislash!

Nico: Where did that come from?!

Me: Must be one of Dark Gale's handiwork!

Orion: Let me see.

He used telepathy and gasped!

Orion: It's my sister Libra! She is from my home planet's sister planet Camelossa XI and it was destroyed by Emperor Mavro!

Me: That jerk needs to pay for his crimes!

Nico: I agree! Lets go!

We went down and faced her.

Orion: It's okay sis. It's me Orion.

She slashed at Horsea but she put her clone in front of her.

CLANG!

I blocked the strike with my sword!

Me: Hey don't attack a pokemon like Horsea!

I pushed her back.

Me: Okay then.

Me and Orion blasted her all over.

I snapped my fingers and she reverted back and was a girl with brown hair and blue eyes and had brown angel wings and had Mega Aegislash on her forehead and on her arm was the Super Megaforce Symbol and it had all the ranger helmets of all the Sixth Rangers and Extra Rangers from over the course of 50 years on it as well as the symbol of Gozyuger!

We wrapped her in a blanket and brought her inside and put her on the sofa.

Mindy Chan: Oh man must be one of Dark Gale's work. We'll head upstairs.

Nico: Sorry about that Mindy.

Mindy Chan: No worries bro.

Mindy and Molly went upstairs.

She woke up to see Horsea's smiling face.

Libra: (Groans) Huh? A Horsea?

Horsea: You attacked my clone!

Maria picked her up.

Orion: Hey sis you okay?

Libra: Orion!

She hugged him.

Libra: I'm glad you're okay.

Orion: Me too.

Me: You were turned into a Mega Aegislash by Dark Gale.

Libra: Dark Gale? Never heard of them. I was fighting this weird monster. He was yellow and looked like a dragon.

Eli: That was Vannine!

Me: That was a Japanese Gokaigers monster.

Libra: Whoa one of our Japanese counterparts monsters. Amazing.

Me: I know. Lots of them out there.

Qin: Makes you wonder how many monsters there really are.

Libra: I know.

Nico: Yeah. We heard about what Mavro did to your planet.

Libra: And Mavro didn't just destroy my planet. He killed my parents!

WE GASPED IN SHOCK!

Me: That monster!

Xenia: Yeah!

Me: We'll make sure he pays for his crimes big time. On Orion's day to shine.

Orion: That's right.

Noah: The Armada DID destroy Orion's planet after all

Me: I remember that. They destroyed a lot of planets all over the galaxy.

Qin: Yeah.

Libra: I know.

Me: If we find the home planet of the Armada, we'll blow that place to kingdom come.

Libra: I agree there as well.

Poromon: What Rangers color are you for?

Libra: I'm the Brown Super Megaforce and Megaforce Ranger. I have all the powers of all the rangers from over the course of 32 years.

Me: Now we have 50 years of Rangers too.

Libra: I have a lot of catching up to do.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new brown clothes and her Super Megaforce Morpher and a trident too.

Libra: I look amazing.

Me: You sure do.

Galaxy Man: We should have imagination box adventures more often.

Me: That is for sure.

We later went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Poromon: Next time, it should be Medieval themed.

Nico: I like it.

Qin: Yep.

Me: Also Crackhouse Minnie will get her butt kicked if she comes anywhere near here.

Qin: Yep.

Xenia: Good.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Mandy, she's back in Beverly Hills, and she's out for revenge on us again. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud, we better get a move on!

Eli: Mandy's on the loose!

Lincoln: That he is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Mandy, she's back in Beverly Hills, and she's out for revenge on us again.

EVERYONE GASPED!

Me: We pretty much knew this was coming.

Camie: Yep.

The previous group came.

P'andor: (Russian Accent) Can me, Chalmers, Tri Klops, Myotismon, KGBeast, Absorbing Man, Firepower, Black Manta, Goro, and Pyros go with you guys?

Nico: Yes you all can come with us.

Qin: Mandy is going down.

The alarm went off and suddenly the computer opened up and we got sucked in!

Me: WEEEEEE!

Sam Simpson: Good time for a WOOHPing!

We arrived in Jerry's office!

Jerry Lewis: Hello Team Loud Phoenix Storm.

Me: Hello Jerry. Been a while.

Jerry Lewis: It has been a while and Lincoln I must give you my congratulations on fulfilling the prophecy.

Lincoln: Thanks Jerry.

Jerry Lewis: I take it you heard about Mandy.

Me: I know. She escaped from Lynn's Table thanks to Alecto Slytherin. We're going to bring her back to the Xaikora prison.

Jerry Lewis: Good. She is over in Beverly Hills, California.

Me: Sam, Clover, Alex and Brittney's neck of the woods. Fitting.

Qin: She is probably hiding out in Beverly Hills Mall.

Me: Yeah. That's where we fought her during Xehanort's Endgame. Anyway Jerry we're on our way.

Jerry Lewis: Indeed and I'm going to be joining you guys

Me: Oh wow. This will be exciting.

Nico: Ooh, now this should be good. Alright, team, let's get going, time to put Mandy back in her place.

Lincoln: And that's locked up in The Xaikora Prison for eternity.

Blackarachnia: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm thinking maybe Lightning Elemental next.

Me: Whoa electrifying.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Jyggalag, The Daedric Prince of Law and Order from The Elder Scrolls, and he's come back for revenge on us again. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Jyggalag, The Daedric Prince of Law and Order from The Elder Scrolls, and he's come back for revenge on us again.

Siobhan McLoud Cooper: (Scottish Accent) Aye, I hope you're ready to absorb him again, Lincoln.

Lincoln: You bet I am, Siobhan.

Nico: I hope this also sends a warning to the other villainous Daedric Princes. Alright, team, let's go, Mandy's rampage ends here.

Lincoln: We'll have her sent back to The Xaikora Prison for good, and once we're done with her, you're next, Jyggalag, The Daedric Prince of Law and Order.

Siobhan McLoud Cooper: (Scottish Accent) You made a mistake returning, Daedric Prince of Law and Order, and it's one you're going to regret.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to take down Mandy and send her back to The Xaikora Prison, and once we get done with her, Lincoln and Siobhan McLoud Cooper are going to destroy Jyggalag and send him to The Black Abyss after Lincoln absorbs him.

We were off to Beverly Hills, California.

We arrived.

Me: Beverly Hills 90210.

Qin: Shopping paradise.

Carina Stardust: Always love coming here for some shopping.

Me: Who doesn't like coming here for shopping.

Rarity: Indeed and it's always fun here darlings.

Tri-Klops: Let's call Patty and Selma

Me: And Selene too. This is partly Sam's mission as well.

Nico: Good idea.

We did so.

Selene: So that bitch Mandy is back.

Patty: Yeah no kidding.

Qin: Yep.

Mandee: We're going to send her back to the Xaikora prison.

But then Diamond Tiara gasped.

Me: What is it Diamond Tiara?

Diamond Tiara: I'm sensing something. Mandy's heart. It's hurting inside like she wasn't like this all her life. I feel distress and abuse caused by family.

Me: How do you know that?

Diamond Tiara: I can just feel it. Like I can tell that Mandy is hurting inside. Like she didn't want to be this way.

Notacon: Are you sure?

Diamond Tiara: I'm positive. It's like I can see into her heart. Like she is hearting on the inside.

Me: Spiritual Soul Sight. I didn't know you had this kind of power.

Nico: What is that?

Me: It's a power that uses spirit energy and it makes you peer into the soul of those who are hurting inside. It can be used to determine if they are redeemable or not.

Nico: That's incredible.

Qin: Wow!

Nico: Have you seen this power before?

Me: Only once or twice. It's a really rare power to get.

Nico: Wow!

Diamond Tiara: Wow.

Apple Bloom: How cool is that Di!

Silver Spoon: It sure is amazing!

Qin: Yeah! Diamond Tiara has been on a roll for a while and she is getting good at helping people like Bonnie and many others.

Diamond Tiara: That is true.

Mandee then laughed hysterically.

KGBeast: (Russian Accent) Something wrong?

Mandee: (to Nico) Very funny. The reason I'm facing Mandy today is because our names are similar!

Poromon: (laughs) That IS funny when you think about it

Me: I agree there. That is funny.

Caitlyn: And what is even more coincidental is that we were Mandy's friends before Mandee here.

Dominique: You're right on that.

Me: Yep.

Doubledealer: And you two ARE in Mandee's group during the usual battles

Caitlyn: We know.

Me: And it's fitting too.

Mandee: It sure is.

Jerry Lewis: I most agree there too.

Diamond Tiara: Guys you're going to think I'm crazy about this but I want to help Mandy realize the error of her ways and help her redeem herself.

WE GASPED!

Me: Diamond if you think that Mandy can be saved from this monster she is then I have faith in you.

Diamond Tiara: Thank you. Sam, Clover, Alex, Brittney, I know you guys are never going to forgive Mandy for everything she did to you but at least trust me on this one.

Black Manta: Well, we DID reform one person today.

Me: That's right. A friend from my past. Jackie's ex-boyfriend Terrance.

Black Manta: That's right Yusuke mentioned him yesterday.

Yusuke: We sure did.

Me: Yep. Ino is going to help Terrance. I helped get through to him and he is seeking counseling.

Ino: It's true.

Nico: Yep.

Yusuke: Wow.

Patty: You guys have been on a roll helping out like that.

Me: Yep. Before we left for Andy's house I talked to Terrance. Told him I've had a lot of growing up to do over these last 8 years and we reminisced on the fun times.

Icepick: You know what? How bad can helping Mandy be?

Me: We won't know until we try.

Sam Simpson: After everything she did we are not going to forgive her.

Clover: Yeah she has been a MASSIVE thorn in our sides ever since we were in we were in 6th grade!

Alex: Yeah this was long before we joined WOOHP! It was awful!

Me: To be honest girls you never did tell us how long Mandy was doing all this to you. Every villain has to have an origin story.

Black Manta: He's right.

Sam Simpson: You're right. Mandy has been trouble to us since then and bragged about everything she had.

Clover: She rubbed it in our faces and annoyed us big time.

Alex: We were so sick of her.

McGee: I know the feeling myself. Jordan Buttsquat was like that.

Natilee: I remember. What a snob.

Me: Yeah. Hmm. Maybe Mandy is like this and she is taking it out on people because of someone that has been giving her grief?

Pyros: Child abuse? Probably not from her Mom

Me: Maybe from her dad. Come to think of it, we haven't learned anything about Mandy's father.

Sam Simpson: Oh Mandy's dad is rarely in town. He's always away on business and is always making a lot of money.

Me: That explains where Mandy's wealth came from.

Sam Simpson: Yeah. Also Mandy never talked a lot about him either.

Me: Odd.

Qin: What about when he does get home?

Alex: We honestly don't know. But one time we saw a bunch of bruises on her arm and she lied about saying she fell down a flight of stairs.

Me: Hmm. Very suspicious.

Horsea:...when someone says that, it's a very bad sign.

Me: Claiming they Fell down the stairs is usually the telltale sign that there is toxicity in ones family.

Nico: Very much so.

Me: This requires some looking into. Sheila can you run a background check on Mandy's dad?

Sheila: I can do that.

Qin: Good.

Sheila: What's his name?

Alex: His name is Richard Luxe.

Sheila: Okay. It'll take some time.

She looked up her files.

Poromon passed the time by drinking beer

Sheila: Got it! Mandy's dad got his wealth through lots of shady dealings with the Springfield Mafia.

Me: Springfield, Oregon!? How bizarre. So his wealth was acquired through illegal purposes!

Nico: Geez!

Me: And I believe I know just the man I know who is responsible for it. Burns!

Patty: Fat Tony, Legs, and Louie weren't present during any of those dealings.

Selma: Even they didn't like him.

Me: That's good they weren't involved. So Burns must've gotten that wealth to him thru out of state connections.

Selene: It's very possible.

Me: Yeah.

Sheila: Lets see.

She looked up more info and found out that Richard came from a VERY POOR Family originally. But then several years ago Burns came to them and hired Richard Luxe with a massive job. To kill a bunch of mafia men in Washington State he loathed and he pulled it off perfectly by blowing up the entire compound they were in with Sarin Gas! It killed all of the mafia and left none of them alive! He was rewarded a massive amount of money: $100,000,000,000.00.

Me: WHOA! So he wiped out an entire mafia!? That's insane! And he used Chemical Weapons on American Soil!? That's madness!

Nico: No wonder Fat Tony and his guys hate him!

Selma: Yeah no kidding.

Me: Now we got more dirt to show to America and the world later on when we face Burns.

Nico: Yep.

Sheila put her computer away.

Xenia: Burns just continues to piss us off to no end.

Me: Not as much as Dark Chase Young did.

But then...

WHOOSH!

PLANTS ALL OVER THE MALL BURSTED INTO INTENSE FLAMES!

Me: WHOA!

Xenia: Those plants bursted into flames!

We absorbed the fire.

Me: LOOK!

We saw a woman made of pure fire with wings of fire!

Lincoln: It's from her! That's Pymandee the Infernal Maiden! The hypothetical akuma of Mandee and she is a girl made of intense pure fire! She is a voluptuously and infernal fire girl. She was made because of Mandy the Queen bee bitch saying cruel things about her and Mandee snapped and punched and beat her up all over and she vowed to finish what she started and make that bitch pay by killing her!

WE GASPED!

Nico: WHOA!

Me: She's made of pure fire!

Eli: That is hot!

Qin: WHOA! And she is not only sexy but she is LITERALLY hot!

Lori: Literally!

Stickybeard: That be hot!

Me: This one may be too hot to handle like Nick's akuma.

I went over to her.

Me: Holy cow!

Pymandee: Hey J.D.

Me: Wow Mandee you look intensely hot made of pure fire.

Pymandee: I sure do.

Me: Man I'm really sweating up a storm from your heat. WHEW!

Pymandee: I know. I sure am hot.

Me: Literally.

Goro: Mandee? Is that you?

Pymandee: Yes it's still me. Where is Mandy?

Me: We're here for her too. What did she say to you that made you become this way?

Pymandee: She called me a HORRIBLE whore and called me a slut and a heartless bitch that is a filthy dirtloving bitch that will never be as rich as her and the only place I belong in is a trash can and need to eat shit!

WE GASPED!

HOLY SHIT WAS THAT CRUEL!

Me: MAN SOMEONE GET ME A BAR OF SOAP!

Tayuya: And I thought I had a rotten to the core bitchass mouth!

Nico: No fucking shit!

Patty: We just found out some things about Mandy's family.

Selma: So you need to calm down!

Pymandee: What did you find out?

We told her everything.

Pymandee: WHOA MAN! I knew her wealth was acquired through something illegal. I didn't know it was that bad!

Me: We were surprised too. But like Patty and Selma said, you need to calm down.

Pymandee: After you defeat me!

Me: Okay lets cool you down.

I fired waves of water and drenched her and she screamed from the pain. A Huge cloud of steam came off her.

Patty and Selma charged at her

Me: Wait you two! She's too hot to handle. You'll get burned if you touch her. You don't want like what happened with Boomerang to repeat itself.

Patty: Oh you're right.

Selma: Okay then.

They fired waves of energy and blasted her all over.

Pymandee: My turn!

She fired a massive blast of fire and I fired a massive blast of water and the blasts collided and then a massive cloud of steam came off the blast.

I teleported and blasted her with intense water and cooled her down! She was knocked out!

Me: WHEW! Man that was hot!

Nico: Man it's like a sauna in here now. WHEW!

Rarity: I'm really sweating darlings!

Lincoln cooled her down with an ice fan.

Rarity: Oh thank you Linky darling.

Me: That was an akuma that was REALLY TOO hot to handle.

Sunny Starscout: It sure was. Here guys. Smoothies?

Me: Oh thanks Sunny.

We had some.

Me: (Slurps) Ahh. Needed that.

Overkill: She was too hot to handle!

Nick: Not as hot as my akuma though.

Me: That was intense.

Lola: No kidding.

Me: Yeah. (Slurps) Ahh.

Nico: (Slurps) Ahh yummy.

Rarity: (Slurps) Mmm. Needed that.

Maria: We've faced fiery Akuma's before. But that was one of the hottest ever.

Firepower: Good thing she didn't light your cigars

Me: Too true. I can't believe Mandy from her world would say such deplorable things like that. And I thought Fluttercruel had such an extremely rotten disposition.

Nico: Tell me about it.

Me: Now that the Akuma's out of the way. (Slurps) Ahh. Lets go get Mandy. She has to be in here somewhere.

Qin: Maybe she is hiding in the food court.

Me: Maybe.

We went to the food court.

Sasame Fuma: Let's keep our eyes peeled

Me: Right.

Diamond Tiara's eyes glowed.

Diamond Tiara: There!

We heard the maniacal laughter of Mandy, and she's at The Beverly Hills Mall.

Me: There she is, right at The Beverly Hills Mall in the food court.

Nico: Figures.

Lincoln: She's also got a cloak on to cover her face, ever since she got sent to prison, she'd been banned from there forever.

Travis Tackett: From what Hunter told us, she may look like an angel on the outside, but she's a truly hideous demon on the inside, and her sense of fashion is perpetually stuck in the 1980s. I think it's time we teach her a lesson.

Cage Blunt: Let's do this. Hey, Caleb, it's time.

Caleb Maxwell had a malevolent and psychotic grin on his face as the skies turned blood red. Then, they flew out into the skies and were above Mandy's head, and then, they clenched their left hands tightly and their gold-armored dragon claws drew blood on the palms and they poured onto the ground near her.

Mandy: W-what's this?!

Caleb Maxwell, Cage Blunt, and Travis Tackett: BLOOD NIGHTMARE ART: NIGHTMARE OF THE HALLOWSHADE BLOODBATH!

Suddenly, the blood pool near Mandy's feet began reacting, and then, it shot out into a geyser and then, Mandy found herself in The Hallowshade Bar in 1985 on Halloween Night, the night of The Hallowshade Bloodbath and the final night of Caleb's life. Then, the blood took on the forms of Cage Blunt and Travis Tackett in 1985 and under Demon Blood influence, and they viciously attacked her with ferocity and fury.

We saw it all in front of us unfold.

Nico: What the!? I know Caleb unleashing his Blood Nightmare Art was definitely nightmare inducing, but Cage and Travis too?! This is absolutely nuts!

James Blunt: I shouldn't be so surprised though, they'd been around Caleb for years before and after his death and resurrection, same with me, and I too also have the same Blood Nightmare Arts as him, but because of my ability to purify anyone corrupted by darkness, I can also free someone in the same way as Lincoln and all of you.

Brittney: Gasp! You're evolving even more, it's not long before you too transform in the same way as Lincoln.

We were stunned.

Nico: Uh, let's head down there and stop Mandy before your son, Travis, and Caleb give her a nasty case of nightmare trauma for life, Mr. Blunt.

James Blunt: (Smirks) You're not scared, are you? You've seen the nasty things Caleb's gone through along with what Cage and Travis did back in 1985, you're not gonna back out of this, are you?

Nico: Hell no! It takes more than that to scare me!

Me: Even Caleb's violent twisted anger and sadism doesn't scare us! Let's go, it's time to tear this bitch apart limb from limb!

We went at her.

Mandy was infuriated. Then the spirits of spies and agents came and swirled around her and then converged and then...

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

A massive fiery explosion blasted off above her and a phoenix cry, thunderbird screech, wolf howl, dragon roar and a tiger roar was heard and we landed.

Me: Okay Mandy we know that's you!

She took off the cloak.

Mandy: How did you know it was me?

Qin: Well we have our ways. But before we fight, we have someone who wants to say something to you.

Mandy: Oh, and what would you have to-

Nico: Your secret's out?

Absorbing Man: What can I absorb around here?

Me: Plenty of stuff here. Concrete, wood, whatever.

Absorbing Man: Tanks.

Diamond Tiara went over to her.

Diamond Tiara: Mandy listen, I know you are hurting inside. Your father is hurting you isn't he? He was hurting you because of the horrible things he did because of Burns.

Mandy gasped!

Mandy: How did you know all that?

Diamond Tiara: You and I have so much more in common than you realize. I know what you are going through. I was a bully that loved being the best at everything and all that. Until I realized it was all for the wrong reasons.

She grabbed Mandy's hand and saw DEEP INSIDE HER HEART! Diamond Tiara saw that her father would beat and hurt her bad because he wanted her to keep quiet about the atrocities her father did and more! He would beat up Mandy bad that it would cause her to show how superior she was to everyone. She was crying inside and didn't want to be a bully! She wanted to be an artist!

Diamond Tiara gasped! Then she did something we didn't expect! She hugged her.

Diamond Tiara: Mandy you don't have to be like this anymore. Because we can help you be on the right path and help you be a better person and help you achieve your dream of being an artist. You are hurting because of your dad. You don't have to be afraid anymore.

Mandy's lip then quivered and then she bursted into tears and was crying hard!

RD Sam Sharp: My prime self knows how you feel

Sam S.L.: It's true. I went through the same pain as you.

Me: Many of us come from dark backgrounds.

Nico: It's true.

Sam Simpson: She may have gone through all that but we're not going to forgive her.

Me: Sam we don't expect you to. At least not now. Maybe not ever. But right now Mandy is hurting inside. Just like Terrance was.

Qin: He's right.

Nico: Yeah.

Mandy: (CRYING HARD) IT'S TRUE! IT'S ALL TRUE! I WAS DOING ALL THAT BECAUSE OF MY DAD! HE HATES ME! HE THREATENED TO KILL ME IF I TOLD ANYONE HIS SECRET! HE PAMPERED ME WITH ALL THOSE GIFTS TO KEEP QUIET!

Myotismon: You know what? Even if you girls don't forgive her, I will

Me: Me too!

Apple Bloom: Me too!

Nico: Same here.

Qin: Yeah!

Me: Sam, Clover, Alex, Brittney, I know it will take some time, but give her a chance.

Alex: Okay. We'll do it.

Me: Good. Jerry we're going to need to launch a manhunt for Richard Luxe.

Jerry Lewis: It will be done.

Me: Maybe... (Senses something) Uh oh!

Mandy then got a massive splitting headache!

Mandy screamed.

Me: UH OH!

Dark energy swirled out of Mandy!

Nico: Dark Side incoming!

We saw it separate and it formed into another Mandy but with black clothes and PIERCING RED EYES!

Dark Mandy: FREE AT LAST!

Me: Now that's more like it!

I teleported and punched and kicked Dark Mandy in her stomach and face!

Diamond Tiara brought Mandy over.

Mandy: (to Sheila) (Weak from Exhaustion) I don't know all of Anti Monitor's plans. But I can tell you what I do know regarding you since you helped me. There are 26 more Underground Monters. And they're all female!

WE GASPED!

Qin: I had no idea!

Sydney: Me neither!

2003 Mikey: Okay. Are you saying that there are more of them?!

2003 Don: I knew there had to be more of them.

Sydney: They must've been caught by the High Mage and frozen somewhere in the Underground City.

Dreamcatcher: So these are undocumented ones

Qin: Oh man!

Nico: There must be more underground cities we know nothing about. Or there might be caves separate from them.

2003 Leo: Donnie. Please tell me you still have that cure.

Chalmers: We're going to need it

2003 Donnie: Plenty of it. I got more than enough crystals locked away for it.

Nico: Great. We'll need it.

Eli: Shanan we'll need you to identify the creatures they were turned into too.

Shanan: I can do that.

Nico: We'll worry about that later.

POW BIFF SMASH!

I punched Dark Mandy all over.

Libra: Lets do it!

Troy: Right! First lets start with Megaforce.

Megaforce Rangers: GO GO MEGAFORCE!

They transformed!

Troy Burrows: (Echoing) FURY OF THE DRAGON! MEGAFORCE RED!

Emma Goodall: (Echoing) FLAMES OF THE PHOENIX! MEGAFORCE PINK!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive fiery explosion blasted off behind them and they were ready for action!

Nico: WHOA! COOL!

Qin: AWESOME!

2003 Raph: I say we pound answers of either Ch'rell or the High Mage on who they are! Whoever comes first.

Nico: I might have to develop ways to get information by peering into their minds.

Eli: Hmm. Interesting.

Qin: Okay. Lets worry about that later. Right now we got a fight on our hands.

Nico: Oh right! First thing's first!

Nico teleported and went at Dark Mandy and punched her!

POW!

Sam and Clover kicked and punched Dark Mandy!

2003 Raph threw his sai at her eye.

STAB!

DARK MANDY SCREAMED IN EXCRUCIATING AGONY!

Me: YIKES!

Qin: That had to hurt!

I pulled the Sai out and it pulled out her eye.

Nico: SICK!

Me: Nice throw though.

2003 Raph: Thanks.

Luan: That's one way to loose an Eye to the Sai! (LAUGHS)

WE LAUGHED!

Me: That was good!

2003 Mikey: (to me) You heard what Mandy said, right?

Me: Yes I heard everything while fighting. You said something about there being 26 more Underground Girls! That is absolutely unheard of. We must've not noticed them when we battled the High Mage.

I punched Dark Mandy.

2003 Don: They must be undocumented.

Nico: You wanna keep talking about it or do you wanna focus on the fight?!

Clover: I vote we keep talking about it.

2003 Mikey: I vote we focus on the fight.

Nico: Lets focus on the fight and talk about this next rescue!

Me: That works!

I punched Dark Mandy in her face.

She went at me and I dodged her and kicked her in her back.

Libra kicked her in her face.

Me: Lets bring them together. Also guys after this go Super Megaforce. I have something awesome.

Troy: Right! Lets do it!

They formed the Megaforce Blaster!

Troy Burrows: Lets bring them together!

They formed an awesome new version of the Megaforce Blaster!

Troy and Emma: SKY POWER! ENERGIZE!

Gia and Jake: LAND POWER! ENERGIZE!

Noah and Lilith: SEA POWER! ENERGIZE!

Magas and Connie: STAR POWER! ENERGIZE!

Kendra and Libra: HEAVEN POWER! ENERGIZE!

Me: HELL POWER! ENERGIZE!

We charged it up and it was ready!

Nico: FIRE!

Me and the Megaforce Rangers: SUPER OMEGA ULTRA NATURE VICTORY BLAST!

We fired a massive blast and it hit Dark Mandy and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Nico: YEAH!

Clover: I'm still a little wary about Mandy.

2003 Mikey: Well, I'd rather not think about how scary those other monsters probably look! (throws nunchucks at Dark Mandy)

BASH!

The nunchucks hit her in her face!

Me: Nice one!

Megaforce Rangers: SUPER MEGA MODE!

The Megaforce Rangers turned into the Super Megaforce Rangers!

Xenia: COOL!

Qin: YEAH!

Me: Now you guys are in for a treat! Hold still! (SNAPS FINGERS)

Out came an ULTRA POWERFUL NEW CANNON! It looked like a miniature version of the U.S.S. Valorous Phoenix! But it had all the symbols of the Rangers and Sentai teams on it!

Troy: WHOA!

Me: Say hello to the The Ultimate Super Megaforce Ranger Omega Legacy Cannon. It uses the keys of all the Power Rangers from over the course of 50 years! And it fires a MASSIVE concentrated energy blast that is strong enough to destroy all the power rangers enemies in one fell swoop times 600,000,000,000,000.

Gia Moran: HOLY WOW!

Right: WOW! That is amazing!

Xenia: Yeah!

Nico: Let's test it out!

Me: Brace yourselves guys!

Rangers: FIFTY YEARS OF RANGERS ACTIVATE!

They put their keys in and it was ready!

The target locked on.

Troy: FIRE!

It fired a massive and powerful barage of rainbow energy blasts and it formed into the symbols of the Rangers from 1975 to 2025 and formed into the helmets of them from over the years and they converged and they slammed into Dark Mandy and exploded with incredible and unbelievable force!

EXTREMELY MASSIVE AND UNBELIEVABLE POWERFUL EXPLOSION OF INTENSE FIERY AND NUCLEAR FORCE!

When the smoke cleared, Dark Mandy was burned and charred among fiery rubble and debris from the blast!

Nico: WHOA! That was powerful!

Laney: UNBELIEVABLE!

Troy: WHOA! What a magnificent weapon!

Poliwag licked it.

Poliwag: (SPITS) Yuck!

Me: Poliwag!

Nico: Boy the Armada and the Warstar are Screwed big time!

Me: Not to mention all the Rangers enemies! I should explain the reason why I'm making all these. When we face Lord Zedd, I want him to see these new weapons I built for you guys as the ULTIMATE Perfect defeat to end his reign of terror after 30 years of pain.

Troy: Wow! I like it!

Tommy Oliver: That is gonna be awesome!

Me: Yep.

Nico: That is a very awesome and perfect secret weapon plan!

Xenia: It sure is!

Me: Yep.

Orion: Like old times?

Libra: You know it!

Orion and Libra: MEGAFORCE ULTRA FURY BLAST!

They fired waves of energy and blasted Dark Mandy all over the place.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Jyggalag and he began absorbing him and assimilated Jyggalag's Swordsmanship, Advanced intelligence, Super strength, Immortality, Conjuring Knights of Order, Reality manipulation, and Cosmic awareness, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Jyggalag and he also sucked out all the energy remaining in his soul and he was sent to The Black Abyss and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Siobhan McLoud Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Siobhan McLoud Cooper: It's over for you, Jyggalag, and to this we say good riddance. Thanks for helping me get rid of Jyggalag, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Siobhan.

Me and Nico: Our pleasure, Siobhan.

Suddenly, Siobhan McLoud Cooper wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Siobhan McLoud Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Siobhan McLoud Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Siobhan, you transformed and you guys really let Jyggalag have it.

Me: That's for sure, and he got what he deserved. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Pearl.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Pearl.

Catherine Diamantis: There's only one person who matches this: Penelope Pearl, Avatar and Gene-Slammer of Gem-Knight Pearl, and you guys are going to love meeting her, Penelope Pearl, Avatar and Gene-Slammer of Gem-Knight Pearl, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of pearls and crystals. She's known as The Pearl Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Penelope Pearl came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of pearls and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of pearls and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Marilyn Ashcroft, Gene-Slammer of Steelswarm Sting and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Penelope's parents and her little sister, Paige, in cold blood, and she swore to kill Marilyn Ashcroft and make sure she's sent to The Black Abyss forever!

Me: Oh man...!

Lincoln: Yep, Penelope lost her parents, and her sister, Paige, when Marilyn Ashcroft killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She doesn't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Me: I agree.

Boomerang: Good thing you didn't repeat what happened to me that one time.

Knightbrace: Mandy took the first step to redemption.

Me: Yep and her dark side is now in the Xaikora Prison.

Qin: Good.

Mortal Kombat Scorpion: What now?

Ice Demon: Let's celebrate here.

Brain Freezer: Me and you are getting ice cream

Me: Good idea. I worked up a sweat from Mandee's Akuma.

Camie: Me too.

Lola: We had a really eventful day.

Eria: My nose is still burning from the stench of Durians.

Me: Geez.

Nico: But great job today guys.

Sam: (to the viewers) Now we've seen the last of the evils of Mandy.

Me: Yep. Diamond Tiara deserves most of the credit today.

Diamond Tiara: Thanks guys.

We went to get ice cream and later returned home. Mandy was crying hard when we got her settled in. Mandy lost everything all because of her father and more. It would take her a while to recover and more.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we finally took care of Dark Mandy and sent her back to The Xaikora Prison.

Anna Anyanova: Now, all that's left is to take care of her father. Our satellites and the police are going to be working overtime to find that piece of trash, but ever since Mandy's conviction years ago, he's lost all his wealth, so he'll be hiding in the shadows, which is where they'll search.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the

massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Thunder Card, but tomorrow, I got the feeling we're going to take on the dark version of The Sword Card, and that one was a dangerous capture when Rita wound up getting her hands on it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on.

Next up is the Kisenian Blossom who is back for revenge! Becky's day to shine is for that too.

See you all next time.

HATRED OF THE KISENIAN BLOSSOM 2

The Kisenian Blossom is back for revenge!

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a golden yellow and white planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over life, vitality, life energy, rebirth, energy, and life nourishment, and the ability to grow even stronger and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Vitaira, a golden yellow and white planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Vitairans, the males were not only natural born fighters, but had powers over life, vitality, life energy, rebirth, energy, and life nourishment, and the ability to grow even stronger and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Vitairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Oh man! This should be good.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Vitaira once inhabited by The Vitairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city and it was full of life absolute.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Vitaira, it truly is a beautiful planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Vitaira and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a golden yellow gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of golden yellow souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Vitaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Vitaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over life, vitality, life energy, rebirth, energy, and life nourishment, and the ability to grow even stronger, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and white aura with light surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and the amount of life energy was that powerful and infinite, it felt unreal.

Lincoln: Oh man, all of their powers over life, vitality, life energy, rebirth, energy, and life nourishment, and the ability to grow even stronger and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Vitaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Vitaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Vitaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with

embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Vitaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react,

J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Vitaira, it was an amazing planet with an even more amazing city and it was full of infinite life.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) You said it, but The Infernairans laid waste to The Vitairans as well, and there truly is no end to the terror they'd wrought throughout the universe.

Lincoln: Arpina's former people were absolute monsters. When I absorbed the souls of Vitaira's male Vitairans, the planet and its core itself, and its Sun into my body, I felt even more incredible than ever, and I also have even more infinite energy and vitality.

Amara Roshansa: And that also really increased your already infinite virility levels and infinite sex drive back when you absorbed the souls of the male Virilitairans, Virilitaira and its core, and its Sun into your body. (Rubs Lincoln's massive pecs) (Smirks) Plus, you're infinite times the man than the perverts and assholes lurking out in the city and a true gentleman. If you need us to castrate said perverts, let us know.

Nicole: That won't be possible, Lincoln will probably absorb them.

Becky woke up to see Mega Butterfree staring at her.

Mega Butterfree: Morning Becky! Time for breakfast.

Becky: Oh it must be my day!

Becky went and got dressed and went to the table.

Me: Morning Becky!

Becky: Morning guys.

We gave her pancakes.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Aunt Spiker and Aunt Sponge, that greedy hog and ugly vulture have broken out of The Neptune Prison and they want revenge on James.

Maria: What the absolute fuck!? THAT GREEDY HOG AND UGLY VULTURE HAVE ESCAPED?! I'm gonna skin those two old hags alive!

Lincoln: I got a better idea: we're throwing them in The Davy Jones Penitentiary.

Me: Great idea, that greedy hog and ugly vulture won't survive life in there!

Nico: (Smirks) Think we should get some popcorn to watch the show on TV?

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: behind the moon, it was my old enemy, The Kisenian Blossom and The Kisenian Blossom Planet has put itself into a stationary orbit behind the moon.

Me: So, you've finally shown yourself at long last, Kisenian Blossom!

Nico: Oh man, The Kisenian Blossom is back! And it's put its planet into a stationary orbit behind The Moon. Now, we know who we're facing for Becky's big day.

Me: And I got some unfinished business with that hate-filled flower for what happened to Fiore.

Fiore: J.D., whatever you do, do not let that Kisenian Blossom live a single second further.

Me: I won't, Fiore. Today, we destroy The Kisenian Blossom and its planet for good!

Lincoln: We'll need to keep our guard up, The Kisenian Blossom will send its soldiers after us and send one of its soldiers to suck out someone's energy. But, we'll suck out and absorb all of the soldiers' hatred and it'll make us more powerful than ever.

Me: Right.

Ann: We can never forgive what that monster did to Fiore.

Alan: It's because of that monster flower that we lost Fiore. It's time we got payback on her.

Lincoln: This time, we'll all make sure that parasite, The Kisenian Blossom, dies for good along with its entire planet for planting the seeds of hatred. Alright, now let's finish breakfast and head out to take care of Aunt Spiker and Aunt Sponge, they're in Central Park in the New York City Sector.

Maria: Just like long ago. Let's get them.

We finished breakfast, and we headed out to Central Park in the New York City Sector of the city to help Maria Dunbar and Lily Valley unlock their Rainbow Power and take down Aunt Spiker and Aunt Sponge and send that greedy hog and ugly vulture to The Davy Jones Penitentiary, but we also know who we're facing today: The Kisenian Blossom, and this time, we're making sure that ruthless hate-filled parasite dies for good along with its entire planet.

We were off.

Stinger) And we were there for a fun rescue. We were outside the home of James Henry Trotter.

Maria: Been a while since we were here.

James Henry Trotter: (British Accent) I know. It has been a while.

Me: Yep.

Xenia: Man no kidding there.

Ymir: I can't believe that James's aunts are that evil and cruel.

Me: Yeah that repulsive vulture and gluttonous hog.

Nico: Yep. Shock Rock I want to thank you, Universe 666 Mr. Electric and your teams for coming.

Shock Rock: No problem. I'm ready to electrocute those old crones.

Sonya Storm Neos: I'm ready to unleash the fury of the storm.

Qin: Me too.

Nico: Sonya, remember when we first met?

Sonya Storm Neos: I sure do. It was when I was stranded on that island in the middle of a hurricane. It was amazing.

Me: WHOA! You were stranded on an island as well? Amazing.

Sonya Storm Neos: Yep. Our ship capsized in a tsunami and we went to an island in the middle of a hurricane.

Me: Scary.

Nico: Yep. We were in the middle of the eye of the storm. I brought Sonya and her family to land on the island of Bermuda.

Nicole: Whoa that is amazing.

Poromon: Yep.

Ben: The Bermuda Triangle, right?

Sonya Storm Neos: Yep. But we weren't teleported to Zak Storm's world.

Nico: Yeah.

Ben: Good.

Nicole: I'm glad you and your family are okay.

Sonya Storm Neos: Same here.

Diamond Tiara: Yeah.

Me: Diamond Tiara we're really proud of you.

Twilight Sparkle: You saved Mandy from herself and that shows you have come a long way in learning all about how to help people through your heart and that shows you have a good heart.

Diamond Tiara: Aww thanks guys.

Me: No kidding. But we had no idea that Mandy's dad was that evil.

Sheila: No kidding. I have the police force finding him.

Me: The satellites are finding him too.

Qin: He can run but he can't hide.

Sam Simpson: (sighs with a smile) You know what? Maybe giving Mandy a chance won't be so bad.

Lincoln: I agree. Girls it's time to let it go.

Clover: (Sighs with a smile) I agree there too.

Alex: (Sighs with a smile) I agree too.

Brittney: (Sighs with a smile) Same here.

Me: I'm glad you are willing to give her a chance.

Nico: Yeah.

Me: We've been on a roll with helping people like that yesterday. First Terrance Tyler and then Mandy.

Jackie: I'm not going to forgive Terrance for hurting me.

Me: I know Jackie. But maybe we can be friends with him.

Jackie: Good idea.

2003 Mikey: (to Sheila) Okay, I'm glad that you have the cops looking for Mandy's Dad. But are you forgetting there are 26 more Underground Mosnters that got mutated like you, Sydney, and the rest and we didn't even know about them?!

2003 Raph: (smirks) Oh, I'm sorry. I thought you didn't want to talk about it.

Me: Guys come on. Besides to be honest that is a surprising development.

Qin: Yeah.

Camie: It sure is.

Sheila: I was surprised about that as well.

Julie Carolina: I had no idea there were others like that as well.

Irena Malloy: I know where to find them in the Underground City. But it's in a cave on the other side where it sunk into the lava.

Ymir: How come we knew nothing about them?

Me: Because we were so caught up in the middle of fighting the high mage to prevent him from destroying the world during a rare planetary alignment that happened once every 10,000 to 1,000,000 years that we didn't pay much attention to it.

Sheila: Yeah.

Ymir: I see.

Sydney: Yeah no kidding.

Versallia: I was there when it happened too.

Nico: Yeah.

Sydney: (to the 2003 Turtles) I know I was Quarry when we first met. But I DID say there were more of us. That's who I was referring to.

Me: It's true. We didn't know anything about them because we were too busy helping you guys.

Sydney: That's right.

Sheila: Yeah.

Shanan: I agree. When we find your Underground City brethren down there we'll need more of that cure.

2003 Donny: Already thought ahead.

He pulled out 26 vials full of a glowing blue liquid.

Me: Good work Donny.

2003 Leo: First, when we fight the High Mage in a future rescue, we'll need some way of peering into his mind. Since it's obvious we can't trust anything he says.

2003 Raph: Sole survivor my shell!

Me: I agree. I'll use my powers to make him talk. I can project his memories for all of us to see. Just leave all that to me.

Nico: We'll cross that bridge when we get to it. But how are you gonna do it?

Me: Watch.

I put my hands on my temple and my eyes glowed and fired beams of light into Nico's eyes.

Nico: WHOA! So that's where you keep your special stash of twinkies. Under your bed.

Me: Yep. Memory Transfer projection. It's a power I discovered a while back.

Nico: Amazing.

Superman: (smiles) I think we just found out a faster way how we're going to find concrete evidence of Luthor's crimes.

Me: YEAH! I didn't use this power before because I didn't know anything about it. Now we can get concrete proof without it coming out of Lex Luthor's mouth.

Nico: Nice!

Nick Russell: Like mine.

Me: Yeah. Whew!

Eli: Yeah no kidding.

Sunny Starscout: That was the hottest one ever.

Qin: No kidding.

Lola: Yeah. But we sent Mandy's dark side to the Xaikora Prison.

Troy Burrows: We sure did and J.D. that new cannon you made was awesome!

Carly Atlas: WOW! And it really packed a punch!

Misty Tredwell: I'll say!

Me: Yeah it sure did.

Gia: Another one down.

Me: Just wait till you see what I have planned for when we battle Lord Zedd.

Nico: Looking forward to it. What do you have coming up?

Me: The Mystic Force gets the next weapons. And I have a good feeling the next Dark Gale gene-slammer is gonna be for them.

Nico: Wow! What makes you think so?

Then we heard a song being sung in the wind.

Nico: What was that?

Me: That sounds like the song of a Celebi.

Qin: Wow!

Daffodil Bloom: Just like how I sing.

Me: Yeah.

Lincoln: Okay, guys, we're here for one intense battle, we're here in England to help Maria Dunbar and Lily Valley unlock their Rainbow Power and take down Aunt Spiker and Aunt Sponge and send that greedy hog and ugly vulture to The Davy Jones Penitentiary.

We had all of TLPS and The MOE with us.

Nico: Just how did that greedy hog and that ugly vulture escape from The Neptune Prison?

Lincoln played the video of The Neptune Prison on his left wrist computer on his Bracer, and then, we saw a flower come in, and then, it formed into a Kisenian Soldier that drained the energy out of several prisoners and freed that greedy hog and ugly vulture and brainwashed them by planting seeds of hatred on them!

Me: That goddamn Kisenian Blossom! So, that's how they broke out of prison.

Nico: Which means, they'll have Kisenian Blossoms on them and Kisenian Soldiers with them.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I turned the tips of my 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams

disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Style Queen heard a Pokemon cry

Style Queen: Look guys.

We saw a Gholdengo!

Me: Cool a Gholdengo!

Nico: Golden as 24K Gold.

Style Queen: It sure is.

Gholdengo: I agree there.

Style Queen: You hungry?

She gave it apples.

Gholdengo: Thanks.

It ate them.

Style Queen: Want to come with me?

Gholdengo: I would be honored.

Me: Awesome!

Chloe Bourgeois: Mom now has a Pokemon mascot.

Me: She sure does.

Nico: Yep.

But then we smelled a sweet and fruity scent.

Me: Hey smell that?

Nico: (Sniffs) Oh wow that is a fruity one.

Me: (Sniffs) Smells like Dragonfruit.

Ymir: Smells good.

Qin: Better than the last one.

Lola: Yeah that smelled as bad as Lori's farts!

Lori: I HEARD THAT!

2003 Donnie: Oh, and in case you were wondering, Ben used Echo Echo to help me with more of the cure

Nico: Very clever.

Qin: Wouldn't it have been easier to use Ditto?

2003 Donnie: That would've worked too.

We heard the song again.

Laney: LOOK!

We saw a Mega Flygon and a Mega Celebi!

Me: WHOA! Mega Flygon and Mega Celebi!

Daffodil Bloom: (GASP) Oh wow!

She went over to the Mega Celebi.

Daffodil Bloom: Oh you are so beautiful.

Nico: Wow! Where did they come from?

Me: Must be some of Dark Gale's work.

Ben: Well, Echo Echo uses sound. And sound is the only way for the Crystals to become liquid for the cure

Me: You're right. That makes more sense. But guys focus.

Nico: Oh sorry.

Ben: Right.

Daffodil Bloom: (GASP) Oh wow! Hitoshi this Mega Celebi here is your sister HItomi.

HItoshi: (GASP) Hitomi is a Mega Celebi!? Oh wow!

Me: She must be one of the Hibiki team.

Nico: WHOA!

Daffodil Bloom: And the Mega Flygon here is Elandra Kobayashi. She is the daughter of a man named Alfred.

WE GASPED!

Lillian Hale: That was Alfred the Butler. He was a man that was trying to kill the Shapool family to get the fortune for himself.

Me: It brought a new meaning to the stereotypical phrase in crime, the Butler always did it.

Kaito Kumon: Oh, I remember him. And so should you guys

Ymir: What happened?

Me: It was on Lillian's missions back in 2022.

I went over his history.

Alfred is the butler to Shapool who secretly plots to kill him to usurp his wealth and the main antagonist of the V-Cinema Kamen Rider Gaim Gaiden: Kamen Rider Baron. He later receives a Genesis Driver and Dragon Fruits Energy Lockseed from Ryoma Sengoku, enabling him to transform into Kamen Rider Tyrant. However, the power of the Lockseed would eventually mutate Alfred into the form of the Over Lord Tyrant.

After being informed by one of Shapool's other servants that Shapool is missing, Alfred and the servants go out to look for Shapool. They find Kaito Kumon and, due to his identical appearance to the real "Shapool", mistake him or the real Shapool and attempt to bring him back. Kaito Kumon attempts to fight them off causing Alfred to order them to stun Kaito. After incapacitating Kaito, Alfred and his men bring Kaito to the hotel where Shapool and Alfred stayed. However, Kaito overhears Alfred discussing with his co-conspirators their plan to murder Shapool and escapes after beating up Alfred's bodyguards.

Alfred later meets with Ryoma Sengoku to discuss the purchase of Sengoku Drivers from the Yggdrasill Corporation, which Alfred's boss (Shapool's father) had taken an interest in. Ryoma gives him a Genesis Driver and the Dragon Fruits Energy Lockseed, intending to use Alfred to test out the powers of the Lockseed.

Eventually, Alfred finds the real Shapool and attempts to kidnap him, only for Kaito to show up to save Shapool. Infuriated by Kaito's interference in his plans, Alfred uses the Genesis Driver and Lockseed Ryoma supplied him with to transform into Kamen Rider Tyrant while Kaito transforms into Kamen Rider Baron. Equipping Mango Arms, Kaito outmatches Alfred and gives Shapool time to escape. To make matters worse for Alfred, his Dragon Fruits Energy Lockseed temporarily deactivates and cancels his transformation.

Alfred then attacks Team Baron to take back Shapool and get revenge on them for interfering with his plans. Before Alfred could transform, the Dragon Fruits Energy Lockseed overtakes Alfred with the power of Helheim and transforms him into an Over Lord. With his new Over Lord form, Alfred fights Baron and is destroyed by Baron in Ringo Arm's Rider Kick.

When it was done everyone that hadn't heard about it was shocked and horrified!

Twilight Sparkle: I remember that!

Qin: That was nuts!

Me: Yeah no kidding! Amazing how far people can go for money! Even kill!

Nico: I know!

Me: The Dragonfruit proved to be too much for him though.

Ymir: What is a Dragonfruit?

Laney: This is it.

She formed a dragonfruit in her hand. It was a pink fruit.

Laney: It's a cactus fruit but it's very tasty and good for you.

Ymir: Wow!

Me: Loaded with antioxidents. Lets go help them out.

Me, Hitoshi and Lillian went over to them.

Daffodil Bloom came back to everyone.

Me: Daffodil Bloom is just like Flutterhy.

Qin: No doubt.

Hitoshi: Hitomi it's okay. It's me Hitoshi.

Lillian: Elandra it'll be okay.

Mega Celebi used Psychic on Horsea but she put her clone in front of her

Mega Celebi threw the clone into the lake.

Horsea Clone: At least I'm in the water.

Horsea: HA!

Mega Flygon threw Razor Leaf and one hit Nico and slashed him across the face!

SLASH!

Blood dripped down his face.

Nico: OW! Wow that hurt.

Horsea: Sorry, Nico. Better you than me!

Nico: (Sarcastically) Thanks a lot!

Me: Okay then.

I snapped my fingers and they reverted back. Elandra was a girl with red hair and magenta eyes and blue and purple and magenta wings and had Mega Flygon on her forehead and a cutie mark that had the symbol of Kamen Rider Baron and the Dragonfruit Lockseed and the Dragonfruit on her arm as a cutie mark.

Hitomi was a girl with blue hair and blue eyes and had blue angel wings and had Mega Celebi on her forehead and had the Hibiki Symbol with a mermaid on it on her arm as a cutie mark.

We wrapped them in blankets and brought them over.

Me: Boy that was intense.

They woke up to see Horsea's smiling face.

Elandra: (Groans) Huh? A Horsea?

Hitomi: (Groans) What hit me?

Horsea: You hit my clone!

Nico: But you slashed my face!

Elandra: Oh man sorry! Wait where's my so-called father?

Lillian Hale: He's dead. We killed him.

Me: Yeah it was 2 years ago.

Elandra: Oh man! I'm glad he is dead.

Nico: Yep.

Hitoshi: Hitomi? Are you okay?

HItomi: Hitoshi!

She hugged him.

HItoshi: I'm glad you're safe.

HItomi: Me too.

Gali: Your brother was the very first Kamen Rider team we met and helped out.

Me: Long story there. Also you were both turned into Mega Flygon and Mega Celebi by Dark Gale.

HItomi: Oh man! I was fighting Man and Woman and it was intense.

Elandra: I fought Kaito Kumon searching to kill my father.

Me: Oh man! Man and Woman were originally intended to be our target on Gali's day but fate had other plans.

Nico: Yeah we fought them when we fought Opaline Arcana in 2022.

Me: Long story.

Gali: But we can fight them properly on my upcoming day.

Me: Not for a while though.

Qin: Yeah. On Gali's day we fought Orochi, Hitotsumi and Kamen Rider Kabuki. That was explosive.

Me: It sure was.

Poromon: What are your rider names?

Hitomi: I go as Kamen Rider Sona. I'm a mermaid themed rider.

Me: Whoa!

Hitomi: Yep. I use the songs of mermaids to help fight on land and water.

Me: Cool!

Elandra: I am known as Kamen Rider Tyrantess. I use the powers of the Dragonfruit.

Me: Fruity.

Elandra: Indeed.

Rarity: Lets get you some new clothes darlings.

The Fashion Brigade gave them new magenta and aqua blue clothes. Lillian gave her belt to Elandra. Hitoshi gave her transformation device to her.

Elandra: We look amazing!

Nico: You sure do.

Me: Yep.

Hitomi: We're ready to kick some butt.

Me: Yep.

Nico: We're not done yet.

Qin: Yep.

Lincoln: (Sensed for Aunt Spiker and Aunt Sponge) AHA! There you are, you greedy hog and ugly vulture! I just spotted Aunt Spiker and Aunt Sponge, those two hags are 20 yards away, but they and The Kisenian Soldiers are heading right for us!

Nico: Right, time to clean this mess up.

We then took off to take down Aunt Spiker and Aunt Sponge and drain The Kisenian Soldiers dry of their hatred and drain The Kisenian Flowers dry of their hatred.

We were flying, and we saw Aunt Spiker and Aunt Sponge, and they had Kisenian Blossoms on their bodies and with them were a massive army of Kisenian Soldiers!

Me: WHOA! That Kisenian Blossom's already starting to cause trouble!

We landed and Lincoln grabbed one of The Kisenian Soldiers and he sucked out all of its hatred, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: WHOA! That was intense!

We also did the same as we grabbed the Kisenian Soldiers and sucked out all of their hatred and we too gained extremely massive power boosts! Then, we grabbed The Kisenian Blossoms off of that greedy hog and ugly vulture and we sucked out all their hatred and we gained suck a massive and extremely powerful boost in power and energy, our rainbow, white, golden yellow, and blue energy auras became like raging flames.

Then, Maria blasted Spiker and Sponge hard with a stream of water.

Maria: Get up, maggots.

They were soaking wet, but pissed off.

Spiker: (British Accent) You little runt! You ruined our lives, we will have revenge!

Maria: Oh, shut up! Guys?

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, YOU GREEDY HOG AND UGLY VULTURE!

Francesca Giordano: (Italian Accent) But-a before we begin would-a you like some pizza?

Spiker: Oh I guess we could use some food.

Sponge: (British Accent) Yeah why not.

We got them a table and Francesca was making pizza!

Nico:...are you kidding me?! After everything they did?!

Francesca: Nico! (Winks)

TARANTELLA NAPOLETANA PLAYS

Me and Francesca were making a special pizza.

She and I got to making a special later came out with a good looking pizza. Then we sat it down on their table.

They took a couple of slices and ate them.

SATANIC DEATH CHANT MUSIC PLAYS!

Then their faces turned neon red and steam came out of their ears and then nuclear explosions blasted off in their eyes!

Me: DUCK AND COVER!

We ducked behind riot shields and then Spiker and Sponge SCREAMED IN AGONY AS MASSIVE EXPLOSIVELY POWERFUL JETS OF FIRE EXPLODED OUT OF THEIR MOUTHS AND THEY SCREAMED! THEY DOVE INTO THE LAKE AND IT BOILED LIKE A HOT TUB!

Nico: WHOA! What kind of pizza was that!?

Francesca Giordano: That was my spiciest-a pizza ever. It-a was called-a the Satan's Fury Pizza of Nuclear Doom.

WE GASPED IN SHOCK!

Eli: WHAT'S ON THAT!?

Chloe Henry Trotter: (British Accent) You are no sisters of mine! You hurt my son and you don't deserve to be part of my family.

Horsea hopped over to them.

Horsea: Here let me cool you down!

She fired blasts of ink into their mouths and it tasted HORRIBLE!

They spit out the ink.

Me: BLECH! That will leave a nasty taste in your mouth.

Maria: No one hurts my little brother and gets away with it!

Spiker stabbed Horsea with a knife and she groaned weakly.

Maria: HORSEA!

But it was really a log!

Horsea: HA!

She fired a bubblebeam blast and blasted the knife out.

Horsea: Substitution jutsu! Thank goodness

Me: Praise the log!

Leaf Village in the distance: AMEN!

Me: I know.

Hitoshi: Like old times?

Hitomi: You know it!

Hitoshi and Hitomi: SONG OF THE ECHO BLAST!

They fired waves of energy and music and blasted them both.

Spiker and Sponge came out all mangled up and were a torn up mess.

He roared and transformed!

Rhinox: I'm a Maximal!

He pulled out his guns and blasted them all over!

MACHINE GUN FIRE!

He blasted them both all over.

Me: Also you should know two things. One: Rhinoceroses don't eat people. They are vegetarians and only will attack if provoked. And 2: We don't approve of you using dark magic like that to make a Rhino as well.

Poromon: And 3: Mr .Mind is not going to save you anymore! He's in my stomach!

Poliwag: Even if he wasn't, you tried to sell him out!

Me: But we didn't need any of your info. We already had someone on the inside as well as figuring it out.

Inside a rainbow sphere with intense flames and elemental forces, Maria then underwent an intense and amazing transformation! Maria had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow water waves on her forearms, she also got rainbow lines on her hair. She then had her Cutie Mark change into many rainbow water waves, and her massive angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER! THE RAINBOW WATER OF REDEMPTION!

Lily Valley: Now it's my turn. I am the bringer of flowers and love through the beauty of nature and show love through the rainbow of flowers. My cutie mark comes to life, my kindness brings love as my power!

LILY FLOWERS SWIRLED AROUNED HER!

Lily Valley held up her greatsword into the air, and A MASSIVE AND INTENSE POWERFUL SURGE OF INTENSE AND POWERFUL ENERGY AND MAGIC WAS FELT!

Nico: WHOA!

Me: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, ROT IN HELL FOREVER, YOU PIECES OF TRASH!

Lincoln, Nico, and I did one final powerful energy slash that hit Aunt Spiker and Aunt Sponge hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Aunt Spiker and Aunt Sponge were on their last legs and they were really really mangled.

Finally, Maria threw a final nasty punch right into the jaws of Aunt Spiker and Aunt Sponge and she permanently broke their jaws and they were knocked down and out and Lincoln tied them up in rainbow energy straitjackets and threw them into a portal leading to The Davy Jones Penitentiary, but we know they won't survive. We cheered as we holstered our weapons and powered down.

Maria: And that is that! Good riddance, you greedy hog and ugly vulture!

Nico: Yep, good riddance.

Me: They won't survive a day in there.

Lincoln: I made sure to tell the prisoners what they did, so they won't last a day in there.

Nico: How much are you willing to bet on that J.D.?

Me: Hmm... I got nothing this time.

Lincoln: Good. But they won't last even a day in there.

Me: Good.

Nico: I never had plans for them.

Me: Me neither. Besides they were worth our time.

Boruto: (BELCHES)

He was full and belching out huge jets of fire! He ate the whole pizza.

WE LAUGHED!

Sarada: (LAUGHS) He loves spicy food and gets full easily from it.

Naruto: Yeah he sure does.

Nico: Yep and holy CRAP was that pizza lethal.

Me: Francesca and I came up with it after I made that deadly lethal donut for Chef Pepperjack. I figured if we can make a nuclear deadly donut why not make other kinds of NUCLEAR DEADLY foods we like.

Nico: Nice! Can you make nuclear hot chicken wings like that?

Me: Nico are you asking to get an ulcer?

Nico: Ha ha ha very funny.

Me: I'm being serious.

Nico: No I can handle it.

Me: Okay.

Nico: Nice job Gholdengo.

Gholdengo: Thanks Nico. That was fun.

Poromon: Want some beer?

Gholdengo: Oh no thanks. But you got any goldade?

Me: Oh you want the Fort Knox stuff. Here.

I gave him a bottle of Goldade.

Shaggy: Like can me and Scoob have some?

Me: Sure. I got more than enough to last forever.

I gave them some.

Gholdengo: Ahh! Thank you. (LOUD BELCH)

WE LAUGHED MORE!

Poliwag: Goldade?

Me: A soft drink they make over in Fort Knox, Kentucky. I always get many bottles of it whenever I go there to deposit gold. Shaggy and Scooby like it too.

Shaggy: Like yeah. We drank a lot of it during the Mystery of the Gold Monster.

Sakura Knudson: (LAUGHS) You sure do.

Poliwag: Wow. (Does Puppy eyes to Gholdengo) Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: Okay.

Me: Anyone up for a trip to the mall later?

May: Yes!

Qin: I'm in!

Leni: The mall!? Let me check my schedule for the day! (Grabs Lori's phone) Delete delete delete delete. (Realizes) Oh this is your phone Lori! Sorry!

Lori: Uch! (Gets her phone back)

Me: Leni you sure love the mall.

Ymir: Yep.

Me: We went to Beverly Hills mall yesterday and didn't go shopping there. So I figured why not go to Gotham Royal

York Mall instead.

Sam Simpson: I'm game for that.

We agreed.

Nico: Oh, Shock Rock, what do you like to do in your free time?

Shock Rock: Oh I work at the new solar farm outside of the city. I use my powers to make sure the skies are clear for us to get sunlight for the city.

Me: Cool cool.

Nico: Nice.

Qin: Yep.

2003 Leo: I know you guys will do all you can to help more of the Underground Girls.

Me: I know we will.

Nico: Now for the Anothers

Me: Yep.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Becky.

Becky: Another Me? Sweet.

Lincoln: We'll have to see who it is.

Eli: Whoa, and one of The Anothers is The Avatar of The Sword Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Qin: It sure is. So Shock Rock, Sonya Storm Neos, Tasha Noriyama, Farah Fulmas, Miannda the Thunderbird, Tara Thunderbird and Cassie Evanstein are up and we're battling Universe 666 Mr. Electric, Big Burt the Bashfull, Seiryu, Universe 666 Van Kleiss, Starmon, Derek the Master of Evil and Stinger (Wendy Sherman A.K.A. Stinger).

Me: Nice!

Qin: Cool.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Big Burt the Bashfull, Seiryu, Universe 666 Van Kleiss, Starmon, Derek the Master of Evil and Stinger (Wendy Sherman A.K.A. Stinger)!

Me: WHOA!

Qin: This will be awesome and cool!

Nico: Yep.

Another Big Burt: (In a girls voice) It sure will.

They reverted back and were the gene-slammers of Tethys, Goddess of Light and Victoria!

Nico: (GASP!) Triya Tethys and Veronica Victoria!

Triya Tethys: That's right. Good to see you Nico.

Veronica Victoria: Same here.

Me: The gene-slammers of Tethys, Goddess of Light and Victoria! Cool!

Veronica Victoria: It sure is.

Triya Tethys: Yep.

Me: By the way girls are the rest of the Anothers friendly or Hostile?

Veronica Victoria: Friendly and Becky and Paige you're going to get a shock from who the another Becky is.

Becky: Oh boy.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE OF A SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Maria: Time for Backup! (TURNS DIAL) TYRANNOSHARK TERROR FORCE!

She summoned Dinoshark, Nitrogolem (Heretic), Evil Golden Queen, Motley Bossblob, Nekogal and Liondon!

Me: YEAH!

Nico: And now, we wait.

Me: Yep. Nico you got something on your shirt.

Nico: Where?

Me: Here...

POING!

I flicked Nico on his nose and he landed on his butt and then...

LOUD FART!

Nico: WHOA! Pardon me!

I pulled out a whoopee cushion from under him!

Me: (LAUGHS) Sorry I couldn't resist.

Nico: Ha ha Very funny!

Qin: That was funny though.

Me: Oh look!

We saw Another Universe 666 Mr. Electric and Becky!

Me: There they are.

Nico: Yep.

Another Universe 666 Mr. Electric: (In a girls voice) That was funny.

She reverted back and it was the Avatar of the Sword Card!

Lincoln: Serea Sword! I knew it!

Serea Sword: Good to see you Lincoln.

Lincoln: You too.

Nico: Care to introduce us?

Anna Anyanova: Sure this is Serea Sword, Avatar of The Sword Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of the sword, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Sword Clow Card, and the magic of Clow Reed. She's The Sword Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Serea Sword is a master of the powers of The Sword Clow Card and she's a powerful master of the sword and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Serea Sword came to Royal Woods where she met Lincoln, and she taught him how to master the powers of the sword, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Sword Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of the sword, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Sword Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by slashing off their clothes leaving them in their bras and panties and sent them running to their rooms in embarrassment.

Me: WHOA!

Qin: That is silly!

Luan: We had to hide in our rooms for 3 weeks!

Lana: Geez!

Nico: And your friend?

Another Becky: (LOUD MASSIVE BELCH AND FART)

Me: WHOA! Excuse you!

Another Becky: Sorry had a massive Big Bad Burrito for lunch and I'm farting and belching up a storm.

Becky: (GASP) That voice.

She reverted back and it was a blond hair version of Becky and had yellow wings and was farting and belching.

Becky: (GASP) Kylie!

Paige: Kylie!

They ran and hugged her and then...

LOUD NASTY HORRIBLE FART!

Me: GEEEZ! That is nasty gas. She must be your sister.

Paige: She sure is. She is known to eat 60 cans of beans and 4 giant burritos in one sitting.

Me: Hence why she is farting and belching a lot!

Eddy: (LAUGHS) She farts louder than Lori!

Lori: I DO NOT FART! IT WAS MY SHOE!

All of us: YOU FARTED LORI!

Kaito (gets out Fiveman gear): Did Swartz promise you anything?

Zocks (gets out Japanese Turboranger gear): Because we can grant it instead.

They got weapons from said teams.

Serea Sword: No he didn't.

LOUD FART AND BELCH!

Serea Sword: Because of our gassy friend here.

Kylie: I farted so bad that it made him vomit bad and burned his nose.

Sakura Knudson: That explains why it smelled so horrible in the lab!

Qin: GEEZ!

Serea Sword: Yeah we ran under the cover of a nasty fart.

Me: Nice! Too bad farts can't kill you!

Lana: Like Lori's could.

Lori: It was my shoe!

Sougo (gets out Fiveman Ridewatch): Your gas is stinky

Geiz (gets out Japanese Turboranger Ridewatch): Can the mascots jump on you?

Sougo got FiveRedArmor while Geiz got JapaneseRedTurboArmor

Poromon: We make great gas relievers.

Poliwag: It's true.

Kylie: Sure as long as you are gentle.

Me: Okay but lets separate you girls first.

We did so.

Me: Lets dance.

Nico: (Gets out Universe 666 Mr. Electric's Ridewatch) Feel the lightning!

May: (Gets out Seiryu's ridewatch) ICE DRAGON!

Universe 666 May: (Gets out Universe 666 Van Kleiss's ridewatch) Feel the burn of Nanites!

Me: (Gets out Starmon's ridewatch) (ECHOING) METEOR SHOWER!

Sonya Storm Neo: (Gets out Big Burt the Bashful's ridewatch) Don't get me naked!

We used the powers of Universe 666 Mr. Electric, Big Burt the Bashfull, Seiryu, Universe 666 Van Kleiss, Starmon, Derek the Master of Evil and Stinger (Wendy Sherman A.K.A. Stinger) and blasted the Anothers all over!

Poromon: YEAH!

Then The Martians (Jimmy Neutron), Selene (Fairy Tail), Ovulator, Nasty Canasta 1995, Universe 666 Berg Katse, Mr. White and Man Man came.

Me: WHOA!

Jimmy Neutron: PUKIN PLUTO! THE MARTIANS!

Martian 1: Greetings to you Neutron.

Shanan: WHOA MAN!

Nico: Nice team.

Martian 1: Thank you Nico

Poromon: You know them?

Jimmy Neutron: Long story.

He went over their history.

The Martians are introduced in the Season Three episode King of Mars. They are on top of an Aztec-structured pyramid guarding hydro-quantum energy source on Mars. Originally, they are presumed to be large stone carvings. However, they come to life when Eustace and Jimmy were fighting for the power source. The Martians were tired of Earthlings acting like Mars was theirs. They were sick and tired of earth sending probes and spacecrafts to their planet and slowly trying to conquering it. The Martians decided that the only way to stop them invading was destroying Earth.

Eventually, Jimmy and Eustace realize that the only way to get out of the trap and save their home planet was to stop fighting and work together. They get out of the trap via slicing it with their swords and reconfiguring the IPMS to make it rain. The Martians are allergic to the rain on Mars and gave Jimmy a portion of the power from their hydro-quantum energy source and promised not to destroy Earth.

Me: That brat Eustace! He almost lead us to a War of the Worlds!

Nico: No kidding!

Qin: Yeah!

Nico: But he and you guys are in the Masters of Evil.

Martian 1: Yes and Vypra is keeping an eye on him.

Me: Good. Never cross Vypra.

Lincoln: Good.

Then lightning hit the Anothers.

Me: WHOA!

We then saw LIGHTNING ELEMENTAL!

Me: WHOA! Lightning Elemental!

Nico: Electrifying!

Lightning Elemental: (In a girls voice) It sure is.

Nico: Galatea Lightning! Wow!

She reverted back.

Galatea Lightning: Good to see you again Nico. I got this.

She fired waves of lightning and electrocuted the Anothers and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Galatea Lightning: Thanks. That was fun.

Me: It sure was.

Qin: Yeah.

Me: Do you have any good memories of Nico?

Galatea Lightning: I sure do. When me and Nico were in Venezuela and we watched the Catatumbo Lightning Display.

Me: Cool! That is one of the most electrically charged spots in the world.

Camie: I'll say!

Xenia: It sure is.

Nico: Yep.

They hugged.

Nico: I've missed you.

Galatea Lightning: Me too.

We went back home.

Nico: And years later, J.D. took it down along with Remy Buxaplenty.

Shock Rock: I have a feeling it's not going to be easy.

Lincoln: It's not, MetallicaByakkomon is the Hypothetical Akuma of Baihumon and a master of metal, gears and tigers and more and also he is a GINORMOUS FLOATING FORTRESS and he is equipped with a MASSIVE Arsenal of weapons that are as powerful as all the worlds arsenal of weapons and more combined times 100,000,000,000,000. He is also a Dark Sovereign and a terrifying force of destruction. He is The Dark Sovereign of the West! He also has the power to destroy entire planets! He is one of The Dark Sovereigns of Doom!

Lincoln got out his sketchbook and we saw him: he's a GINORMOUS FLOATING FORTRESS with a tiger head and he is equipped with a MASSIVE Arsenal of weapons that are as powerful as all the worlds arsenal of weapons and more combined times 100,000,000,000,000.

Nature Leaf Storm Fury Fox Outlaw Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We better get going and catch him.

We got a move-on, and then, we spotted our target: the clone of MetallicaByakkomon, and he has the Dark Sword Card with him. Lincoln blasted him and that forced The Dark Sword Card to come out and took on his true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Sword Card and he began sucking out all his powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Sword Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Sword Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Sword Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of MetallicaByakkomon.

We turned to the clone of MetallicaByakkomon who was mad now and he fired weapons at us, but we deflected them all!

Lincoln: Whoa, okay, this is one clone I'm definitely going to enjoy absorbing.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of the clone of MetallicaByakkomon and he began absorbing him and assimilated MetallicaByakkomon's massive arsenal of weapons that are as powerful as all the worlds arsenal of weapons and more combined times 100,000,000,000,000 and power to destroy entire planets, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of MetallicaByakkomon and he also sucked out all the energy remaining in his soul and the clone faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles! We cheered as we holstered our weapons and powered down, and we returned home to The World Tree Estate.

Me: And that is that.

Nico: That was a really intense fight, it was like going against a massive fortress with a massive arsenal of weapons.

Lincoln: That's for sure, we took down another of Alecto's minions and took down yet another Dark Clow Card, and now, I have MetallicaByakkomon's massive arsenal of weapons that are as powerful as all the worlds arsenal of weapons and more combined times 100,000,000,000,000 and power to destroy entire planets.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long white hair, blue eyes, massive white angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, white sleeveless strapless top, white skirt with Gem-Knight Pearl, white bridal gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Pearl, she has a greatsword, and with her are the four girls.

Lincoln: (GASPS) Penelope Pearl, Avatar and Gene-Slammer of Gem-Knight Pearl.

Penelope Pearl: That's right, and I got the girls away from the clone of MetallicaByakkomon and The Dark Sword Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: But, it's no easy task especially when we were dealing with an actual fortress loaded with weapons as powerful as all the world's arsenal of weapons and more, but either way, we took care of another of Alecto's mess. (To Penelope Pearl) And it's so good to see you again, Penelope.

Penelope Pearl: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Penelope Pearl had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Penelope Pearl was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Penelope Pearl: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Penelope Pearl's waist and hugged her, and Penelope Pearl is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Penelope Pearl: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Penelope Pearl, Avatar and Gene-Slammer of Gem-Knight Pearl, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of pearls and crystals. She's known as The Pearl Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Penelope Pearl came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of pearls and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of pearls and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Marilyn Ashcroft, Gene-Slammer of Steelswarm Sting and member of The Steelswarm Subjugation

Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Penelope's parents and her little sister, Paige, in cold blood, and she swore to kill Marilyn Ashcroft and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Penelope.

Lincoln with his massive muscular arms still wrapped around Penelope Pearl's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous

white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Penelope Pearl: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Penelope Pearl with pearls on the gold lightning bolts and pearl links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Penelope Pearl: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Penelope Pearl.

Penelope Pearl had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Penelope Pearl's waist, and he leaned down to her face and kissed her on the lips, and with Penelope Pearl's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Penelope Pearl had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Penelope Pearl: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The four girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the four girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the four girls are Kaoruko Gotou, Matsuri Takanashi, Mitsumi Minase, and Shiho Kurihara from Maid-san Hirotta!

Lincoln: Oh whoa, it's Kaoruko Gotou, Matsuri Takanashi, Mitsumi Minase, and Shiho Kurihara from Maid-san Hirotta!

Nicole: Uh oh, Travis and Red were right to tell the others to hide, they're voluptuous maids.

Lincoln: And easy targets for someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Kaoruko Gotou: Yes, we're okay, thanks to you.

Then, when Kaoruko Gotou and the other three girls saw who it was that saved them from the clone of MetallicaByakkomon and The Dark Sword Card, their faces turned atomic red and their noses gushed out blood upon seeing the 20'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and rainbow flame patterns on top of his Kaoruko Gotou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large

brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Kaoruko Gotou: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kaoruko Gotou, Matsuri Takanashi, Mitsumi Minase, and Shiho Kurihara with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long golden yellow hair with white streaks, blue eyes, massive green angel wings, she has on a green two-piece bikini, and a light greatsword.

Lincoln: (GASPS) Valerie Vitaira, Queen of The Vitairans of Planet Vitaira.

Nico: The only surviving Vitairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Valerie Vitaira, Queen of The Vitairans of Planet Vitaira, she's Lincoln's Guardian Angel from the planet of Vitaira in The Forbidden Zone. She was the Queen of the Vitairans who ruled the planet of Vitaira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over life, vitality, life energy, rebirth, energy, and life nourishment, and the ability to grow even stronger, but she was also born with angel wings, power over life, vitality, life energy, rebirth, energy, life nourishment, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Valerie Vitaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers over life, vitality, life energy, rebirth, life nourishment, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, clouds, the weather, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers over life, vitality, life energy, rebirth, energy, life nourishment, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Vitairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion, and she swore to imprison her inside a tree prison with the powers of Vitaira.

Valerie Vitaira: And I knew Lincoln absorbed the souls of the male Vitairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: That's true, and Lincoln 2 of The Ebonwu Squadron told us, And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Valerie Vitaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Valerie Vitaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Valerie Vitaira with gree gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Valerie Vitaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Valerie Vitaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Vitairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Sword Card of all its powers and absorbed the clone of MetallicaByakkomon after we took him down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Penelope Pearl saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Penelope Pearl: My God, I was right that Lincoln's really grown into a 20'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Penelope, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Penelope Pearl: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Penelope Pearl: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Razor: Oh, we've been working on a little something for our mission later today.

Razor typed something on the computer, and we saw some new missiles come up.

Nico: Whoa, you made some new missiles for when we go after The Kisenian Blossom and The Kisenian Planet. What are they?

T-Bone: These are our specially made Heavenly Light Missiles, we had some help from Lincoln who provided quite the lethal cocktail for these bad boys.

Lincoln: Yep, I know when we get on that planet, we'll be draining Kisenian Blossoms and Kisenian Soldiers like crazy, but for The Kisenian Blossom herself, we're going to do some mega damage to her along with sucking out her hatred. These missiles are going to do the trick: the lethal cocktail Chance mentioned is something I've been working on.

Lincoln got out a bottle and inside it is a neon pink liquid.

Me: Whoa.

Lincoln: This lethal cocktail's called Heaven's Eternal Embrace, a cocktail of potions of love enhanced with the lights of Heaven, everything The Kisenian Blossom can't stand along with those who have eternal hatred in their hearts.

Eli: Wow! I know they say love always wins over hatred, but this is like love on steroids! And I got to ask, do you happen to know someone from Megakat City who taught you how to make missiles and master the powers of The Swat Kats?

That got our interests.

T-Bone: Sorry, Eli, but we're not spilling.

Razor: He's right, you'll just have to be patient until then. And don't think about using The Force to find out the answer.

Suddenly, Eli used The Force.

T-Bone: (Thinking) Oh no, he's using The Force, I hope he doesn't find out about...!

Eli: Wait, you guys have sisters who are also among Lincoln's Guardian Angels?!

CLANG!

AYLENE'S JAW DROPPED TO THE FLOOR!

Lola closed it.

Aylene: No way! Oh man, that's so cool!

Razor: Guess the truth's out.

?: Yep.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blonde hair with blonde cat ears on her head and blonde cat tail, blue eyes, massive fire-colored angel wings, she has The Swat Kats symbol on her right arm, dark blue short-sleeved blouse, red sleeveless top, dark blue skirt with The Swat Kats symbol, black sleeveless gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, cats, phoenixes, and angels on the coattails, and on the back is The Swat Kats symbol, and she has a fire greatsword and another beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long cinnamon hair with cinnamon cat ears on her head and cinnamon cat tail, blue eyes, massive fire-colored angel wings, she has The Swat Kats symbol on her right arm, dark blue short-sleeved blouse, red sleeveless top, dark blue skirt with The Swat Kats symbol, black sleeveless gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, cats, phoenixes, and angels on the coattails, and on the back is The Swat Kats symbol, and she has a fire greatsword.

Lincoln: (GASPS) Carmen Furlong, Adopted Sister of Chance Furlong and Fire Cat Master of Megakat City and Jayden Clawson, Adopted Sister of Jake Clawson and Fire Cat Master of Megakat City.

T-Bone: Our sisters are here, I knew it was time.

Razor: Yep. Thanks to Eli, our sisters have arrived in time.

Me: Whoa, that's awesome. And you know them, Lincoln?

Lincoln: Yep, same with Chance and Jake.

Anna Anyanova: And so do we. The first girl is Carmen Furlong, Adopted Sister of Chance Furlong and Fire Cat Master of Megakat City, she's Lincoln's Guardian Angel from Megakat City and a very powerful master of fire, missiles, gadgets, and explosives, she was born with angel wings, Cosmic Pyrokinesis, fire, flames, missiles, gadgets, explosives, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the skills of The Swat Kats, and she's the adopted sister of Chance Furlong A.K.A. T-Bone of The Swat Kats. Chance found her when she wound up in Megakat City and Jake found Jayden Clawson as well and they took them in and taught them every last skill they knew, and Carmen became a really awesome member of The Swat Kats and she and Jayden have also taken down many of The Swat Kats' most dangerous enemies including Dark Kat and Megakat City's other dangerous criminals and they weren't afraid to put Steele in his place. Carmen Furlong came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Pyrokinesis, fire, flames, missiles, gadgets, explosives, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the skills of The Swat Kats, and over time, Lincoln gained Cosmic Pyrokinesis, fire, flames, missiles, gadgets, explosives, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and all the skills of The Swat Kats, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew along with mastering all forms of martial arts, swordplay, and coming up with strategies. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Dark Kat and the other irredeemable enemies of The Swat Kats with a fiery passion and she swore to burn them to ashes if she saw them again.

Becky Long: And the second girl is Jayden Clawson, Adopted Sister of Jake Clawson and Fire Cat Master of Megakat City, she's Lincoln's Guardian Angel from Megakat City and a very powerful master of fire, missiles, gadgets, and explosives, she was born with angel wings, Cosmic Pyrokinesis, fire, flames, missiles, gadgets, explosives, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the skills of The Swat Kats, and she's the adopted sister of Jake Clawson A.K.A. Razor of The Swat Kats. Jake found her when she wound up in Megakat City and Chance found Carmen Furlong as well and they took them in and taught them every last skill they knew, and Jayden became a really awesome member of The Swat Kats and she and Carmen have also taken down many of The Swat Kats' most dangerous enemies including Dark Kat and Megakat City's other dangerous criminals and they weren't afraid to put Steele in his place. Jayden Clawson came to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Pyrokinesis, fire, flames, missiles, gadgets, explosives, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the skills of The Swat Kats, and over time, Lincoln gained Cosmic Pyrokinesis, fire, flames, missiles, gadgets, explosives, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and all the skills of The Swat Kats, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew along with mastering all forms of martial arts, swordplay, and coming up with strategies. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Dark Kat and the other irredeemable enemies of The Swat Kats with a fiery passion and she swore to burn them to ashes if she saw them again.

Nico: Whoa, Twin Cat Girls of Fire.

Felina Feral: The famed Twin Fire Cat Girls of Megakat City, that's what we call them, and they also helped The Swat Kats in taking down many of Megakat City's criminals.

Lola: Guess this means our ties will grow even stronger when they get married next year.

Razor: You said it. But there was another one who was with us, their brother, Michael Nightshade.

Felina took out the picture of Michael Nightshade, he's a 6'11" tall male brown-furred cat with massive and powerful upper and lower body muscles and ten-pack abs with black hair, black cat ears on his head, black cat tail sticking out of his butt, fair skin, red eyes, and dressed in a black coat, red shirt, black pants, and black knee-high boots and massive black angel wings.

Felina Feral: But unlike his sisters who were born with fire angel wings, Cosmic Pyrokinesis, fire, flames, missiles, gadgets, explosives, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the skills of The Swat Kats, he was born with black angel wings, Cosmic Umbrakinesis, darkness, dark magic, black magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, missiles, gadgets, explosives, all of the skills of The Swat Kats, and dark fire.

Me: Uh oh...!

Apex: Yep, Michael Nightshade was known as The Dark Fire Cat of Megakat City, and unlike Carmen and Jayden who always beat down the bad guys and leave them for The Enforcers, Michael on the other hand would never let them leave here alive, and it always ends with one of Megakat City's minor criminals getting killed many times.

WE GASPED!

Aylene: That explains the sudden sounds of screams I hear every night from Megakat City!

Commander Feral: Exactly, Aylene. Michael always kept to the shadows, but in the presence of evil, especially when night falls, he lets that murderous side of him out.

T-Bone: We always do our job and leave the criminals for The Enforcers, but Michael takes things way too far, he decided that the worst of the worst didn't deserve to breathe ever again, that they deserve only to die.

Razor: And he leaves their bodies out in an alley torn apart and left in a pool of blood.

Nico: Oh crud...!

Lincoln: Which means, we're bound to come into contact with Carmen and Jayden's murderous brother one day, and if he sees most of your enemies who are in The Masters of Evil and even The Masters of Evil themselves, he's gonna try and kill them.

T-Bone: I think he'll have some trouble though.

Apex: Yep, I called in some help from the rest of The Swat Kats to keep Michael busy, and yes, there are other SWAT Kats with us too.

Me: Now, this we got to see.

We got a shower, and then, Lincoln, Mandy (Totally Spies!), Warudamon, Beautymon, and Mienumon are heading to Lake Michigan, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 20'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow

flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Mandy (Totally Spies!), Warudamon, Beautymon, and Mienumon and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Mandy (Totally Spies!), Warudamon, Beautymon, and Mienumon had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all, and with what Lincoln said this morning that he forgave Mandy, Lincoln was definitely far more mature than some who would rather hold a grudge forever.

Warudamon: Wow, we're here in Lake Michigan, it's so beautiful.

Lincoln: You said it, Warudamon, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Mandy (Totally Spies!), Warudamon, Beautymon, and Mienumon and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Mandy (Totally Spies!), Warudamon, Beautymon, and Mienumon and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Mandy (Totally Spies!), Warudamon, Beautymon, and Mienumon and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Mandy (Totally Spies!), Warudamon, Beautymon, and Mienumon and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clone of Corvinacht.

Anna Anyanova: Uh oh, is that...?!

Lincoln: A clone of Corvinacht, the Hypothetical Akuma of Duskmon and he is a battleship and has weapons of darkness and is intensely powerful.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Corvinacht and he began absorbing him and assimilating Corvinacht's intense power and weapons of darkness, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Corvinacht, and Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Mandy (Totally Spies!), Warudamon, Beautymon, and Mienumon and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, and Mandy (Totally Spies!), Warudamon, Beautymon, and Mienumon and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Michigan, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mandy (Totally Spies!), Warudamon, Beautymon, and Mienumon with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, Mandy, Warudamon, Beautymon, and Mienumon are in your harem, Linky.

Mandy (Totally Spies!), Warudamon, Beautymon, and Mienumon showed the marks Lincoln made on the right sides of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Alecto Slytherin sent the clone of Corvinacht, the hypothetical Akuma of Duskmon after us.

Lincoln took out his sketchbook: Corvinacht is a giant black battleship with weapons of darkness and the Darkness Crest on it.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into his chest, and I absorbed him and assimilated Corvinacht's intense power and weapons of darkness. Then, I sucked out every bit of energy from his soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck,

and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders adventure.

Nico: Who's next?

Me: We're going after Slobber Trap and Blubberbeard next. Also Luna, Luke, Diamond Tiara, Silver Spoon, Wash Buckler, Freeze Blade, Punk Shock, Rip Tide, Chill Penguin and Launch Octopus are going.

Nico: Cool!

Luna Loud: Sweet! Rarity is going too because of the Traps of water.

Nico: Yep.

Luke Loud: This is gonna be awesome dudes!

Me: Yep. Made some twists to it this time. We're going to the Water Sensei Realm for this one.

Camie: Cool!

We went into the simulator and it activated and we were in the Water Sensei Realm.

Me: Here we are.

Maria: Always love coming here.

Xenia: Now where are they?

Eli: (Concentrates) Up there!

It was on an arena in the middle of a water area.

Me: Lets go.

We were off.

We landed and out came SLOBBER TRAP AND BLUBBERBEARD!

Nico: Here boy!

Slobber Trap: (BARKS) This dog will hurt!

Blubberbeard: Get them!

His men came.

Me: Lets bring it on!

Wash Buckler: EIGHT LEGS AND NO PEGS!

Freeze Blade: KEEPING IT COOL!

Rip Tide: GO FISH!

Punk Shock: AMP IT UP!

We went at them and blasted them all over the place with water, ice, jewels, lightning and energy.

Nico: Play Dead!

Slobber Trap did so.

POW BIFF WHAM SMASH!

Diamond Tiara and Silver Spoon demonstrated lots of intense martial arts moves and destroyed many of Blubberbeard's men.

They really went at them and pulverized them.

Qin: Get them girls!

Nico: Get into a trap!

Rarity: Like this!

She held up a trap.

A blue vortex appeared!

Slobber Trap :(whimpers) "Is it too late to say I'M SOORRRRRYYY...!?"

He got sucked into the trap and was locked in it.

Slobber Trap: "Hey! What's going on here?! Is this because I tried to bite you? Come on, I thought you were the mailman!"

Me: That is common for a dog to attack the mailman.

SLOBBER TRAP TRAPPED!

Rarity: Better be a good dog from now on for me.

Slobber Trap: Oh, well. Guess it's better to be a good dog than a bad dog.

Me: Yep. Now for Blubberbeard.

We went at him.

Blubberbeard: Funny. I thought you'd be busy with the dog!

Me: We can do both.

Diamond Tiara: Yeah! We're having fun!

They punched and kicked Blubberbeard and his men and smashed him all over.

Luna, Luke, Diamond Tiara, Silver Spoon, Wash Buckler, Freeze Blade, Punk Shock, Rip Tide, Chill Penguin and Launch Octopus: MAELSTROM OF PURITY WATER BLAST!

They fired a massive blast of water and it hit Blubberbeard and he was down!

BLUBBERBEARD DEFEATED!

Rarity: Now you can join me darling!

She held up a water trap and it sucked in Blubberbeard!

Blubberbeard: NO THE CAPTAIN GOES DOWN WITH THE SHIIIIIIIPPP!

He got locked into the trap!

Blubberbeard: No! And what smells like mustard?

BLUBBERBEARD TRAPPED!

Rarity: And as Princess of the Water Skylanders you have to be good for me darling.

Blubberbeard: I might as well be good instead of bad.

Me: Wise decision.

We cheered wildly!

Nico: (to Slobber Trap) Who's a good dog? You are!

WE LAUGHED!

Me: Yes he is!

We left the Simulator.

We were at the mall.

Sailor Moon: Here we are at the mall!

Sailor Earth: It's always fun!

Me: It sure is.

We got to shopping and did all kinds of fun things. We got games, toys, comics, clothes and more from many stores and more.

Me: So many fun things.

Sailor Moon: You said it!

Sailor Mars: Especially because you're a meatball brained idiot!

Sailor Moon roared in rage and grabbed Sailor Mars and throttled her!

Eli: Okay you two!

He grabbed them.

Eli: Excuse me you two but I must discipline the nannygoats!

KRABLANG!

He bashed their heads together.

Me: You two act like a couple of fucking two year olds. I remember Sakura and Ino fighting like that and I did the same thing.

Becky was getting lots of new dresses.

Becky: I'm getting those clothes!

May: Me too!

Universe 666 May: I could use new clothes myself.

Me: Okay.

Qin: Lets get new clothes for Mandy too.

Sam Simpson: I agree there.

Shrapnel: Primus only knows she needs them

Me: She was in a prison jumpsuit for a while.

Xenia: Yeah.

Shrapnel: You're right.

We got lots of new clothes for her.

We had a lot of fun shopping.

Me: That's all the shopping.

Nico: Yep.

Then our stomaches growled.

Me: Whoa getting hungry.

G1 Bumblebee: Plenty of restaurants here?

Me: Yep.

We went to the food court and got lots of awesome food. We got pizza, burritos and burgers and more.

Me: (Eating pizza) MMM!

Nico: (Eating burritos and chicken wings) MMM! Delicious.

Bakugo: Anyone see Tsuyu?

Me: She has to be here.

Nico: Odd.

Eli: Wait I see something.

We saw a Mega Gardevoir and she had an unconscious Tsuyu in her hands!

Me: WHOA A Mega Gardevoir! And she has Tsuyu!

I went over.

Me: What happened.

Mega Gardevoir: (Telepathically) (In a girls voice) She was drained of energy by a pink flower.

Me: Oh man.

I saw a NEON PINK FLOWER IN A POT!

Me: (GASP) OH FUCK ME SIDEWAYS!

It got up and formed into a Flying Kisenian Soldier!

Me: A flying Kisenian Soldier!

I flew at it and clashed with it!

I grabbed the soldier and sucked out all its hatred and it made me stronger than ever!

Me: WHOA! YEAH!

Nico and everyone went over to Tsuyu.

Nico: Oh man!

Tsuyu groaned.

Tsuyu: (Extremely Weak) That flower

Bakugo: Take it easy.

Me: Here.

I gave her a Senzu Bean. She ate it and was back to normal.

Tsuyu: Ahh thanks!

Me: You're welcome.

Mega Gardevoir: Thank goodness for that.

Nick Russell: (GASP) Zaylie!? Is that you?

Mega Gardevoir: It sure is Nick.

Me: Wait you know her Nick?

Nick Russell: Yep. She is my sister Zaylie Russell.

Leni: (GASP) O.M. GOSH! The famous swimsuit model!? That is so totes amazing!

She held up a magazine and it showed a purple hair girl in a skimpy black bikini on the cover.

Me: (CATCALL) What a fox!

Poliwag: This is usually the part where you attack one of us, But not Horsea. Please?

Mega Gardevoir: Sorry I wanted to help you guys with Tsuyu.

Nico: We appreciate that.

Mega Gardevoir: Anyway lets dance.

She fired a Psybeam Blast at Horsea and she had a clone put in front of her and it hit the clone.

Me: WHOA!

Horsea: HA!

Me: Okay then.

I snapped my fingers and she reverted back and was a girl with purple hair and purple eyes and had purple angel wings and had the symbol of Mystic Force with the symbols of Mystic Force on her leg and had Mega Gardevoir on her forehead.

We wrapped her in a blanket and brought her over to the table.

Me: There.

She woke up and saw Horsea's smiling face.

Zaylie Russell: (Groans) A Horsea?

Horsea: You hit my clone!

Zaylie: Wait I remember helping you guys out.

Me: You did. You were turned into a Mega Gardevoir by Dark Gale.

Zaylie: Oh man but I was fighting 2 Gothic Girl monsters.

Eli: That was Nai and Mea!

Me: They are 2 Japanese Monsters.

Eli: And they were the minions of the Japanese version of Octomus.

Zaylie: Oh man! I didn't know that.

Nico: We just killed him recently.

Me: Yeah the first time we killed him I fired a Kamehameha Wave down his ugly throat. He was the ugliest monster of them all.

Xenia: Yeah but there are uglier ones.

Zaylie: You're right.

Me: We destroyed Octomus in the land of Mordor in the world of Lord of The Rings.

Zaylie: Oh wow! That is amazing!

Me: It sure is.

Poromon: What is your ranger form?

Zaylie: I am the Black Mystic Force Ranger for the power of the Stars.

Me: WHOA! Just like me as the Stellar Knight. That is cool!

Zaylie: It sure is.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her a new skimpy black bikini.

Zaylie Russell: Now that's more like it. I look amazing.

Nick gave her morpher back to her.

Me: Awesome!

I grabbed the flower from the deceased soldier and put it in a dish.

Ken Ichijouji: I think we've seen this kind of flower before.

Stingmon: The Kisenian Blossom.

Me: Yep. Just like Lincoln's premonition said.

Nico: It's true.

Me: Lets head back to the Estate.

We did so after finishing up our meal.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our big showdown with Otes starts, soI still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

I turned on the space scanner.

Sure enough I found the planet of the Kisenian Blossom coming.

Me: There it is.

Nico: Okay. I think we need to explain about the Kisenian Blossom.

Me: And I have a REALLY NASTY history with this monster.

The Kisenian Blossom (花妖魔キセニアン, Hana Yōma Kisenian) is the main antagonist of the Sailor Moon R movie. It is a parasitic flower from outer space.

She is a parasitical flower that leeches onto a host and then deceives them into doing her bidding. She will then continue to feed off the planet she is on, spreading her dark energy in the process until the planet eventually is destroyed. She then waits for the next host to find her and repeats the cycle. Luna states that she is the most destructive life form in the universe, having destroyed countless inhabited worlds in the Milky Way Galaxy alone, and that it is ancient and infamous, having caused unspeakable destruction by the time of the Silver Millennium.

Fiore found her on the remains of a comet floating through space. Her seeds can turn into Flower Youma with a flying fairy-like form, a snake-like one or a humanoid form. Her base of operations is on an plant-shaped asteroid that turns into a field full of Flower Youma which initially look like ordinary flowers.

The Kisenian Flower died when Fiore realized how Serena had helped Endymion and given him the red rose that he gave Fiore, which ultimately restored the goodness in Fiore's heart and disintegrated the Kisenian Flower.

When I was done explaining what she was everyone was shocked!

Ymir: She's that dangerous!? Oh man!

Camie: That is horrible!

Me: Yeah. Also 11 years ago I encountered the Kisenian Blossom and vowed to kill her for all the pain and suffering she caused to countless lives all over the universe.

Shanan: She comes from the planet Kisenia XII in the distant galaxy of IC 1101 and she is like a leech. A parasitic leech that sucks life out of planets and stars and destroys them and fills them with hatred.

Me: Her hatred is so powerful that it makes it feel like Kurata's meltdown times 100,000,000.

Nico: She's that dangerous

Me: I vowed terrible vengeance on her and vowed to destroy her and avenge all the lives she destroyed because of her hatred.

Ymir: That's terrible!

Fiore: And I was her recent pawn. I would have died because of her.

Nico: Yep.

Me: Here's how everyone first met her.

I went over what happened in chapter 913 of Loud House Revamped.

When it was done everyone was shocked and horrified!

Ymir: WHOA MAN! That is awful!

Camie: YEAH!

Tsuyu: That is horrible! Ribbit!

Lola: It was! We had no idea J.D. had a horrible history with the Kisenian Blossom back then.

Me: Yep.

Becky: And we're facing it on my day? Scary!

Nico: Well, you both ARE plant themed

Becky: Yeah.

Nico: Lincoln warned us that the planet of the Kisenian Blossom is in orbit around Earth.

Me: Then we got to face her with everything we got.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Kisenian Blossom, and she's already planning to plant the seeds of hatred and destroy the Earth from her hideout on an unknown island located in French Polynesia that appeared out of nowhere. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud, we better get a move on!

Eli: That parasitic leech's on the loose!

Lincoln: That she is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's The Kisenian Blossom, and she's already planning to plant the seeds of hatred and destroy the Earth from her hideout on an unknown island located in French Polynesia that appeared out of nowhere.

EVERYONE GASPED!

Becky: That parasitic leech, so she's finally made her move.

Me: Yep, it's time. This is where I finally end that parasitic hate-filled leech once and for all!

Nico: And since we now know where she's at, now all that's left is to put an end to her. Alright, guys, it's time to go, this is where we put a permanent end to The Kisenian Blossom once and for all.

Lincoln: Her hatred has destroyed countless planets and stars, now this is where we avenge all those lives that she destroyed.

Qin: Just like Lincoln predicted.

Me: Scans show we're going to battle her on an unknown island located in French Polynesia. It's an island that appeared out of nowhere.

Nico: Weird. Lets get moving then.

Then a flash of light came and out came Professor Paradox!

Me: Professor Paradox.

Professor Paradox: Good to see you James. I have something for you from the Gozyugers of 2025.

He gave me a Sentai Ring. It had the number 50 on it and had the masks of the rangers from over the course of 50 years.

Me: Whoa a 50th Sentai Ring!

Professor Paradox: Indeed. Gift courtesy of Hoeru Tono.

Me: Cool! I'll have to see what it does later on.

I put it on and I felt that I had all the powers of 50 years worth of rangers in me!

The previous group came.

Boomerang: (Australian Accent) Can me, Carly Atlas, Mercurymon, Wiggum, Multiple Man, Knightbrace, Multiplex, Mortal Kombat Scorpion, Ice Demon, and Brain Freezer go with you mates?

Nico: Yes you all can come with us.

Eli: We need all the help we can get.

Me: The planet is in grave danger. The Kisenian Blossom is back.

Mercurymon: That parasitic flower you hated with a merciless vengeance!? Oh man!

Me: Yep that's it.

Wiggum: Oh man this is not good!

Nico: Yeah.

Junk Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Fire Elemental from Magic The Gathering next.

Me: Nice!

Qin: Hot and fiery.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Molag Bal, The Daedric Prince of Domination from The Elder Scrolls, and he's come back for revenge on us again. When we saw it, we knew it meant trouble.

Lincoln: Oh God, speaking of parasitic leeches, we got big trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Molag Bal, The Daedric Prince of Domination from The Elder Scrolls, and he's come back for revenge on us again.

Selen Al-Kuupar Cooper: I hope you're ready to absorb him again, Lincoln.

Lincoln: You bet I am, Selen.

Nico: I hope this also sends a warning to the other villainous Daedric Princes. Alright, team, let's go, the fate of the Earth is about to be decided here and now.

Lincoln: The hatred of The Kisenian Blossom shall forever be destroyed along with her planet, and once we're done with her, you're next, Molag Bal, The Daedric Prince of Domination.

Selen Al-Kuupar Cooper: You made a mistake returning, Daedric Prince of Domination, and it's one you're going to regret.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to destroy The Kisenian Blossom and put an end to her hatred once and for all along with her planet, and once we get done with her, Lincoln and Selen Al-Kuupar Cooper are going to destroy Molag Bal, The Daedric Prince of Domination and send him to The Black Abyss after Lincoln absorbs him.

We were off to French Polynesia

We arrived at the island.

Me: We're here.

We landed on it.

Me: Wow!

We saw that it was a volcanic island. It was full of plants, animals and had erupting volcanoes.

Me: Boy this island gives me the creeps

Qin: No kiding.

Carly Atlas: Let's call Rich Texan

Me: Good idea.

Rich Texan came.

Rich Texan: YEEHAW! Ready for some fun!

Laney: Yeah!

Ember McLain: We can take her out with a Rose Blade

Me: That works. Also we're going to hit her with everything we got.

Camie: Yep.

Nico: We're ready for anything.

Wiggum: Okay. Have any of you guys been on this island before?

Me: No this island is completely new. It just appeared out of nowhere.

Lily: But looking at how this island looks it reminds me of Monster Island near Bikini Bottom.

Nico: Really?

Lily: Yeah that was a crazy island. Mr. Krabs had me do a delivery there.

Nico: Oh man!

SpongeBob: Me and Plankton can tell you all about it.

Plankton: (Shudders) Oh man! It gives me nightmares thinking about it.

Lily: Yeah it was crazy.

They went over what happened.

Patrick enters the Krusty Krab, but is unable to remember what he was going to order. Plankton is shown hiding on Patrick's back, sneaking into the kitchen in disguise. He finds a Krabby Patty left in the open while SpongeBob is preparing the ingredients. Plankton tries to take the Krabby Patty, but SpongeBob catches the patty sneaking away. SpongeBob wraps up the patty and puts it in his delivery bag, unaware that Plankton is inside as well. SpongeBob takes various modes of transportation for his delivery, and after 80 minutes, SpongeBob makes it to his destination, revealed to be right next to the Krusty Krab. Just as he makes the delivery, a wind blows SpongeBob away and he ends up on Monster Island.

SpongeBob catches the patty sneaking away again and soon realizes that Plankton was inside his delivery bag. SpongeBob, realizing that he and Plankton are stuck on the island together, figures that they should make the patty last by sharing it in order to survive on the island. SpongeBob offers Plankton the first bite of the Krabby Patty, but a monster eats it, and Plankton, before SpongeBob fights off the monster to get him out. The monster chases SpongeBob and Plankton until it gets tangled up between two trees.

Plankton makes a shelter for him and SpongeBob, but it is too small for both of them. They find what they think is shelter, but it is actually the inside of another monster. They then try to find food on the island, first finding a banana, but it is revealed to be the baby of a banana monster. SpongeBob and Plankton encounter another monster while finding a rock, successfully fending it off with a coconut that ends up in the monster's mouth.

SpongeBob and Plankton open The Coco-Hut restaurant and sell coconut patties to the monsters, which they enjoy. After a while, Plankton gets a plan for him and SpongeBob to leave the island, but they are surrounded by the monsters, who still want SpongeBob and Plankton to serve them at the restaurant. SpongeBob and Plankton distract the monsters by using part of the restaurant as a raft to ride away from the island, but the island is revealed to part of a sea turtle monster, and it catches up to SpongeBob and Plankton. They manage to get a jump boost off of Bubble Bass, who was relaxing at Goo Lagoon.

SpongeBob and Plankton manage to land in the Krusty Krab, and it turns out that they were stuck on the island for six years. Everyone runs out of the restaurant, thinking that an earthquake has occurred, but the sea turtle monster makes it back to the Krusty Krab and eats it. Patrick, seeing the island raft, decides that he wants a coconut patty, while SpongeBob discovers that Plankton is gone. Plankton is shown inside the sea turtle monster, enjoying the Krabby Patty, but the monster's stomach acid catches up to the restaurant, and Plankton ends up inside it.

When it was done we were shocked!

Plankton: I can still feel the stomach acid burns!

Lily: That was crazy!

Camille: That must've been terrifying for you two.

Lily: It was!

Qin: No kidding!

Plankton: Yeah!

Multiplex: It's a miracle you both survived!

SpongeBob: I know. What a nightmare.

Qin: Yeah.

Plankton: That was awful for us.

Camie: Yeah.

Eret: But honestly, none of us have heard of this island before. Not even Eli.

Eli: It's totally new to me too. But I'm sensing that this island is alive.

Me: Alive like how?

Eli: Like it's on something.

?: (BOOMING VOICE) That's because it's on my shell!

Me: Huh?! Who said that!?

Ice Demon: If I didn't know any better, I'd say that this whole place is a trap.

Then the island rose and we saw that the island was on the back of a HUGE GINORMOUS SEA TURTLE!

Me: WHOA! This whole island is on the back of a HUGE Turtle!

Xenia: WHOA!

The turtle's head looked up at us.

Turtle: It's great to see you all here and you too Lincolnovich

Me: Wait Becky!?

Lincoln: Oh man! You're Becky's Akuma, Terrorkaiju Island Turtle! The Hypothetical Akuma of Becky and she is a HUGE Island turtle that is of kaiju proportions. She is a giant sea turtle with a massive and huge island on her back and it's full of anmals and creatures. Including natural death traps. She has lava, lightning and ice powers and can destroy entire neighborhoods. She was made because of Lori's crimes against her brother and vowed to destroy her.

He showed a sketch of her and she was a HUGE SEA TURTLE With the very island we saw on her back!

Me: WHOA! You are HUGE Turtle! You look awesome!

Terrorkaiju Island Turtle: I sure do.

Hex Girls Luna: Reminds me of Ebonwumon.

Ebonwumon: (Irish Accent) It sure does except Becky's akuma is a sea turtle lass. I'm a land turtle.

Terrorkaiju Island Turtle: I do look amazing like that. Also just imagine if there was a sky turtle like me.

Camie: That would be awesome!

Me: But Becky you don't have to kill Lori anymore. It was Dark Chase Young that made her that way.

Terrorkaiju Island Turtle: That monster that haunted the universe for a long time!? I heard about how Lincoln fulfilled the Prophecy and I'm proud of him.

Lincoln: Thanks.

Camie: Why did she call Lincoln, Lincolnovich?

Lincoln: That was a Russian Name that I made up to get into Lori's sophisticated party.

Lana: BOOORING!

Brain Freezer: Becky? Is that you?

Me: I think we already know it's her.

Brain Freezer: Sorry it's a force of habit.

Me: Yeah.

Terrorkaiju Island Turtle: But it's still me.

Rainbow Dash: I think you look awesome as a turtle like this. Tank would get along great with you.

Terrorkaiju Island Turtle: I agree there. And I can see your friend likes sunbathing.

We saw Zaylie sunbathing on the beach.

Zaylie Russell: This is an amazing place.

Me: It sure is.

Rich Texan: You need to calm down!

Terrorkaiju Island Turtle: Well okay but only if you beat me.

There was a rumble and then the volcano erupted and meteors flew out.

We dodged them!

Me: HEADS UP!

We dodged the meteors.

I fired waves of wind and blasted her all over.

Rich Texan fired his guns. But they didn't make her flinch.

Me: Becky I am not going to turn you into turtle soup.

Terrorkaiju Island Turtle: I appreciate that. My turn!

She fired lava balls and one hit Nico's butt!

Nico: (SCREAMS) MY BUTT IS ON FIRE! MY BUTT IS ON FIRE! MY BUTT IS ON FIRE! MY BUTT IS ON FIRE!

Rich Texan: Gotta be something to hurt her!

Poliwag blasted Nico's butt with water and put it out.

Nico: Ahhh!

Terrorkaiju Island Turtle: I surrender.

Me: Good.

Nico: That works.

Takinom: (flies into the air) I just had a thought. If we just beat you, what happens to the island we're standing on?

M4: It would sink into the sea with her.

Terrorkaiju Island Turtle: That's right. I usually like to keep the island on my shell exposed as I swim.

Nico: Cool.

She then got into the water and went to swimming.

We were moving.

Terrorkaiju Island Turtle: I like to see the world and explore. Sometimes I bring people for a vacation.

Mortal Kombat Scorpion: You're a busy Akuma

Terrorkaiju Island Turtle: I sure am.

Qin: Uh guys what's that?

We looked up in the sky and saw a bunch of objects coming.

Me: Uh oh! Kisenian Soldiers incoming!

I fired waves of energy and blasted them all over!

WE RECEIVED AN INTENSELY MASSIVE AND POWERFUL INCREASE IN POWER FROM THEM!

Octopunch: Get ready!

Then out came a human size flower!

Me: That's it!

Nico: Entrance time!

We heard the malevolent laughter of The Kisenian Blossom.

Me: There's that hate-filled parasitic flower.

Nico: Still just as evil as ever.

Lincoln: Time for me to deploy my secret weapon.

Lincoln fired vines with buds on them from his hands, and they began latching onto the first batch of The Kisenian Blossoms and Kisenian Soldiers, and he began sucking them dry of all their hatred and energy as red energy began flowing from them through the vines and into the buds and into Lincoln, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, we saw the buds open and they bloomed into roses that flew off the vines and they turn into red-haired women dressed in red armor and wielding weapons, and Lincoln was still sucking the first batch of Kisenian Blossoms and Kisenian Soldiers dry of hatred and energy, and when he was done and the vines went back into him, the first batch of Kisenian Blossoms were completely drained dry along with the Kisenian Soldiers who got hacked to pieces by the warrior women.

Shanan: No way, I recognize those soldiers, those are The Amorsian Soldiers of The Amorsian Roses, who come from the planet Amorsian XIII in The Andromeda Galaxy, they are the complete opposite of The Kisenian Blossom, because Amorsian Roses plant the seeds of love and spread it all over the universe, and they made it their goal to destroy that parasitic flower of hatred.

WE GASPED!

Me: Wow! That is so awesome!

Lincoln: That's right, and I made a promise to Amorsian, The Queen of The Amorsian Roses that I would make absolutely sure that leech was destroyed forever.

Shanan: I had no idea about that, but you've got to explain that to us one day.

Me: Yeah. Right now, let's take care of that leech.

Me: Long time no punch Kisenian!

Kisenian Blossom: Well hello J.D. (EYES GLOW RED)

Me: This'll be the last time we fight! (EYES GLOW RED) You will pay for all your crimes all over the universe!

Lincoln: Along with all those planets and stars you sucked dry and destroyed when you filled them with your hatred. We're avenging all those lives lost because of you.

Knightbrace: Especially for going after Tsuyu!

Kisenian: Your little friend was just an appetizer. Soon my planet will rain down my blossoms and suck this entire planet dry and be full of my hatred like I did to countless planets!

Me: You will do no such thing Kisenian! I vowed that I would make sure you pay for your crimes 11 years ago and that is exactly what I'm going to do! Your hatred has destroyed countless lives and I'm not going to let Earth be destroyed too!

Nico: No matter what you do Kisenian, your hatred only makes us stronger and more powerful!

Hood Sickle: Have some of this!

He fired waves of blades of energy and slashed her.

I fired waves of lightning and blasted her all over.

They fired massive blasts of fire, water, lightning, wind, earth, stars, ice, sunlight, moonlight and lava and the blasts converged and formed a deadly blast of energy and then it hit Kisenian and exploded with incredible and intense force!

EXTREMELY AND INCREDIBLY MASSIVE FIERY EXPLOSION OF INTENSE AND MASSIVE NUCLEAR POWER!

When the smoke cleared, Kisenian was badly wounded and hurt!

Nico: HOLY SHIT! WHAT POWER!

Nico: Take that!

Me: YEAH! If Octomus was still around, he would be screwed.

Nico: He sure would be! Too late for that now.

Zaylie was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Elandra and Hitomi.

Elandra: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Mega Celebi, Mega Gardevoir and Mega Flygon and transformed and they blasted Kisenian all over the place!

Poromon pecked her.

POINK POINK POINK POINK POINK POINK!

Me: I've had enough!

I teleported and grabbed Kisenian from behind!

Kisenian: WHAT!? NO! HOW!?

Me: You may be a plant but I have a heart! Nico I'm going to absorb the full extent of her hatred into me in a massive kamikaze attempt.

THEY GASPED!

Qin: HE WOULDN'T!

Nico: OH MAN! YOU WOULDN'T WOULD YOU!?

Goku: Something I would have done!

Kisenian: NO! YOU CAN'T! ARE YOU CRAZY!? LET GO!

Me: SOMETIME'S CRAZY WORKS! KISENIAN I WON'T LET YOU KILL ANYMORE!

Then I flared up my power and energy poured in and then it released all that energy at once and then...

SUPER EXTREMELY MASSIVE AND UNBELIEVABLY ULTIMATE POWERFUL EXPLOSION OF INTENSELY STRONG AND DEVASTATINGLY EPIC PROPORTIONS!

THE EXPLOSION WAS SO MASSIVE AND SO POWERFUL AND SO DEVASTATING THAT IT SHOOK THE VERY FOUNDATION OF THE ENTIRE PLANET AND THE UNIVERSE TO THE CORE!

WHEN THE SMOKE CLEARED THERE WAS A MASSIVE AND INTENSE CRATER IN THE AREA! It filled up with water and the Kisenian Blossom was burned beyond all recognition. But then I emerged and my power was stronger than ever before! IT WAS INTENSE!

Me: WHOA!

Nico: HOLY SHIT! HE DID IT! HE WEAKENED HER BIG TIME!

Poromon: You said Kamikaze. But you're still here?!

Me: It'll take more than a Kamikaze attempt like that to kill me though.

Nico: Yep.

Poromon: WOW!

Kisenian: (Laughs malevolently)

Nico: What's so funny!?

Kisenian Blossom: You think you've won? I have detached the core of my planet to self destruct. In less than an hour, it will enter the Earth's atmosphere head to you and crush you all and I will destroy this entire planet and take you all with it!

Me: (In my head) Excellent! She did what I anticipated her to do!

Nico: YOU'RE INSANE!

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Kisenian and we all found ourselves not only in Heaven, but also, in space.

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of Molag Bal and he also sucked out all the energy remaining in his soul and he was sent to The Black Abyss and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Selen Al-Kuupar Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Selen Al-Kuupar Cooper: It's over for you, Molag Bal, and to this we say good riddance. Thanks for helping me get rid of Molag Bal, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Selen.

Me and Nico: Our pleasure, Selen.

Suddenly, Selen Al-Kuupar Cooper wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selen Al-Kuupar Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Selen Al-Kuupar Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Selen, you transformed and you guys really let Molag Bal have it.

Me: That's for sure, and he got what he deserved. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Phantom Quartz.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Phantom Quartz.

Catherine Diamantis: There's only one person who matches this: Paige Phantom Quartz, Avatar and Gene-Slammer of Gem-Knight Phantom Quartz, and you guys are going to love meeting her, Paige Phantom Quartz, Avatar and Gene-Slammer of Gem-Knight Phantom Quartz, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Phantom Quartz gems and crystals. She's known as The Phantom Quartz Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Paige Phantom Quartz came to Royal Woods where she met Lincoln, and she taught him how to master the powers of

Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Phantom Quartz gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Phantom Quartz gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Paige's parents and her little sister, Phoebe, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: Oh man...! So, you weren't the only one who lost your parents and little sister to Zarya Kendrick.

Lincoln: Yep, Paige lost her parents, and her sister, Penelope, when Zarya Kendrick killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She doesn't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Metal Sonic: No trace of Kisenian Blossom detected.

Fireor: She's gone for good.

Top: Thank goodness.

Me: At last. It's over.

Copperhead: And the Earth is saved!

Vulkanus: But we know what's next tomorrow.

Me: Yep. Hitch, Shanan and Deborah's big day mission and the last of the missions for the year.

Qin: Yep.

Me: That was epic!

Nico: It sure was.

Me: At long last. I avenged l those Kisenian has destroyed with her hatred.

Xenia: Yeah you sure did.

Camie: Thank goodness.

Me: Yep.

Nico: Great job today everyone!

Sailor Moon: (To the viewers) This was an epic adventure! Man talk about powerful.

Me: It sure was Serena.

Terrorkaiju Island Turtle: Lets all go home.

Me: Good idea. I'm pooped.

We went back home.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we finally got rid of The Kisenian Blossom and destroyed her and entire planet.

Anna Anyanova: After eons of terror by sucking planets and stars dry of energy and destroying them and filling them with her hatred, that blossom of hatred finally got what she deserved.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)

(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Sword Card, but tomorrow, I got the feeling we're going to take on the dark version of The Flower Card, but she appeared during The Sports Festival at Sakura's old school at Readington Elementary and it was also where she met Madison's mom, Mrs. Taylor, and where she found out about her past with Mom and Dad.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on.

* * *

Meanwhile with Dan Kouzo and friends, they were getting ready for our arrival.

Dan Kouzo: I'm excited for this!

Dragonoid: Me too Dan!

Shun (BP): Same here!

Dan Kouzo: LETS GO!

The glowed and released their Bakugan and went at the screen and it froze!

TO BE CONTINUED!

LIFE VS CHAOS OF XENOMORPHS

BUCKLE YOUR SEATBELTS EVERYONE!

THIS IS THE FINAL BIG MISSION OF THE YEAR!

This is for Bakugan Battle Planet

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, but then, he sensed something as he woke up. But, as he did, he got up and looked around his room, and then, he saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long pink hair, blue eyes, massive pink angel wings, she has on a pink two-piece bikini, and a light greatsword.

Lincoln: (Gasps) Faith Fertilitaira, Queen of The Fertilitairans of Planet Fertilitaira.

Faith Fertilitaira: Good to see you again, Lincoln.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) The last of The Fertilitairans? Oh man.

Lincoln's Third Eye fired a pink energy beam that showed a pink planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful female warrior angels who were not only natural born and very strong and powerful fighters born with the voluptuous bodies of all the female goddesses of history and myth with the beautiful looks that could make any man go wild, but had powers over love, beauty, excessive superhuman strength, excessive superhuman speed, excessive superhuman durability, excessive superhuman endurance, immortality, invincibility, excessive fertility, and excessively massive sex drive, and they were also given incredible divine powers by the deities they've worshipped and fought against numerous ancient monsters and demons, and they're among the most advanced civilization in The Forbidden Zone.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Fertilitaira, a pink planet in The Forbidden Zone that was inhabited by powerful female warrior angels called The Fertilitairans who were not only natural born fighters, but also very strong and powerful fighters who were born with the voluptuous bodies of all the female goddesses of history and myth with the beautiful looks that could make any man go wild, and they had excessive superhuman strength, excessive superhuman speed, excessive superhuman durability, excessive superhuman endurance, immortality, invincibility, excessive fertility, and excessively massive sex drive, and they were also given incredible divine powers by the deities they've worshipped and fought against numerous ancient monsters and demons, and they're among the most advanced civilization in The Forbidden Zone. But, when news of The Infernairans' imminent invasion came to them eons ago, they performed a ritual that merged all The Fertilitairans' lives and bodies with their Queen who gained all their powers and abilities and absorbed their planet's core and planet itself into her along with their Sun and was sent to Earth.

Faith Fertilitaira: That's correct. Plus, I also found out of what you did yesterday.

Lincoln: Yeah, I absorbed the souls of Vitaira's male Vitairans, the planet and its core itself, and its Sun into my body, and I felt even more incredible than ever, and I also have even more infinite energy and vitality.

Faith Fertilitaira And that also really increased your already infinite virility levels and infinite sex drive back when you absorbed the souls of the male Virilitairans, Virilitaira and its core, and its Sun into your body.

Then, she placed her hands on his chest and began rubbing Lincoln's massive hairy pecs along with feeling every strong muscle in his body.

Faith Fertilitaira: (Smirks) You're still infinite times the man than the perverts and assholes lurking out in the city and the same true gentleman I met long ago, but wow, you've really grown.

Suddenly, with a smirk, Lincoln pinned Faith Fertilitaira to the floor.

Faith Fertilitaira: (Surprised) Oh my...! (Thinking) And he's even stronger than ever?! Wow...!

Then, Lincoln wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Faith Fertilitaira with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he laid down on his bed with her on top of him and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Faith Fertilitaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a

20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Faith Fertilitaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. (Suddenly felt even more aroused) And you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-

times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Seductive Voice)(Smirks) Well then, I hope you're ready. (Seductive Wolf Growl)

Faith Fertilitaira: (Thinking) And he still knows how to growl seductively?! My God, you're even more handsome massive hulking hunk of a wolf.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Then, Lincoln brought her to his lips and they kissed intensely and went about having a special night of lovemaking, but that didn't go unnoticed by the rest of his harem who got some explaining to do tomorrow.

Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and we saw Faith Fertilitaira, and when he was done, we were stunned.

Nico: Oh man, no wonder you didn't find her planet, her people performed a ritual that merged all of The Fertilitairans' lives and bodies with Faith and she gained all of their immense power over beauty, love, excessive, superhuman strength, excessive superhuman speed, excessive superhuman durability, excessive superhuman endurance, immortality, invincibility, excessive fertility, and excessively massive sex drive and absorbed their planet's core and planet itself into her along with their Sun.

Me: Wow, and Lincoln, you know her?

Lincoln: I do, J.D.

Anna Anyanova: And so do we, this is Faith Fertilitaira, Queen of The Fertilitairans of Planet Fertilitaira, she's Lincoln's Guardian Angel from the planet of Fertilitaira in The Forbidden Zone. She was The Queen of The Fertilitairans who ruled the planet of Fertilitaira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over beauty, love, excessive, superhuman strength, excessive superhuman speed, excessive superhuman durability, excessive superhuman endurance, immortality, invincibility, excessive fertility, and excessively massive sex drive, and they were also given incredible divine powers by the deities they've worshipped and fought against numerous ancient monsters and demons and the ability to grow even stronger, but she was also born with angel wings, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive superhuman strength, excessive superhuman speed, excessive superhuman durability, excessive superhuman endurance, immortality, invincibility, excessive fertility, and excessively massive sex drive, and incredible divine powers by the deities she and her people of female Fertilitairans worshipped and all the powers of her people times infinity, and like many of her people, she was born with the voluptuous body of all the female goddesses of history and myth with the beautiful looks that could make any man go wild. Her people were the most advanced civilization in The Forbidden Zone, but, when news of The Infernairans' imminent invasion came to them eons ago, they performed a ritual that merged all The Fertilitairans' lives and bodies with their Queen who gained all of their immense power over beauty, love, excessive, superhuman strength, excessive superhuman speed, excessive superhuman durability, excessive superhuman endurance, immortality, invincibility, excessive fertility, and excessively massive sex drive and absorbed their planet's core and planet itself into her along with their Sun, Faith Fertilitaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive superhuman strength, excessive superhuman speed, excessive superhuman durability, excessive superhuman endurance, immortality, invincibility, excessive fertility, and all the powers of her people, and as a result, Lincoln gained omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, excessive superhuman strength, excessive superhuman speed, excessive superhuman durability, and excessive superhuman endurance, and his already excessive fertility and excessively massive sex drive also increased even more and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion, and she swore that if she ever saw Lincoln being hurt again by Lori's cruel callous and crass actions, she'd make sure Lori would never get pregnant ever!

WE GASPED!

Shanan: Wow, I've heard about the Fertilitairans, they're the female counterparts of The Virilitairans, the male angels of Virilitaira, and they're just as sexual as the Virilitairans.

Lincoln: Last night, she appeared in my bedroom, and she didn't set off any alarms.

Faith Fertilitaira: Because I wasn't a threat at all, and I was also very careful not to alert Charles, Cliff, Walt, and Geo. (Rubs Lincoln's massive pecs)(Smirks) Plus, I did get a chance to see you again lying in bed, but you've really grown and evolved from the 11-year-old boy I met long ago would grow up into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of Virilitaira and the other males from the other planets in The Forbidden Zone. You can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) Cut a rock into a diamond on those rock-hard twelve-pack abs. (Rubs his chest and massive biceps) And there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist and brought her closer to his body and her face was buried in his pecs and chest hair as she heard his strong heartbeat.

Kurumu: Aw, that's just like what I do with you, Linky.

We snickered.

Nicole: Well, that explains the barrier going up last night.

Serperior went into Shanan's room.

Serperior: Shanan? Time to wake up.

Then she saw a huge flower in the corner bloom and out came Shanan and she awoke like a fairy does.

Shanan: (YAWNS) Morning Serperior.

Serperior: Time for breakfast. But that was a blooming awakening.

Shanan: It sure was.

She went and got dressed and went to the table.

Me: Morning Shanan. Ready for your big day?

Shanan: I sure am dad! Same with Hitch and Deborah.

Me: Awesome!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was on the Jungle Planet of Leivei and there's a Yautja there terrorizing a small village.

Cody: What the?! A Yautja? And it's terrorizing a small village!

Lincoln: And it's on the Jungle Planet of Leivei! Then, that means Hitch's mission is today, and this also means we're not only going after Haavik, but also, The Xenomorph Queen!

WE GASPED!

Ellen Newt Nostromo Ripley XLVII: I should've known we'd run into her and her Xenomorph hive!

Yulia Dutch Schaeffer: And running into a Yautja on Leivei, this is more than just a coincidence, and if he's on Leivei, that Yautja is so doomed if he runs into her!

Me and Nico: Her?

Lincoln: I'll explain much later. Alright, now let's finish breakfast and head for Leivei to put an end to that Yautja.

Nico: Uh, right.

We finished breakfast, and we headed out to Leivei to help Hitch Trailblazer and Trouble Shoes unlock their Rainbow Power and take down the Yautja.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14142.2: The U.S.S. Valorous Phoenix is en route to the jungle planet of Leivei to help a friend of Shanan battle a Yautja there that is running around causing trouble. Our mission is to end this Yautja forever.

Nico: Moyo, I want to thank you, The Martians and your teams for coming.

Moyo: No problem Nico. This is gonna be awesome and fun.

Camie: We're ready.

Martha Aries Mars: Father would agree with me too.

Me: You got that right.

Nico: Martha, remember when we first met?

Martha Aries Mars: I sure do. When I was battling the armies of Vandal Savage and we destroyed them both with ease.

Nico: Yep. He may be immortal but he will never be a match for me and the daughter of the God of War.

Me: That is for sure.

Wonder Woman: I agree there.

Me: Yep.

Poromon: I think we're all immortal like him

Me: That may be, but he is still no match for the power of the gods.

Poromon: Yep.

Martha Aries Mars: Yep that's right.

Nico: Oh yeah.

Me: HOLY CRUD! What a battle yesterday.

Sailor Moon: Yeah that was intense!

Me: The Kisenian Blossom will never terrorize the universe again.

Shanan: That is for sure.

Camie: Yeah!

Ymir: No kidding there. That was explosive.

Nico: Rich Texan tried his best.

Becky: He sure did.

Me: But who would have thought that my Kamikaze attempt would weaken her but also set the planet of the Kisenian Blossom on a collision course to us. But like what happened back in 2019 it erupted into a massive Kamehameha Wave Struggle.

Camie: Yeah no kidding.

Varie: Unbelievable!

Nico: That was intense! And that explosion was unbelievable!

Maria: It was worth it in the end

Becky: It sure was and my Akuma was a MASSIVE Island turtle!

Nico: No kidding there!

Qin: That was amazing.

Becky: It sure was.

Shanan: Yeah I'll say.

Qin: Yeah. So Shanan what can you tell us about this planet you know?

Shanan: You are going to be surprised. Planet Leivei is a tropical jungle planet and it's home to some of the most amazing and most beautiful jungles. They are so beautiful and amazing that they cover much of the planet and the rivers and waters there are so crystal clear that you can see down to the bottom.

Nico: Whoa!

Shanan: Yeah and the trees are so tall that they make even the tallest skyscrapers on Earth look like houses in comparison.

Nico: WHOA!

Xenia: Amazing!

Lisa Loud: We have arrived at our destination!

Nico: On screen!

We saw that we were at a pretty jungle planet.

May: We're here.

Me: Wow!

Nico: Lets engage landing.

We did so. We got out and saw that we were on Leivei!

Me: So this is Leivei!

Qin: It's beautiful!

Camie: Wow! Shanan you weren't kidding about it!

Shanan: It sure is a sight.

Poromon flew up into the air

Poromon: Boy look at the view!

Xenia: It sure is awesome!

Lincoln: Okay, guys, we're here for one intense battle, we're here on Leivei to help Hitch Trailblazer and Trouble Shoes unlock their Rainbow Power and take down the Yautja.

We had all of TLPS and The MOE with us.

Nico: So, this is Leivei, it's so beautiful here.

Me: You said it, I had no idea Shanan knows this planet, and that you know someone who lives here, Lincoln.

Lincoln: I know.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but

they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I turned the tips of my 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

(THE CHOPPER - PREDATOR 1987 MOVIE OST PLAYS)

Brody heard a Pokemon cry.

Brody: There's a pokemon here.

Me: I don't see anything.

Little did we know however. We were being watched.

There was an invisible figure hiding in the trees watching us with infrared vision.

Nico: Hello?

Me: Weird.

We got to a big clearing.

Eli looked on and got spooked by something.

Ymir: Something has Eli spooked.

Camie: What is it?

Ymir: Can't say.

Qin: I don't see anything.

Me: I have a feeling.

I went over to him.

Me: Eli what is it?

Eli: I sense something in those trees.

I looked at where he was looking.

Eli: I sense we're being watched.

Me: Hmm.

We were being watched by the Yautja.

Eli: (Distorted) Do you see anything? Over there?

Me: (Distorted) No but I have a good feeling I know what's there?

ZOOM IN

Me: What do you think?

Eli: I have a good idea.

I used my infrared vision and saw THE YAUTJA!

He was watching us!

Me: Uh oh! Nico he's watching us. The Yautja. He's in the trees.

Nico: Time to block his view

Me: Nico wait. That's what he wants. He's stalking us.

Then he zoomed in.

ZOOM IN

His targeting triangle locked onto something behind me.

BEEP

His targeting lasers locked on to something.

I saw the lasers look at something and he fired!

ZAP!

He fired his plasma caster and the blast went at us and we ducked and it hit a bush and out came a Greninja!

BOOOM!

Me: WHOA! A Greninja! He dodged it just in time.

Nico: Fast speed!

The Yautja left.

Me: We'll have to find where he'll go soon.

Brody: Nice dodge

Greninja: Thanks. That was cool.

Me: Greninja is the fastest Pokemon of all.

Nico: Yep.

Brody: You hungry?

Greninja: I sure am.

Brody gave it apples

Greninja: Thanks.

He ate them.

Nico: Ash, can't you and your Greninja use a certain form together?

Ash: Yes we can.

Qin: Wow!

Me: Wait Ash you and your Greninja can do that? That is cool!

Ash: It sure is. We call it Ash-Greninja.

Me: Wow!

Serena: It's true.

Me: Wow! This will be awesome to see in the future.

Brody: Yep. Want to come with me?

Greninja: I would ilke that.

Me: Awesome!

Poromon: Yay!

Me: Cool. You won't regret it.

Poromon: Nope.

But then I smelled two scents.

Me: (Sniffs) Hey smell that? I smell Apples and (Coughs) Whoa! Chili Peppers! (Coughs) Whoa really strong peppers.

Nico: Where's it coming from?

Laney: I think from them!

We saw a Mega Appletun and Mega Scovillain!

Me: WHOA! Mega Appletun and Mega Scovillain!

Camie: Sweet and Spicy!

Me: Nice!

Then a Shiny Cosmog came up to me.

Me: Wow a Shiny Cosmog. You're a pretty little guy aren't you.

Nico: Sure is. Where did they come from?

Me: Must be Dark Gale's work.

Poromon: There's no other explanation.

Lapis (Gaim): Lets see.

He used Telepathy on Mega Appletun and gasped!

Lapis: That Mega Appletun is my sister Sazuki!

Me: Oh man!

Kaito Kumon: Lets see.

He used Telepathy on Mega Scovillain and gasped!

Kaito Kumon: That Mega Scovillain is my sister Erika!

Me: Whoa!

Tsukasa: And lets see here.

He used Telepathy on Shiny Cosmog and gasped!

Tsukasa: J.D. this Shiny Cosmog here is my sister Mei!

WE GASPED!

Roxy: Whoa that is surprising.

Me: It sure is.

Lillie: And I like Cosmog. I have an amazing dress I like wearing themed after it.

Poromon: We'll have to see it later on.

Me: I agree. Lets go help them.

We went over to them.

Kaito Kumon: Erika it's okay. It's me Kaito.

Lapis (Gaim): Sazuki it's okay. It's me Lapis.

Tsukasa: Mei it's me Tsukasa. Remember?

The Mega Appletun used Apple Acid.

We ducked and it burned a bunch of trees into withered skeletons!

Me: GEEZ! That is potent acid!

Applejack: HOOWEE! That there is strong acid!

Applin: Yeah we Applin and our evolved brethren have that.

Manaphy: Yikes!

May: No kidding.

Mega Scovillain fired a massive flamethrower blast and we absorbed the fire.

Me: Powerful.

Laney: Yeah!

Nico: Anything from Shiny Cosmog?

Me: The only attacks it knows are Splash and Teleport.

It used Splash and got May wet!

Me: Not one of its best attacks but yeah.

May: I see why.

Me: Okay then.

I snapped my fingers and they reverted back.

Sazuki was a girl with blue hair and blue eyes and silver blue angel wings and had Mega Appletun on her forehead and had the symbol of Kamen Rider Karudo on her arm with the symbol of the Silver Apple Lockseed on it too as a cutie mark.

Erika was a girl with red hair, red eyes and fire angel wings and had Mega Scovillain on her forehead and had a red version of the symbol of Kamen Rider Duke with a sun and chili peppers and the symbol of the Chili Pepper Lockseed on her arm as a cutie mark.

Mei was a girl with purple hair and purple eyes and had star angel wings and had Mega Cosmog on her forehead and had the Kamen Rider Legend of Decade symbol with the symbol of Twilight Sparkle's empire on it on her arm as a cutie mark.

We wrapped them in blankets and brought them over.

Me: Wow! That was fun.

They woke up.

Sazuki: (Groans) What hit me?

Erika Kumon: I feel like I got hit by Kougane times twenty.

Mei: Same with me dealing with Nobuhiko Tsukikage.

Lapis: Are you girls okay?

Kaito Kumon: Yeah.

Tsukasa: We were worried.

Sazuki: (GASP) Lapis!

Erika: Kaito!

Mei: Tsukasa!

They hugged them.

Sazuki: We're glad you're okay.

Erika: Yeah! I thought you were dead Kaito!

Mei: I'm glad you're safe!

Lapis: I still have lots of fight left in me.

Kaito: And I'm not dead actually.

Tsukasa: Same here.

Roxy: It's true.

Me: Long story.

Sazuki: Whoa where are we?

Shanan: You're on the planet Leivei. This is a world I know. Long story.

Me: You were all turned into a Mega Appletun, Mega Scovillain and Shiny Cosmog by Dark Gale.

Sazuki: Oh man! I was battling Redyue when it happened.

Me: I remember him. He ate a Helheim fruit and turned into the Green Over Lord Inves. That was really stupid of him.

Nico: No shit.

Erika: I was battling Hakaider.

Me: Hakaider!? Whoa I remember him. That was the crossover special of Gaim and Kikaider the Reboot back in 2014.

Nico: YEAH!

Qin: That was scary!

Mei: It was. I was battling Narutaki.

Me: I remember him. I can't remember if we faced him or not on Roxy's missions.

Roxy: Yeah that was crazy.

Nico: Yeah.

Poromon: What are your Rider names?

Sazuki: I go as Kamen Rider Silvvermist and I am the Silver Apple themed rider.

Me: Cool!

Sazuki: I also like making apple pies and I am really good at making all kinds of apple pies.

Applejack: Well boy howdy. Anyone that loves making any kind of apple pie is perfect for being a member of the Apple Family.

Me: Applejack and her family make awesome apple pies.

Sazuki: I can tell and I am honored.

Erika: Yep and I go as Kamen Rider Scoville.

Me: WHOA! A Nuclear hot pepper themed rider. I love all kinds of spicy food and I even make my own hot sauces.

Erika: Can I try some?

Me: Sure.

I pulled out a bottle of my sauce and she put some on her tongue and then...

NUCLEAR FIRE EXPLOSION!

WE DUCKED AND A HUGE JET OF FIRE BLASTED OUT OF HER MOUTH!

She loved it!

Erika: WHOA! That is awesome!

Me: You sure love nuclear hot food like me.

Erika: Yep. I use fire and peppers.

Me: Neat.

Mei: I go as Kamen Rider Temporal. I have mastery over all the powers of all the riders over the course of 50+ Years.

Me: WHOA! Usually Decade is just for the riders from the year 2000 to 2010. That is amazing.

Mei: It sure is.

Ace: Including me.

Me: Yeah. Also Gotchard and Gavv.

Mei: That's right.

Me: Wow! Gotchard is stil in progress and Gavv starts after that later this September.

Nico: Yep.

Touma: Don't forget me

Aruto: And me.

Me: Yep. Long story. Also Erika, Kaito was not resurrected by me this time. He was brought back by the Aparoids.

Erika: The Aparoids?

Fox McCloud: Long story on that.

Kouta: I had no choice but to kill him. He was completely out of control.

Me: Really nasty story.

Erika: I heard all about that. You did what you had to do Kouta.

Me: Yeah.

Rarity: Lets get you some new clothes darlings.

The Fashion Brigade gave them new clothes. Sazuki got blue clothes and her own version of Lapis's spear, Erika had red clothes and a chili pepper sword and Mei had purple clothes and lightsaber sword. They got their belts back.

Sazuki: We look awesome.

Erika: I'll say.

Nico: Also, there's someone else here that we have to fight.

Sazuki: Who?

Me: A Yautja is here on this planet.

Sazuki: A what?

Me: Well I think it's best if you see for yourselves.

Nico: Yeah.

Eli: Uh oh! Behind you!

We looked and saw MAJOR DUTCH SCHAEFFER!

Me: (GASP) Dutch!

Major Dutch: (Arnold Schwarzenegger Accent) J.D.?

Yulia Dutch Schaeffer: (GASP) Daddy!

She went and hugged him.

Major Dutch: Hey sweetie. I'm glad you're here too.

Me: We didn't expect you here too Dutch.

Poromon: There's a Yautja here.

Dutch Schaeffer: I know.

Me: Lets get a move on.

Nico: Yeah.

Lincoln: (Sensed for The Rogue Yautja) AHA! There he is! I just spotted the rogue Yautja, he's 20 yards away fighting our special guest.

Nico: Right, time to clean this mess up.

We then took off to take down the rogue Yautja so Lincoln can absorb him, and we'll get to meet this special guest that Lincoln mentioned.

We were flying, and we saw the rogue Yautja, but he was fighting someone, she's a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long brown hair with green streaks, green eyes, massive green angel wings, she has on a green two-piece bikini, and a nature greatsword.

Lincoln: I knew it, he's fighting Laura Leivei, Queen of The Leiveians of Planet Leivei.

Me: Another of your Guardian Angels?

Anna Anyanova: Yep, that's right.

Shanan: I knew it was her, that's Laura Leivei, Queen of The Leiveians of Planet Leivei, she's Lincoln's Guardian Angel from the planet Leivei, and she's the Queen of The Leivians and a very powerful Angel of Nature, she was born with green angel wings, and immense power over nature, animals, the jungles, the forests, and all plant and animal life, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she hates it when hunters show up and try to hurt her people, the Leivians, and the wildlife that live there, and that especially goes for the Yautja. Laura Leivei came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of nature, animals, the jungles, the forests, and all plant and animal life, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and immense powers of nature, animals, the jungles, the forests, and all plant and animal life, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Leiveians, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with excessive superhuman strength, excessive superhuman speed, excessive superhuman durability, excessive superhuman endurance, immortality, invincibility, excessive virility, excessively massive sex drive, and excessive testosterone, and she knew that Lincoln is a true lover and master of the forces of nature and life. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them entombed inside trees for all eternity with the power of Leivei.

Nico: Whoa...!

Lincoln: That rogue Yautja is already having trouble fighting Laura, time to give her a hand.

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, YOU UGLY MOTHERFUCKER!

Alexander Maxwell and Tyler Maxwell charged at the Yautja, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked him with swings of his massive spear and he even shot at him with his machine guns, while Alexander Maxwell slashed at him with his massive greatsword and shot at him with his guns.

Alexander Avalon fired blasts of green energy from his staff and they formed into a massive barrier of trees and vines, and using The Earthy, Wood, and Flower Cards Card, roses with thorns on the vines formed and the rogue Yautja couldn't escape.

Me: Ooh, nice one.

Nico: Just like what happened with Woodrue.

Suddenly, Lincoln used his powers over nature and made the barrier of trees and vine stronger and the roses fired pink gas that hit the Yautja and it burned him like acid.

Lincoln lifted his massive greatsword up into the sky, and then, we saw heavenly lights shining down from the sky, and back on Earth Omega, the lands of Scotland and Loch Loud started glowing, and green energy started to flow into Lincoln and he began growing even stronger than ever, and then, we saw a Celtic Triquetra shining in the sky along with The Celtic Tree of Life.

Return to this world from The Spirit World to take down the Yautja.

Suddenly, we saw the spirits of the many brave Scottish warriors of ages past along with those from the time of Lachlan McLoud, Duke of Loch Loud, appearing and returning to our world from The Spirit World, as they heard Lincoln's command. Then, Lincoln joined them and he let out a war cry that thundered all over the place, and the warriors also bellowed out a war cry and they rushed at the Yautja and they began attacking him with their claymores, war swords, and greatsword.

Nico: That still gets even more awesome than ever!

Laura Leivei: I knew it, I knew Lincoln would come here.

Suddenly, the well of souls of Planet Leivei began reacting and we all came down.

Me: What is that?

Anna Anyanova: That's Leivei's Well of Souls, Lincoln saw many Wells of Souls on the planets in The Forbidden Zone, hard to believe there's a Well of Souls here on Leivei.

Laura Leivei: Yes, and it's here where the souls of the male Leiveians rest, the male Leiveians were natural born fighters with immense powers over nature, animals, the jungles, the forests, and all plant and animal life, and they were given even more incredible powers, immortality, virility, and invincibility by the deities we've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Leivairans. But, eons ago, The Infernairans came here and the male Leiveians were defeated and their bodies and souls were thrown in this Well of Souls where they laid to this day.

Nico: Just how many planets have The Infernairans terrorized?!

Arpina Infernaira: One too many, Nico.

Suddenly, the green gem on the intricately carved stone cover surrounded by angels carved on it started to glow and the cover came to life and slid off, and then, a massive tornado of green souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Leivei.

Me: Whoa!

Nico: The souls of the male Leivairans!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Leivei flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their immense power over nature, animals, the jungles, the forests, and all plant and animal life, and the ability to grow even stronger, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

You don't deserve to live a single second longer.

Lincoln charged at the rogue Yautja and he punched, kicked, and slashed at him like a wild beast, and he left bleeding scars on him.

Me: WHOO! GET HIM, LINCOLN! TEAR HIM TO PIECES!

Then, Lincoln fired ten massive balls of fire from his left hand and they orbited around the Yautja and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of the Ancient Gods and Goddesses.

He even slashed the Yautja in the stomach with his left hand's gold-armored dragon claws and his massive greatsword leaving bloody and brutal claw marks on his stomach, and the wounds got cauterized because of the intense heating up of his gold-armored dragon claws and his left hand's finger claws and massive greatsword!

Arpina Infernaira: Ooh! Now, that's just brutal.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and it sunk into the ground unleashing a storm of lightning bolts and raging blue fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS THE PILLAR ROSE INTO THE AIR AND THE EXPLOSION HITS THE YAUTJA, AND SEVEREAL PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HIM AND HE GOT BURNED SEVERELY!

The Yautja just jumped onto a tree branch and fired plasma blasts at us!

ZAP!

Eli deflected them back with his lightsaber!

ZAP! ZAP ZAP ZAP ZAP!

BOOOM! BOOOM! BOOOOM! BOOOOOM! KRABBBOOOOOOOOOOMM!

Massive explosions of sparks blasted off all over the place!

It was intense!

Eli deflected the blasts! Sparks rained down all over!

Laura Leivei: Take that!

The Yautja jumped down and unsheathed its blades and went at us!

CLANG CLANG CLANG CLANG!

We clashed all over with it.

We locked blades and I looked at the Yautja right in its eyes.

Me: Your kind gave me this scar on my face when we fought in Sumatra. I have your mark on my face.

I kicked him.

Dutch Schaeffer: Your kind killed all my crew in Guatemala except for a hostage woman and poisoned me with your radiation!

Greninja charged at him and slashed and cut him.

Eli: We battled another of you in Montana!

It growled.

Nico:...are you even listening to us?!

Shanan: They are a race of few words.

The Yautja got ready. It took its mask and Plasma Caster and gear off and it was UGLY!

Ymir: You're one UGLY Motherfucker!

The Yautja roared at us ferociously!

Me: It's on!

I punched it and kicked him!

Laura Leivei: They sure are ugly!

Shanan: And they are not called the most Lethal Hunters in the Galaxy for nothing.

Nico shrugged and punched it

POW!

He pulled out a SMART DISK AND THREW IT!

Me: LOOK OUT!

He threw it and we ducked! It flew over us and lodged into a tree!

He fired a Speartip Gun and I caught the Spear Tip with my fingers.

Me: WHOA!

It was a deadly 2 prong spear tip.

Me: Wow deadly.

Eli used the Force and grabbed the Smart Disk.

Me: Shit Happens!

Nico: Like that!

Laura Leivei: That's right you...

Yautja:...motherfucker!

Nico: Now he speaks!

Shanan: Like I said, a race of few words.

He threw his Combistick and Ymir caught it.

Me: WHOA!

We fired waves of energy and blasted him.

Me: Lets see what this ring can do.

I activated it.

Me: 50 YEARS OF RANGERS ACTIVATE!

It glowed and released all the powers of all the Rangers from over the course of 50+ YEARS! BOTH GOOD AND BAD!

Me: WHOA!

I flared up a Red Dragon Changeman Aura and fired fireballs and blasted him.

I formed a Fire Blade Quasar Saber with the powers of the Lost Galaxy Rangers and blasted him with fire!

Nico: HOLY SHIT!

Eli: THAT IS SO COOL!

Qin: WHOA!

Me: WOW! Lets see what else.

I ran fast and pounced on him in the form of a spirit tiger with the Gekirangers Power!

I kicked him off and flew at him with Red Hawk Jetman speed and kicked him down.

Nico:...where did you get that?

Me: Professor Paradox gave this ring to me before we went after Kisenian yesterday.

Nico: Oh I must not have been paying attention but that is cool!

Me: It is a Sentai Ring with all the powers of all 50 Years of the Rangers in it.

Nico: WHOA! That is cool!

I used the power of the Hurricangers and blew him around in a tornado!

Nico: Any chance we all can get one?

Me: I'll look into that but yeah it's possible.

Nico: I understand Professor but thank you.

Paradox: Anytime Nicholas. J.D. has gotten the hang of it.

Nico: He sure has. He's a quick learner.

Xenia: He sure is!

Me: COOL! Erika that is infernal hot!

Erika: Thanks! It sure is!

Horsea squirted ink and it got into the Yautja's eyes.

Mei: My turn!

Mei: I know.

Roxy: I'm also Tsukasa's sister

Mei: I heard all about that! That is so awesome! That makes me your sister too.

Roxy: It sure does.

Mei: Watch what I can do.

She went at the Yautja and used the powers of Gaim and fired symbols of Gaim and blasted him.

Then used the powers of Kamen Rider Stronger and blasted and smashed him all over.

Me: COOL! That is so awesome!

Mei: It sure is! I wonder if there will be a ring like that for the Kamen Riders.

Me: It's possible. The Kamen Riders helped out the Sentai Teams over the years and vice-versa.

Mei: Yep.

She used the Power of Kamen Rider Ryuki and blasted the Yautja all over with the powers of the mirror beasts.

Tsukasa: Like old times?

Mei: You know it!

Tsukasa and Mei: DECADE RIDER KICK FURY!

They jumped and dealt a deadly kick to the Yautja and smashed him down!

Qin: YEAH!

Me: Lets see here.

I used the powers of the Kiramagers and made Crystal Clusters grow and they slashed the Yautja all over!

Rarity: That was a great display darling!

Me: It sure was!

Manaphy hopped over to him and bashed him with a headbutt.

Some blood spurted out of the Yautja and splashed all over the ground.

Ymir: Their blood is green and it glows?

Hitch Trailblazer: Now, it's time to put an end to this. I'm the Pony of the Law as the Legacy of Fluttershy and the Coolest dragon dad you know. My cutie mark comes to life, and my kindness overflows!

We can't make a rainbow without all the colors

And we can't make a friendship without one another

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Alexander Avalon, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Juniper Lee, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was making the Yautja even more pissed off than ever.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit the Yautja, and we found ourselves not only in Heaven, but also, in space.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, ROT IN HELL FOREVER, YOU DISGRACEFUL WARRIOR!

Lincoln, Nico, and I did one final powerful energy slash that hit the Yautja hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and the Yautja was on his last legs and he was really really mangled.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of the Yautja and he began absorbing him and assimilated the Yautja's muscle mass, formidable physical superhuman strength, regeneration, agility, enhanced senses, healing, superhuman endurance, Predkour, adaptability, strategic intelligence, tactical camouflage, longevity assimilated into his true immortality, honed skills, wealth of knowledge accumulated throughout the centuries, and invaluable experience in the art of hunting and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Then, when Lincoln was done and the stingers changed back, the Yautja was completely weakened and reduced to a mere toothpick, and its many weapons were taken by Lincoln, and then, Lincoln raised his greatsword high into the air, and...!

SLASH! SQUELCH!

LINCOLN BEHEADED THE YAUTJA AND HE TURNED TO ASHES AND HE WAS SENT TO THE BLACK ABYSS FOREVER!

We cheered as we holstered our weapons and powered down.

Cody: And that is that, you have disgraced your own race for the last time, you rogue Yautja, now rot in Hell forever.

Nico: Yep, good riddance.

Me: Lincoln made sure of that.

Lincoln: I wasn't going to allow this rogue hunter to live any longer, and it's good to see you again, Laura.

Laura Leivei: You too, Lincoln, and whoa, you've really grown.

Suddenly, Lincoln pinned Laura Leivei to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Laura Leivei with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Laura Leivei: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be. Who could've guessed the 11-year-old boy I met long ago would grow up into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Laura Leivei: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Lincoln: We'll have plenty of time for that, Laura.

Nico: Yeah.

Qin: That was awesome!

Lola: At least he didn't self-destruct.

Qin: Thank goodness.

Varie: Yeah.

Nico: Greninja, when we hear a Pokémon cry, that's a cue to appear.

Greninja: Sorry I'm a ninja and I have to be stealthy and one with the shadows and always appear when you least expect it.

Me: I know how that is.

Naruto: Same here.

Fu: Me too. It's fun.

Me: It sure is.

Nico: But nice job anyway.

Greninja: Thanks. That was fun.

Nico: It sure was.

Poromon: Want some beer?

Greninja: Oh no thanks. I drink sake.

Me: Ah just like a traditional ninja.

I pulled out a bottle of Sake rice wine.

Greninja: Thanks.

He drank some.

Me: Thank goodness you aren't like Lady Tsunade. You wouldn't believe how much Sake she drinks.

Greninja: How much does she drink?

Me: 5 bottles a day.

Naruto: He's right on that. Aunt Tsunade is one helluva drunk.

WE LAUGHED!

Laney: (LAUGHS) Yeah.

Greninja got drunk after drinking the whole bottle.

Greninja: (HICCUPS)

Poliwag: Sing the ABCs!

Greninja: (SINGING AND BELCHING) ABCWWRFNQPNGKQNHGNWPGNAAZPGNWPQUHNLYPEU!

WE LAUGHED HYSTERICALLY!

I reverted him back.

Me: I've been trying to get Lady Hokage to stop drinking that much but she is as stubborn as Kushina is.

Naruto: (LAUGHS) That's just like mom.

Me: Yeah bro.

Laura Leivei: I can see why.

Me: Yep.

Nico: But J.D., your new Sentai Ring is so awesome!

Me: It sure is!

Professor Paradox: I'm glad you liked it James.

Me: It was amazing! This will show us what's in store for us coming up when we meet the Gozyugers in the next year and a half to 2 years.

Eli: It sure will.

Nico: Oh, Moyo, what do you like to do in your free time?

Moyo: I like to teach people all about what Mars was like before it turned into a planet like Earth.

Me: Cool!

Ymir: Wait Mars is now like Earth?

Me: Yeah before Mars was a red planet dead and barren and during Halloween of 2020 it was fully terraformed somehow .It turned into another Earth-like planet.

Nicole: Like what I saw in many documentaries about how we do it. But technology to terraform planets like that is hundreds of years beyond Earth standards.

Ymir: Oh wow! That is complicated.

Nico: It sure is.

Poromon: Oh me and the mascots are going to San Francisco.

Me: COOL!

Nico: Can I go with you guys? I want to go get some (DROOLS) Ghirardelli chocolate!

Poromon: Sure!

Nico: Cool!

Me: Sweet! Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Hitch Trailblazer.

Hitch Trailblazer: Another Me? Sweet.

Lincoln: We'll have to see who it is.

Eli: Whoa, and one of The Anothers is The Avatar of The Flower Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Eli: And the second of The Anothers is The Keyblade Knight of Leivei.

Laura Leivei: Awesome!

Me: So we got Another The Martians (Jimmy Neutron), Selene (Fairy Tail), Ovulator, Nasty Canasta 1995, Universe 666 Berg Katse, Mr. White and Man Man.

Qin: Yep.

Lola: That means Moyo, Martha Aries Mars, Melanie Romanova, Gamora, Lego Martian Manhunter, Universe 666 Berg Katse, Aurora Albedo and Rango are up.

Eli: Wow!

Camie: Yep.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Selene (Fairy Tail), Ovulator, Nasty Canasta 1995, Universe 666 Berg Katse, Mr. White and Man Man.

Nico: WHOA!

Qin: This is gonna be good.

Nico: Naomi Fairy!

Me: Ayame Tano!

Lincoln: ANd Leelli Leivei! Wow!

Leelli Leivei: Awesome to see you Lincoln.

Ayame Tano: Same to you J.D.

Me: Same here. Ayame is the Embodiment of the Gozyugers Dopant.

Ayame Tano: Schwartz grabbed me from the future and turned me into an Another.

Me: OH MAN!

Nico: Care to introduce us?

Anna Anyanova: Sure. This is Leelli Leivei, Keyblade Knight of Leivei, she's Lincoln's Guardian Angel from Leivei and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of Leivei, she was born with green angel wings, and immense power over nature, animals, the jungles, the forests, and all plant and animal life, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she's also a loyal friend of Laura Leivei, and like her Queen, she hates it when hunters show up and try to hurt her people, the Leivians, and the wildlife that live there, and that especially goes for the Yautja. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him in mastering the powers of nature, animals, the jungles, the forests, and all plant and animal life, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and immense powers of nature, animals, the jungles, the forests, and all plant and animal life, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Leiveians, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge, and she also taught Lincoln all about gardening and taking care of the forests and animals that live there, and she hates Chandler with a vengeance because he was always polluting the place with trash and sewage, and she swore to trap him inside a tree prison for eternity.

Me: HOLY CRUD!

Leelli Leivei: I know.

Ayame Tano: I have all these for you guys too.

She pulled out a huge bag and gave it to us and inside it was a MASSIVE NUMBER OF SENTAI RINGS! These were Sentai Rings of the M.O.E. One for all of our archenemies.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

She reverted back and it was the Avatar of the Flower Card.

Lincoln: Rose Flower! Wow!

Rose Flower: Good to see you Lincoln.

Lincoln: You too.

Nico: Care to introduce us?

Anna Anyanova: Sure. This is Rose Flower, Avatar of The Flower Clow Card, she's Lincoln's Guardian Angel from

Japan and she's a very powerful angel who was born with the powers of flowers, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Flower Clow Card, and the magic of Clow Reed. She's The Flower Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Rose Flower is a master of the powers of The Flower Clow Card and she's a powerful master of flowers and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Rose Flower came to Royal Woods where she met Lincoln, and she taught him how to master the powers of all flowers, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Flower Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of all flowers, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Flower Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by firing rose petals at them, and they sneezed like crazy because it was a nice smelling flower and they back then hated nice smelling flowers.

Me: WOW! The Flower Card is a really graceful dancer. She dances really well too.

Nico: Oh yeah. She danced with J.D. and loved doing that.

Rose Flower: I can tell. She always does like having fun.

Lola: Oh yeah!

Nico: And your friend?

Another Hitch: (In a girls voice) Someone who loves her brother and loves her ancestor.

Hitch Trailblazer: (GASP) That voice!

She reverted back and was a girl with green and pink hair and had pink and green law clothes and pink angel wings and had a sheriff badge with butterflies as a cutie mark.

Gaia Trailblazer: Deputy Gaia Trailblazer reporting for duty!

Fluttershy: That is so adorable!

Sparky babbled.

Gaia Trailblazer: (GASP) Who is this?

Hitch: Oh this is Sparky. I've hatched him back when he was just an egg.

Me: First ever dragon to come back after the Magic returned to Equestria. Long story. Also there's a prophecy coming up soon.

Bonnie: Thanks Star.

We got a move-on, and then, we spotted our target: Violet Vanderfleet, and she has the Dark Flower Card with her. Lincoln blasted her and that forced The Dark Flower Card to come out and took on her true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Flower Card and he began sucking out all her powers over flowers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with

embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Flower Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Flower Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Flower Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: Violet Vanderfleet.

We turned to Violet Vanderfleet who was enraged to see us.

Violet Vanderfleet: You miserable...!

Lincoln slashed her in the cheek leaving a bleeding cut on her face.

Lincoln: Not another word out of you, Violet, and now, it's time to end it.

Robin Hood went after Violet Vanderfleet, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit her, then he attacked her with the blades on his bow leaving scars on her, and he fired arrows at her that transformed into many arrows with leaves surrounding them and she got hit all over the place.

Lincoln, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after Violet Vanderfleet, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels at her, and they exploded with incredible power as they hit her. Then, Von Lycaon and Skippy the Bush Kangaroo punched her hard with their gauntlets and kicked her with their greaves and he got hit hard, and Red Savarin slashed at her with his massive greatsword and shot her with bullets and stun blasts and Sly Cooper whacked her hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit her on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to Violet Vanderfleet, and she screamed in agonizing pain.

Lincoln continued smashing Violet Vanderfleet hard with his extremely massive godly superhuman strength, and she was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering her and he even attacked him using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash her all over the place!

Qin: Violet Vanderfleet doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering her, now she's at the mercy of The True Alpha Werewolf-Vampire Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at Violet Vanderfleet and she got beaten up real good and she was mangled!

Then, Andre Lupescu shot at Violet Vanderfleet, then, Andre Lupescu slashed at her with his massive greatsword, same with Abaddon Aeternus doing the same thing to Violet Vanderfleet.

Then, Lincoln fired blades of elemental forces that hit Violet Vanderfleet and they pierced her all over the place, and she exploded in a vortex of light, and she was sent to The Black Abyss. We cheered as we holstered our weapons and powered down, and we returned home to The World Tree Estate.

Me: And that is that.

Nico: Honestly, I thought we wouldn't have to see Violet Vanderfleet ever again.

Lincoln: Same here, but we got rid of her for good, her big mistake was allying with Alecto Slytherin, and I also sucked out the powers of The Dark Flower Card and ended her for good, this also dealt yet another blow to Alecto Slytherin, and the day will come when we launch our final attack on him.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair, blue eyes, massive white angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, red sleeveless strapless top, blue skirt with Gem-Knight Phantom Quartz, white bridal gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Phantom Quartz, she has a greatsword, and with her are the eight girls.

Lincoln: (GASPS) Paige Phantom Quartz, Avatar and Gene-Slammer of Gem-Knight Phantom Quartz.

Paige Phantom Quartz: That's right, and I got the girls away from Violet Vanderfleet and The Dark Flower Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: She was still just as worse as that rotten girl, Margie, but either way, we took care of another of Alecto's mess. (To Paige Phantom Quartz) And it's so good to see you again, Paige.

Paige Phantom Quartz: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Paige Phantom Quartz had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Paige Phantom Quartz was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Paige Phantom Quartz: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Paige Phantom Quartz's waist and hugged her, and Paige Phantom Quartz is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Paige Phantom Quartz: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Paige Phantom Quartz, Avatar and Gene-Slammer of Gem-Knight Phantom Quartz, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Phantom Quartz gems and crystals. She's known as The Phantom Quartz Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Paige Phantom Quartz came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Phantom Quartz gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Phantom Quartz gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Paige's parents and her little sister, Phoebe, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Paige.

Lincoln with his massive muscular arms still wrapped around Paige Phantom Quartz's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Paige Phantom Quartz: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Paige Phantom Quartz with phantom quartz crystals on the gold lightning bolts and phantom quartz links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Paige Phantom Quartz: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Paige Phantom Quartz.

Paige Phantom Quartz had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Paige Phantom Quartz's waist, and he leaned down to her face and kissed her on the lips, and with Paige Phantom Quartz's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Paige Phantom Quartz had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Paige Phantom Quartz: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The eight girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eight girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the eight girls are Katsumi Liqueur, Yuki Saiko, Mana Isozaki, Nami Yamigumo, Lebia Maverick, Lum Cheng, Rally Cheyenne, and Kiddy Phenyl from Silent Mobius.

Lincoln: Oh whoa, it's Katsumi Liqueur, Yuki Saiko, Mana Isozaki, Nami Yamigumo, Lebia Maverick, Lum Cheng, Rally Cheyenne, and Kiddy Phenyl from Silent Mobius.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, they're cute girls.

Lincoln: And easy targets for someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Katsumi Liqueur: Yes, we're okay, thanks to you.

Then, when Katsumi Liqueur and the other seven girls saw who it was that saved them from Violet Vanderfleet and The Dark Flower Card, their faces turned atomic red and their noses gushed out blood upon seeing the 20'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and Katsumi Liqueur: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Katsumi Liqueur: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Katsumi Liqueur, Yuki Saiko, Mana Isozaki, Nami Yamigumo, Lebia Maverick, Lum Cheng, Rally Cheyenne, and Kiddy Phenylwith colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful wolf girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long black hair, purple eyes, massive black angel wings, she has on a black two-piece bikini, and a moonlight greatsword.

Lincoln: (GASPS) Laiara Lupusaira, Queen of The Lupusairans of Planet Lupusaira.

Laura Lupusaira: (Smirks) You sure came in late, sis.

Laiara Lupusaira: Sorry, Laura.

Nico: What the, the second surviving Lupusairan?! And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Laiara Lupusaira, Queen of The Lupusairans of Planet Lupusaira, she's Lincoln's Guardian Angel from the planet of Lupusaira in The Forbidden Zone. She's Laura Lupusaira's twin sister and the second Queen of the Lupusairans who ruled the planet of Umbraira and she's also far more powerful than her own people: in addition to being a natural born fighter and night hunter along with having superhuman strength, having immense power over darkness and the shadows, and the ability to grow even stronger, but she was also born with angel wings, Cosmic Umbrakinesis, darkness, the shadows, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Laura Lupusaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Umbrakinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, darkness, the shadows, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of Cosmic Umbrakinesis, Omnipotence, Omniscience, Cosmic Awareness, lightning, and all the powers of The Lupusairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting along with being a night hunter and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion, and she swore to use the power of Lupusaira to tear her apart and throw her to the wolves.

Laiara Lupusaira: And I knew Lincoln absorbed the souls of the male Lupusairans, our planet's core and planet itself, and our planet's Sun to preserve their legacy.

Shanan: That's true, and Lincoln 2 of The Ebonwu Squadron told us, And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Laiara Lupusaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Laiara Lupusaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Laiara Lupusaira with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Laiara Lupusaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 20'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man

with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Laiara Lupusaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Lupusairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Flower Card of all its powers and sent Violet Vanderfleet to The Black Abyss after we took her down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Paige Phantom Quartz saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Paige Phantom Quartz: My God, I was right that Lincoln's really grown into a 20'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his

999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Paige, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Paige Phantom Quartz: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew

from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Paige Phantom Quartz: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, we saw the symbols of Wei, Wu, Shu, Jin, and the Later Han appear before us as a column of light appeared.

Me: Whoa, what's happening?!

Anna Anyanova: Our special guest is arriving.

Nico: Another guest?

Sima Yi: You will see in a minute, Nico.

Then, as the light faded, we saw someone appear: a beautiful girl who was tall at 8'0" in height, she has the body of a goddess and large breasts, fair skin, long crimson red hair with teal blue flower in her hair, blue eyes, massive rainbow angel wings, she has on a red Oriental shirt, white bridal gloves, teal blue frilly cravat, gold necklace, dark blue skirt, green stockings, black knee-high high-heeled boots with butterfly buckles, long long-sleeved white coat with stars, elemental forces, tigers, phoenixes, dragons, Qilins, and angels on the coattails, and on the back are the symbols of Wei, Wu, Shu, Jin, and the Later Han and she has a massive gold greatsword.

Lincoln: (GASPS) Zhuhe Xiangying, The Angel of The Three Kingdoms of China.

Zhuhe Xiangying: Good to see you again, Lincoln, along with all of you, warriors of The Three Kingdoms.

Nicole: (GASPS) No way, the legendary Elemental Angel of The Three Kingdoms from the Dynasty Warriors franchise?! I've heard about her!

Me: You have, Nicole?

Nicole: I have, and Lincoln also knows her, and her story is an epic tale, this is Zhuhe Xiangying, the legendary Elemental Angel of The Three Kingdoms of Ancient China, she's Lincoln's Guardian Angel from China in the world of the Dynasty Warriors game franchise, she's a powerful elemental angel born with rainbow angel wings, Cosmic Pyrokinesis, Cosmic Cryokinesis, Cosmic Hydrokinesis, Cosmic Geokinesis, Cosmic Aerokinesis, Cosmic Electrokinesis, Cosmic Photokinesis, Cosmic Umbrakinesis, immense power over the elemental forces, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Three Kingdoms of Wei, Wu, and Shu, and those from the Later Han Period and The Kingdom of Jin that formed after The Kingdom of Wei was destroyed, and she's also a powerful swordswoman with mastery over the sword and weapons of war. Zhuhe Xiangying lived during the time of The Eastern Han Dynasty, but during the later Han period, signs of impending rebellion began to emerge everywhere throughout China, and it started in Luoyang, the capital of China during The Eastern Han Dynasty: corruption within The Imperial Court had thrown the land into chaos and the people began to suffer, and it was there in 184 A.D. that the chaos would finally explode when Zhang Jiao, the leader of The Way of Peace, fanned the flames of rebellion and formed his army, The Yellow Turbans, and The Yellow Turban Rebellion began, and the threat of The Yellow Turbans loomed like a dark cloud over The Han.

Eli: Oh man...!

Nicole: But, Zhuhe saw there would be other forces that would soon plunge her world into an age of chaos, so she came over to Royal Woods eight years ago and asked Lincoln for help which he never refused. Then, he was brought in by Zhuhe to help in putting an end to the chaos, and with Lincoln's knowledge of games especially in The Dynasty Warriors franchise, Zhuhe knew he would be the one to end this, but she soon found out that Lincoln has a plan to unite The Three Kingdoms into one and he also intends to get rid of two of the game franchise's most bloodthirsty and violent individuals, they were none other than Dong Zhuo, the brutal warlord who would rise to seize power for himself and begin a reign of tyranny, and Lu Bu, The Demon of Chaos. But first, he and Zhuhe set out to take care of The Yellow Turbans.

Zhuhe Xiangying: That's right, and Lincoln knew that The Yellow Turbans were villagers who were sick and tired of the corruption within the Imperial Court, and he convinced them to turn away from violence and he saved a group of villagers from the Yellow Turbans who finally turned away thanks to Lincoln, and it's there he would meet Liu Bei, Cao Cao, and Sun Jian, the three leaders of The Three Kingdoms along with the other warriors. Then, he went after Zhang Jiao, and Lincoln knew he would use his magic, so Lincoln decided to show the forces of The Three Kingdoms his true power and he defeated Zhang Jiao, but instead of killing him, Lincoln showed compassion to Zhang Jiao and showed the forces of Wei, Wu, and Shu that the corruption within The Imperial Court was to blame for the reason why the land fell into chaos, and the chaos had brought out the worst in people and would never stop.

Nico: That's horrible.

Zhuge Liang: Indeed, but Lincoln and Zhuhe had brought an end to The Yellow Turban Rebellion, and Lincoln's display of his power along with his strategic planning and display of compassion had impressed the three forces of Wei, Wu, and Shu. Zhuhe knew her plan was going to work, but to make sure Chase Young would not interfere, she and Lincoln used a powerful spell to drive him out along with his influence and prevent it from trying to cause even more turmoil. Then, after The Ten Eunuchs were killed by Yuan Shao, their next target was Dong Zhuo, and Lincoln knew he will have Lu Bu with him as protection, so Lincoln and Zhuhe carefully took out Dong Zhuo's soldiers and told Diao Chan to leave Luoyang along with her father, and they headed for Zhuhe's home. But, Cao Cao's attempt to assassinate Dong Zhuo ended in failure and he had to flee, then Lincoln arrived and he defeated Lu Bu and allowed Cao Cao to escape unharmed, and at The Battle of Hu Lao Gate, Lincoln used a powerful spell that sent Dong Zhuo and Lu Bu to Hell where they would be imprisoned.

Caleb Maxwell: What? But, why didn't he kill them both, he and his Guardian Angel drove Chase Young out, and kept his dark power from trying to interfere. (Realizes something) Wait, there were others who would try to interfere, and the five individuals would be none other than...!

Sima Yi: That is correct, Lincoln knew that Lori, Lynn, Lola, Lisa, and Luan were still poisoned by their dark sides and they would try to ally with Dong Zhuo and Lu Bu to get rid of him and Zhuhe, that was why he did that. After that, Zhuhe decided to reveal her true identity to us as a Guardian Angel of Lincoln, along with the reason, and we saw that Lincoln too had to deal with his own kind of chaos: one caused by Chase Young.

Xiahou Dun: But, we saw that Lincoln emerged from his personal chaos stronger than ever because of his Guardian Angels and all of you as well, and we agreed to help in his plan, and that was to end Dong Zhuo and Lu Bu when the time came.

Anna Anyanova: And it would come years later in 2022 when all of us arrived to put the final touches to a plan that began eight years ago. After Dong Zhuo and Lu Bu were sent to Hell, Zhuhe Xiangying moved to Royal Woods, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Pyrokinesis, Cosmic Cryokinesis, Cosmic Hydrokinesis, Cosmic Geokinesis, Cosmic Aerokinesis, Cosmic Electrokinesis, Cosmic Photokinesis, Cosmic Umbrakinesis, immense power over the elemental forces, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Three Kingdoms of Wei, Wu, and Shu, and those from the Later Han Period and The Kingdom of Jin, and over time, Lincoln gained omnipotent power and the powers of Cosmic Pyrokinesis, Cosmic Cryokinesis, Cosmic Hydrokinesis, Cosmic Geokinesis, Cosmic Aerokinesis, Cosmic Electrokinesis, Cosmic Photokinesis, Cosmic Umbrakinesis, immense power over the elemental forces, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Three Kingdoms of Wei, Wu, and Shu, and those from the Later Han Period and The Kingdom of Jin, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew, and Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a blazing passion, and she swore to bring the wrath of The Three Kingdoms down upon their heads.

Me: That is incredible! I had no idea Lincoln actually went there eight years ago.

Sun Shang Xiang: Zhuhe sought his help, and he didn't refuse, and we saw how strong and skilled he really is.

Anna Anyanova: Along with smart and talented, which drew you, Lian Shi, Xiao Qiao, Zhen Ji, Cai Wenji, Wang Yi, Yue Ying, Bao Sanniang, Guan Yingping, Xiahou Ji, Zhang Chunhua, Xin Xiangying, Diao Chan, and Lu Lingqi to

Lincoln, plus, he also showed compassion and he's also known to be forgiving which were hard to find in a world plunged into a living Hell.

Zhen Ji: That day, when we saw Lincoln again, he'd changed that much from that cute little 11-year-old we met.

Wang Yi: But, he was still the same person from that day eight years ago: the same warm smile, the kindness and warmth that he always carried with him, and his personality and forgiving nature, that never changed.

Lincoln: That's right.

Zhuhe Xiangying: And I heard of what you did in fulfilling the prophecy, Lincoln, I knew it was only a matter of time.

Cao Pi: Right before the battle against him, Lincoln fought off Lu Bu who came after us on his own.

Zhuhe Xiangying: Figures, I knew Lu Bu wouldn't stay away for good. But, I also got bad news: it appears that pig, Dong Zhuo, has allied with our old enemies, Yuan Shu and Huang Zu, and they are planning to attack us one day. But, with the mess Alecto Slytherin's caused, they're not making a move.

Lincoln: We'll leave them be for now, and concentrate on getting rid of Alecto Slytherin's forces.

Yue Ying: I believe that's a great idea, Lincoln. As long as Alecto Slytherin is still out there, we cannot concentrate on Dong Zhuo, Yuan Shu, and Huang Zu.

Guo Jia: I have a feeling that we will face those three once again at Hu Lao Gate, but we will make sure they answer for all of their crimes.

Caleb Maxwell: Hmm, but what if they send their men after us?

Lori: They won't, that pig is more concerned about his personal safety than his men, and the same could be said of the other two.

Lincoln: You're right, Lori. But, it's not just our old foes in China, we also got the added problem of Hisahide Matsunaga in Japan to deal with, but we'll deal with that lying spider when the time comes.

We got a shower, and then, Lincoln, Lute, and Asajj Ventress are heading to Plage de l'Ostriconi in Corsica, France, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 20'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Lute and Asajj Ventress and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Lute and Asajj Ventress had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all. Lincoln also regenerated Lute's missing arm and was going to help her and Ventress and free them from their dark path and pain because of Ventress' sisters and Adam.

Asajj Ventress: So, we're here in this beach in France, I admit, it's beautiful.

Lincoln: You said it, Asajj, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Lute, and Asajj Ventress and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Lute, and Asajj Ventress and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Lute, and Asajj Ventress and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Lute, and Asajj Ventress and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clones of Kyu-Kurama, Hachi-Gyuki, Nana-Chomei, Roku-Saiken, Go-Kokuo, Yon-Son-Goku, San-Isobu, and Nii-Matatabi.

Anna Anyanova: Uh oh, is that...?!

Lincoln: Clones of Kyu-Kurama, Hachi-Gyuki, Nana-Chomei, Roku-Saiken, Go-Kokuo, Yon-Son-Goku, San-Isobu, and Nii-Matatabi, the Hypothetical Akumas of Naruto, Killer B, Fu, Utataka, Han, Roshi, Yagura, and Yugito Nii and they have the powers of The Eight Tailed Beasts and the Jinchuriki, the only one missing is the clone of Ich-Shukaku, the Hypothetical Akuma of Gaara, but he's among those who has one of The Dark Clow Cards and is one of Alecto Slytherin's forces.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clones of Kyu-Kurama, Hachi-Gyuki, Nana-Chomei, Roku-Saiken, Go-Kokuo, Yon-Son-Goku, San-Isobu, and Nii-Matatabi and he began absorbing them and assimilating Kyu-Kurama, Hachi-Gyuki, Nana-Chomei, Roku-Saiken, Go-Kokuo, Yon-Son-Goku, San-Isobu, and Nii-Matatabi's immense powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and

long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones of Kyu-Kurama, Hachi-Gyuki, Nana-Chomei, Roku-Saiken, Go-Kokuo, Yon-Son-Goku, San-Isobu, and Nii-Matatabi, and Lincoln sucked out every last bit of energy from the clones' souls and the clones faded and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Lute, and Asajj Ventress and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, and Lute, and Asajj Ventress and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no

Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Plage de l'Ostriconi, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lute and Asajj Ventress with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, Lute and Asajj Ventress are in your harem, Linky.

Lute and Asajj Ventress showed the marks Lincoln made on the right sides of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Alecto Slytherin sent the clones of Kyu-Kurama, Hachi-Gyuki, Nana-Chomei, Roku-Saiken, Go-Kokuo, Yon-Son-Goku, San-Isobu, and Nii-Matatabi, the Hypothetical Akumas of Naruto, Killer B, Fu, Utataka, Han, Roshi, Yagura, and Yugito Nii after us.

Lincoln took out his sketchbook: Kyu-Kurama, Hachi-Gyuki, Nana-Chomei, Roku-Saiken, Go-Kokuo, Yon-Son-Goku, San-Isobu, and Nii-Matatabi, the Hypothetical Akumas of Naruto, Killer B, Fu, Utataka, Han, Roshi, Yagura, and Yugito Nii are Kurama, Gyuki, Chomei, Saiken, Kokuo, Son Goku, Isobu, and Matatabi, but with wings.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into their chests, and I absorbed them and assimilated their immense powers. Then, I sucked out every bit of energy from their souls and the clones faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The

Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago,

Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever.

Lincoln: We don't have long before our showdown with Haavik starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

The mascots went to the door.

Poromon: We're heading to San Francisco!

Me: Ooh!

Hitch: Can some of us go with you guys?

Poromon: Sure! The more the merrier!

Nico: Lets go!

We were off to San Francisco, California.

We arrived.

Shanan: Here we are.

Me: Awesome!

We went and had fun.

We went to Ghirardelli Square and got LOADS of chocolate. We got white, mint chip, peppermint, caramel and thousands more.

We went to Alcatraz and saw the history of the most infamous prison in America.

We then saw the Golden Bate Bridge.

Bludgeon: The Golden Gate Bridge.

Me: An iconic sight.

Qin: It sure is.

Xenia: Yeah.

Ironhide: Lets take pictures.

We did so.

We then went to Fisherman's Wharf and got some good food.

Me: (Eating crab stew) Mmm! Delicious.

Lily: You said it!

We were having really great food.

Nico: It sure is awesome.

May: Yep.

Nico ate some chocolate.

Nico: Mmm! I missed this chocolate!

Qin: Boy no kidding!

Mqy: Yeah!

POINK!

May: WHOA!

May saw that she ahd a friend that wanted some food too. It was a Mega Zacian!

Me: Cool a Mega Zacian!

Qin: Wow!

May: Well hey there.

Nico: Where did that come from?

Me: It must be one of Dark Gale's work.

Jayden: Lets see.

Jayden used telepathy and gasped!

Jayden: That Mega Zacian is my sister Rhonda!

Lauren Shiba: She is a deadly force of nature.

Me: WHOA! Lets help her.

We went over.

May stood back with Manaphy.

Jayden: Rhonda it's me Jayden.

Lauren: And Lauren. Remember?

She used Behemoth Blade on Horsea but she put her clone in front of her

I blcoked the sword strike with my sword.

CLANG!

Me: Hey don't pick on Horsea!

I pushed her back.

Horsea: Thanks J.D.

Me: Anytime.

Jayden: Lets get her.

We fired waves of energy and knocked her down.

I snapped my fingers and she reverted back. She was a girl with purple hair and purple eyes and star wings and had Mega Zacian on her forehead and had the kanji for Storm with the Samurai symbol on her arm.

We wrapped her in a blanket and brought her over to a table.

Me: Nice!

She woke up to see Horsea's smiling face.

Rhonda Shiba: (Groans) Huh? A Horsea?

Horsea: You attacked my clone!

Maria picked her up.

Jayden: Are you okay?

Lauren: Yeah sis.

Rhonda: Jayden, Lauren!

She hugged them.

Rhonda Shiba: I was worried. Wait are we in San Francisco?

Me: Long story. You were turned into a Mega Zacian by Dark Gale.

Rhonda: Oh man. I was battling this weird red Nighlok and he had a mace club.

Eli: That was Nakinakite.

Me: That was one of the Japanese monsters you faced.

Rhonda Shiba: Oh man.

Qin: Yeah lots of monsters.

Poromon: What's your color?

Rhonda: I am the purple Samurai Ranger and I use the powers of the Storms. I am the Storm Element Ranger.

Me: Lightning Power.

Camie: Yeah.

Nico: Cool.

Rhonda: I heard you guys faced Xandred.

Me: We sure did. He is MONDO PISSED at me and Nico. Me for humiliating him. Nico for his kamikaze attempt failing.

Rhonda: WHOA MAN!

Qin: I know. Crazy huh.

Rarity: The Fashion Brigade gave her new purple clothes and a storm sword and Jayden gave her morpher to her.

Rhonda Shiba: I look great!

Me: You sure do.

We came back.

Manterror: How was San Francisco?

Me: We had fun!

Poromon: We sure did!

Camie: Yeah that was awesome!

Ymir: I agree there.

Manterrror:: Awesome!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Haavik, he's on the move, but the bad news: he's on Acheron, the planet we destroyed long ago, but now, has come back. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: WHAT THE?! Haavik's on the move, and he's on Acheron?! What the Hell?!

Eli: It's time!

Lincoln: Yep, and we got an emergency on our hands.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Haavik, he's on the move, but the bad news: he's on Acheron, the planet we destroyed long ago, but now, has come back.

EVERYONE GASPED!

Hitch Trailblazer: I knew Haavik was on the move.

Shanan: And the planet Acheron's back?! But, I thought we destroyed it! Wait, if Planet Acheron is back, then, that means...!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Xenomorph Queen, and the bad news: Haavik is working with The Xenomorphs!

Lincoln: That blind fool! I also saw who's there: The Xenomorph Queen, and the bad news: Haavik is working with The Xenomorphs!

Everyone: WHAT?! IS HE INSANE?!

May: That idiot, he has no idea that The Xenomorph skill anyone and anything they see! They're remorseless killing machines!

Caleb Maxwell: That fool, he made a huge mistake allying with The Xenomorphs, I saw the movie Alien in 1979, and that Xenomorph that was on The Nostromo was relentless, it killed Ripley's friends.

Ellen Ripley: And also killed Newt's parents as well. So, it looks like we got to take care of those bugs once again.

Lincoln: And destroy Acheron for good. I'll use the same Spirit Bomb I used to destroy Dhakgun, and this time, it'll destroy Acheron forever.

Me: Good idea, Lincoln.

Nico: That's the one thing that'll make sure we never see that planet ever again. Alright, team, let's go, it's time to meet up with Dan and the others and head for Acheron.

Lincoln: Haavik's time is finally up, we'll get rid of him forever, the same goes for The Xenomorph Queen and her entire hive of Xenomorphs.

Me: Yep.

The previous group came.

Villamax: Can me, Stratos, Moonstone, Xaldin, Marionette Shadow, Metal Sonic, Fireor, Top, Vulkanus, and Copperhead

Nico: Yes you all can come with.

Xaldin: Awesome.

Disk Wars Magneto: Nico, which Gene Slammer do you think you'll meet next?

Nico: Water Elemental of MTG next.

Camie: Nice!

Laney: Awesome!

Varie: Cool!

Lana: Yeah!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Los Angeles to meet up with Dan and the others and head for Acheron to destroy both Haavik and The Xenomorph Queen and The Xenomorphs and rid the universe of those two cancerous lifeforms.

We were off.

* * *

We arrived at Los Angeles.

Me: Here we are.

Qin: Awesome.

Me: Things are quiet.

Nico: Here in Los Angeles, yes. Haavik is planning his attack, same with The Xenomorph Queen, and she's no doubt planning to attack before we can head for Acheron.

Me: I agree.

Camie: Lets call Vulkanus for this.

Vulkanus: I'm right here.

Camie: Oh nevermind.

Moonstone: I was just about to say that

Camie: Sorry beat ya to it.

Me: I'm really ready to kick some butt.

Hitch Trailblazer: You said a mouthful. Now, where are Dan Kouzo and the others?

Suddenly, we heard screams, and we flew on over, and we saw Dan Kouzo and his friends, but they're being attacked by Alecto Slytherin!

Lincoln: I found Dan Kouzo and his friends, but they've been attacked by Alecto Slytherin!

WE GASPED!

Me: That fucking two-faced conniving racist snake!

Lincoln: Let me deal with that snake and send him slithering back to the shadows.

Lincoln unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim God Phoenix God Archangel Justice and he landed in between Dan Kouzo and his friends and Alecto Slytherin.

Dan Kouzo: Lincoln?

Then, we came in.

Dan Kouzo: Hitch, Shanan, Deborah, guys! You're here!

Hitch Trailblazer: Sorry for the surprise, Dan.

Shun (Battle Planet): We were preparing for your arrival, but then, this guy showed up and tried to blast us! Who is he?

Me: That's Alecto Slytherin, the racist descendant of Salazar Slytherin.

We explained his history, and they were disgusted and pissed off at Alecto Slytherin.

Dan Kouzo: You racist snake!

Alecto Slytherin: SHUT UP, YOU WORTHLESS HUMANS! NOW DIE! AVADA KADAVRA!

Alecto Slytherin fired a blast of green death magic at Dan Kouso and his friends to kill them as he was cackling derangedly, but Lincoln formed a barrier that deflected it and sent it to Acheron where it killed a Xenomorph, and that pissed off Alecto Slytherin.

Dan Kuso: We better send him slithering back to the shadows before we get after Haavik.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his Third Eye turned golden yellow as heavenly lights shined down.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) I'm about to do just that, Daniel. (To Alecto Slytherin) Descendant of Salazar Slytherin, I am giving you only one chance: leave now and return to the shadows where you belong or stay and suffer the consequences of your choice!

Alecto Slytherin: SHUT UP! SHUT UP AND SHUT UP! HOW DARE YOU SPEAK TO ME LIKE THAT! I WILL KILL YOU!

Alecto Slytherin charged at Lincoln, now completely deranged! BIG MISTAKE!

Suddenly, Lincoln formed a massive orange energy ball with intense fire and phoenix feathers around it in his left hand.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) PHOENIXHEART FIRESTORM GOUENKEN!

Lincoln fired the massive energy ball and it hit Alecto Slytherin and he got burned.

Dan Kouzo: Whoa!

Suddenly, the 20'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword was surrounded by water.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) DRAGONHEART MAELSTROM SOURYUUKEN!

Lincoln spun at Alecto Slytherin like a drill with his greatsword pointed at him with two streams of water surrounding him and he hit him and did a vertical slash with his greatsword that hit Alecto Slytherin.

Then, the 20'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword was surrounded by light.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) FAIRYHEART SOLAR HOLY LIGHT DANKUUKEN!

Lincoln swung his massive greatsword and fired powerful shockwaves of holy light that hit Alecto Slytherin.

Then, the 20'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword was surrounded by ice.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) DRAGONHEART ARCTIC SNOW STORM RYOUSEIKEN!

Lincoln fired homing arrows of ice at Alecto Slytherin and he was frozen, but was forced out when Lincoln punched it and it shattered.

Then, the 20'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword was surrounded by darkness.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) GHOSTHEART DARKNESS SHADOW STORM TENSAIKEN!

Lincoln fired an arrow of darkness into the sky and it rained down several arrows of darkness that hit Alecto Slytherin.

Then, the 20'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword was surrounded by lightning and wind.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) THUNDERBIRDHEART LIGHTNING THUNDERSTORM SENRANKEN!

Lincoln swung his massive greatsword and fired a massive tornado with lightning surrounding it at Alecto Slytherin and he got blown all over the place and struck by lightning.

Then, the 20'9" massive, double-edged hulking gold blade of Lincoln's massive greatsword was surrounded by moonlight.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) WOLFHEART MOONLIGHT JINBUKEN!

Lincoln summoned swords of moonlight with wolves running around them, and he sent them at Alecto Slytherin and he got hit hard.

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) You've seen that you're no match for us, Alecto Slytherin, now leave.

Alecto Slytherin let out an enraged scream and turned into black mist and flew off!

Lincoln holstered his massive greatsword on his back as his golden yellow eyes changed back to deep sapphire blue with golden yellow ring around them and the golden yellow iris of his Third Eye turned back to rainbow color.

Dan Kouso: Thanks for the save, I would've thought Haavik launched his attack early.

Nico: It wasn't him, it was another enemy of ours, a dangerous and deranged racist out to destroy all mankind, but can we come in? We got something to tell you guys.

Dan Kouzo: Oh man. But sure.

Crash Man; Great to see you guys by the way

Dan Kouzo: Same here.

We headed in, and when we explained that Haavik made a deal with The Xenomorph Queen and is working with The Xenomorphs, they were horrified, especially when we explained the history of the Xenomorphs and The Xenomorph Queen.

Shun (BP): I can't believe this, Haavik made a huge mistake working with those Xenomorphs!

Me: A huge mistake that's going to bite him in the butt.

Nico: That's for sure. Now, let's get to Acheron and destroy Haavik and get rid of The Xenomorph Queen, and since there'll be Xenomorphs running loose, we're going in prepared.

Me: Yeah with lasers and flamethrowers and guns blazing. But after we have a talk here.

Lia: And Ellen and Newt from what I remember these are the very monsters that killed everyone you know.

Ellen Ripley: That's right. We lost everyone we knew because of the Xenomorphs.

Dan Kouzo: Do you guys have a Leonidas Bakugan?

Marionette Shadow: Good question

Nico: I do.

Dan Kouzo: Cool!

Qin: Yep.

Ymir: What are the Xenomorphs?

Me: One of the most dangerous alien creatures in the universe. They come from the planet Xenomorph Prime and what they do is awful.

I went over what they were and it was horrible!

When I was done many of our faces turned green and we felt like throwing up.

Lia and Princess Luna and Dan Kouzo threw up in garbage cans!

Coconuts: Has there been any activity here involving them?

Shun (BP): No we haven't seen anything thank goodness.

I looked at my scanners and there was nothing.

Me: Nothing on the scanners. That's good. So he is keeping it all on Acheron.

Xenia: Yeah.

Dan, Lia and Princess Luna came back.

Lia: (Groans) That was awful.

Me: I know. Also we destroyed them before. It was back in 2018.

Rocket Raccoon: Yeah we sure did and that was awful.

Top: They can burst from someone's chest

Me: Which kills them instantly.

Ellen Ripley: I've seen this all happen to everyone I knew who came into contact with them. It's not a good sight.

Newt: They killed my parents.

Camie: It was awful.

Evelyn Roarington: The Yautja's have been having problems with them too and even dealt with them many times before.

Me: Yeah they sure have. The most Lethal Hunters in the Galaxy battled them all over from time to time.

Camie: It's true.

Nico: Yeah.

Dan Kouzo: Oh man.

Bowser: We even faced a Yautja this morning

Me: We sure did.

Dan Kouzo: I can tell.

Qin: Yeah.

Lia: What year did the Xenomorphs come from?

Me: Well originally they came from the year 2122.

Lia: 98 years from now.

Ellen Ripley: Yes. That was when I first battled them on the Nostromo. The time we battled the Xenomorphs on Acheron in 2018 was back in 2179.

Me: 155 years from now. Weird.

Nico: I know it couldn't have been Kang's doing because he feared them just as much.

Me: Yeah. They must've come here to our time on their own accord.

Varie: Yeah.

Lia: Strange.

Copperhead: Did you guys see any eggs around here?

Me: They start out as eggs and when they hatch they go into the Larva stage called Facehuggers and they latch onto your face and implant an embryo in your heart. Once it's mature it bursts through your chest called a chestburster.

Qin: Yeah.

Lia: No we didn't find any eggs.

Nico: Good.

Ellen Ripley: Thank goodness for that.

Newt: I just want to be rid of these monsters forever.

Me: We all do. These creatures are like a cancer to all living things in the entire universe.

Laney: Yeah.

Newt: On Acheron we battled them on the Hadley's Hope colony.

Nico: I remember that.

Me: It was a terraforming colony. But that proved to be the ultimate mistake because of the Xenomorphs.

Qin: Yep.

Me: That's why we're going to blow up their home planet Xenomorph Prime. When we destroy it all the Xenomorphs will die all over the universe.

Nico: And don't get close to any Facehuggers

Me: Yeah.

Lincoln: I'll use my powers to make sure they don't get on us.

Qin: Good idea.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume with 4 bottles of beer.

Poromon: (to the Battle Planet team) Hello there! I'm the beer fairy! Come to give you guys 4 bottles of beer!

St Patricia: You get some under your pillows if you're good!

Lia: Oh Poromon looks so cute in a fairy costume.

Me: He sure does.

Qin: Yeah.

Poromon: Thanks.

Dan Kouzo: But Poromon we're too young to drink beer. We don't want to get in trouble with our parents.

Me: Yeah their parents would kill them.

Poromon: Okay you're right.

I pulled out my cooler and gave them root beer.

Me: Here.

Lia: Ah thanks.

Me: You're welcome. Oh we forgot. We owe you guys for helping us last week.

Vulkanus: Against Granox and Slyger.

Lia: No problem.

Qin: Awesome.

Dan Kouzo: Yep. And soon the universe will be rid of the Xenomorphs.

Me: Like how the mascots got rid of another kind of Abomination.

Lia: What do you mean?

Me: And cue mascot craziness in 3...2...1...

Horsea: THIS KIND OF ABOMINATION! (shows trailer close to Dan Kouzo's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Dan Kouzo: (SCREAMS) IS THAT POOH AND FRIENDS!?

Poromon: (shows trailer close to Shun (Battle Planet)'s face) YOU LOOK AT IT!

Shun (BP): OH DEAR GOD!

Manaphy: (shows trailer close to Wynton Styles's face) YOU LOOK AT IT!

Wynton: (SCREAMS IN FRIGHT)

Poliwag: (shows trailer close to Lia Venegas's face) LOOK AT IT!

Lia: (CRYING AND VOMITING)

Jirachi: (shows trailer close to Lightning (Battle Planet)'s face) LOOK AT IT!

Lightning (BP): I honestly don't see what you mean.

Tentacool: (shows trailer close to Battle Planet Dragonoid's face) LOOK AT IT!

Dragonoid (BP): GADZOOKS! THAT IS HORRIBLE!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

THEY SCREAMED IN FRIGHT!

Disk Wars Silver Samurai: We apologize for this.

Me: Oh for fucks sake!

UCH! ROUNDY SPINNY THING MAGISWORD!

I calmed them down.

Xenia: How come you aren't affected Lightning?

Lightning (BP): Well I'm a dog and don't know how that affects me.

Fireor: The Abominations kill animals too!

Lightning (BP): Oh I see. (SCREAMS LIKE A LITTLE GIRL!)

Lia: (CRYING AND VOMITING)

Me: Cleanup on Aisle 12!

Nico: HEY! That's my line!

Me: Sorry.

We explained everything.

Dan Kouzo: That is awful!

Me: And before you say anything NO we are not going to give those people the Black Gates. So we went with Blu's idea and that's a lawsuit.

Thetis: But we should explain what it is

Me: It was a trailer for a dark version of Winnie the Pooh called Winnie the Pooh Blood and Honey. It's where Christopher Robin goes off to college and Pooh and friends become savage bloodthirsty killing machines.

Metal Sonic: Not literally like me

Dan Kouzo: Oh man.

Me: The mascots killed the real things a while back on Chikyu.

Qin: Yep.

Gira: It's true.

Lia: Good riddance.

Me: Yeah.

Dan Kouzo: Which are more disgusting? Them or the Xenomorphs?

Me: Hard to say.

Qin: Yeah.

Laney came in frantic!

Laney: GUYS! Look what happened outside!

We went outside and saw THE ENTIRE CITY TRANSFORMED INTO AN ALIEN JUNGLE!

WE GASPED!

Xenia: WHOA!

Shanan: OH WOW! It looks like a jungle from the planet Kiarvos.

Qin: It's beautiful!

Lincoln: Oh man! This is the work of Shanan's Akuma, Niarria the Nature Fairy. The Hypothetical Akuma of Shanan and she is an alien fairy with amazing power over all nature and life and can turn anything and any place into any kind of jungle and forest from any kind of planet. She was made because of Queen Beryl hurting the Sailor Soldiers and vowed to kill that monster no matter what with the powers of alien worlds.

WE GASPED!

He showed a sketch of her and she was a fairy about the size of Tinkerbell and she was making life from alien planets appear all over!

Qin: WHOA!

Nico: Amazing!

Viceroy: We were only talking for about 30 minutes!

Me: Well it was more than enough time for it to strike.

Qin: Yeah.

Viceroy: True.

We went outside and went to the park.

Nico: Where is she?

Eli: (Concentrates) There.

We saw a light flying around a bench and it formed the bench into a Helheim Forest Fruit Tree!

Me: WHOA!

Kouta: That is amazing.

She saw us and flew to us. She landed in Shanan's hand.

Shanan: I never thought my Akuma would be such an amazing fairy and full of life.

Niarria: I know. I am you after all.

Shanan: You sure are.

Xaldin: Shanan? Is that you?

Niarria: Yes it's still me. And dad knows it's me too.

Me: Yes I do. How can I not know it's one of my own children.

Qin: Yeah.

Shanan: But you don't have to worry about Queen Beryl anymore. She is gone for good. I killed her a while back.

Thetis: On my day to shine.

Niarria: I see. I'm glad she is gone.

Me: So is the entire universe.

Vulkanus: Can you calm down for us please?

Niarria: Only if you all defeat me.

Me: Uh the only way for that to happen is if we were at your size.

Sakura Avalon: Allow me.

She used the power of the Little Card and the Fly Card and went at her. She flew and kicked Niarria and punched and smashed her all over.

Serenity Avalon: Go Sis!

Li: Nice one.

Vulkanus charged at her.

But she was too nimble and got out of the way.

Niarria: My turn.

She wrapped Vulkanus, SpongeBob, and Lana and Fluttershy in Poison Oak vines!

SpongeBob: (SCREAMS!) POISON OAK! (SCRATCHING)

Lana: (SCRATCHING HARD!)

Fluttershy: (SCRATCHING) ITCHY!

Sakura kicked Niarria down I caught her and trapped her in a bottle.

Me: There.

Varie: Here guys!

She gave them calamine lotion.

The Alien plants vanished.

Me: Wow! Now for the fun part.

Nico: The usual battles

Spymaster: And now, you're saying the Xenomorphs are loose?!

Nico: Yep.

Samon Shakekisutanchin: At least we're closing out the Ambassador missions with a bang

Hank Scorpio: We sure are.

Me: And it'll be a good one.

Vulkanus: I think my suit took the damage.

Me: Yeah.

Maria called them in.

Then Spymaster, Samon Shakekisutanchin, Hank Scorpio, Dayu, Salami Swami, Kerbero Gangan, Zavok, SkullMeramon, and 10,000 Volt Ghost came.

Lightning Bot came.

Me: Another round Lightning Bot?

Lightning Bot: You know it.

Me: Awesome!

Caleb Maxwell: But, not before I do this.

Suddenly, Caleb Maxwell loosened his grip on his guns as they fell but were kept in mid air, and then, he clenched his right hand so tight, his gold-armored dragon claws drew blood from his palm, and he clawed at his right arm with his left hand's gold-armored dragon claws and drew more blood until his right hand and underside of his right arm were bloody.

Me: OH GOOD GOD! THAT'S BLOODY!

Suddenly, crimson red and black darkness began surrounding Caleb Maxwell's bloody right arm and spread to his right hand, and it condensed into a massive crimson red and black darkness energy ball with blood falling from it and angry souls surrounding it, and Caleb's wounds healed. Then...!

Caleb Maxwell: FACE THE ANGER OF EVERY LAST ONE OF YOUR VICTIMS, HAAVIK AND QUEEN OF THE XENOMORPH SCOURGE! BLOOD HATRED OF THE LIVING AND THE DEAD!

Caleb Maxwell threw the massive crimson red and black darkness energy ball with blood falling from it and angry souls surrounding it, and it headed for Haavik and The Xenomorph Queen on Acheron, and it exploded as it hit them, and they were covered in blood, but then, they began seeing the angry dead coming at them along with the angered living souls, and they began attacking them with unendurable blood hatred! We saw it through a one-way viewing window Lincoln formed.

Nico: Oh my God! Not again!

Cage Blunt: He used Blood Hatred of The Living and The Dead again.

WE FREAKED OUT!

Eli: Geez!

Emboar: Yeah especially after how they killed Ellen Ripley's friends and Newt's parents and countless others all over the universe over the years! They were severely scarred from that whole nightmare! And what's even more surprising, in the Aliens movie, it takes place in the year 2179 which is 155 years from now! This happened in 2018. Which is very odd.

Taskmaster: That is very unusual. Kang said he fears them just as much as everyone else because of how dangerous the Xenomorphs are. So it can't be him. So they must've found their own way to us back then

Emboar: I agree there on that.

Ayla: I agree too.

Princess Luna: I agree as well.

Dusk Eclipse: That is true!

Princess Luna (G5): But they are a cancerous terror that needs to be destroyed.

We regrouped and everyone cheered!

Lia: That was awesome!

Dan Kouzo: Yeah it was!

Lady Deathstrike: Time to go after Haavik.

Stratos: Where is he now?

Me: On Planet Acheron no doubt. That's where it all began in 2122.

Ellen Ripley: And that planet is a death sentence.

Newt: It sure is.

Nico: He's got Everett Ray, Ebony, Mc Q , Sophie Warfield and Calloway Storm with him?

Dan Kouzo: Yes he does.

Me: Oh boy.

Horsea: Should we take them down and recruit them?

Me: That would be highly recommended.

Xenia: Good idea.

Me: Okay lets get a move on. First this.

I contacted General Morshower.

Me: General Morshower come in.

General Morshower: (On my radio) General Morshower here.

Me: We're going after the Xenomorphs and Haavik on planet Acheron. I need you to prepare the Tachyon Superlaser Cannon array to fire at all planets completely infested with the Xenomorphs. We're going to blow all those planets to smithereens.

General Morshower: You got it.

Me: Computer, divert all available power to Superlaser Cannon Dynamo and charge up Superlasers to full power. Voice code: LTT9CV-12Ω.

Computer: Voice Code Acknowledged and confirmed.

The Superlaser cannons at the estate were charged up and ready to fire!

Nico: Lets go. Get ready Haavik, (EYES GLOW RED) We're coming for you!

Me: The terror and cancer of the Xenomorphs ends now. (EYES GLOW RED) We're coming for you both!

we were off to Acheron.

PLANET ACHERON

We arrived on Acheron.

We were in front of the rebuilt Hadley's Hope Terraforming Station.

Me: Hadley's Hope Terraforming Station.

Ellen Ripley: Just as I remember it.

Me: Stay close to us everyone. Stay alert.

We went in and stayed close.

Camie: This place gives me the creeps.

Nico: It sure does.

Me: We were here back in 2018.

It was dark.

I unloaded guns, flamethrowers, grenades, laser blasters and more.

I even had my vision on to find Xenomorphs.

Me: Nothing yet.

We went down a hall and found a woman stuck to a wall.

Me: Oh my god. We'll get you out of there.

I saw a dead Facehugger by her.

Woman: (Weakly) Please. Kill me.

Me: Oh no.

Then we heard crunching and the woman screamed and then...

SQUELCH!

A CHESTBURSTER EXPLODED OUT OF HER CHEST AND KILLED HER!

I fired waves of fire and blasted the woman and the Chestburster and incinerated them both.

Nico: See that's what they do.

Lia: My god! That is sick!

Me: Yeah. Remorseless and compassionelsss killing machines.

We continued down the hall.

Eli: Survivor here. This egg hasn't hatched.

The survivor was a little girl.

Girl: (Western accent) Get me out of here.

Applejack: Hang on I'll get you out.

The egg hatched.

Me: Uh oh!

I fired bullets and blasted the egg into nothing.

Then a Warrior Xenomorph came and Fu fired lightning and blasted it into oblivion. Some of its acid blood got on the floor and dissolved a hole in it!

Lia: WHOA! That is strong acid!

Me: I forgot to mention that their blood is extremely acidic.

Ellen Ripley: It's powerful enough to dissolve through 4 layers of steel.

Dan Kouzo: That is potent!

Qin: No kidding!

Applejack got the girl out. She was a girl with blond hair and green eyes and had blue and red clothes from Tex.

Girl: Thank y'all. Wow you're Team Loud Phoenix Storm!

Me: We sure are. Are you alright?

Girl: Yeah thanks to all of you. What are those things?

Me: Xenomorphs. Long really nasty story.

Applejack: What's your name?

Emily: Emily Douglas.

Me: Where are your parents?

Emily: They were killed by those things.

WE GASPED!

Me: Oh man. I'm sorry.

Newt: Just like me.

Me: Nasty story on that.

Applejack: I'll gladly take care of you.

Me: Awesome.

Emily: Thank you.

Applejack: Oh sorry. My name is Applejack.

Me: We'll get you back to Earth after we're done here. But it looks like Applejack is going to have a new daughter soon. We saved you just in the nick of time.

Nico: We sure did.

Eli: The queen is down there.

He pointed to a hall.

Me: And no one is blocking our path.

Pitcher Plant Monster and Dynamire came.

Vulkanus: (to Pitcher Plant Monster and Dynamir) Thanks for coming, guys.

Pitcher Plant Monster: No problem. This will be fun.

We saw the nest and there were hundreds of eggs all over the floor.

Pitcher Plant Monster, Vulkanus and Dynamir went in and Haavik greeted them.

Haavik: Well hello you three and Vulkanus its been a while.

Vulkanus: I would say it's good to see you Haavik. But I would be lying.

Haavik: You are just in time to see me kill Dan and his friends.

Vulkanus: You don't know the mistake you've made, do you?

Haavik: What mistake? I'm about to kill Kouzo and his friends, aren't I?

Vulkanus: No it's not that. Your little friends here are a menace and a cancer.

Suddenly, the spirits of the Bakugan and the Predators appeared and they attacked Haavik along with The Xenomorphs and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

A massive fiery explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard and fireballs rained down on some of the eggs and burned them and we appeared, and that pissed them all off.

Haavik: You...! You miserable...! (SCREAMS)

Dan Kouzo: Time to end you once and for all.

Then we heard breathing and saw an ugly monstrosity and it was THE XENOMORPH QUEEN!

SHE HISSED FEROCIOUSLY AT US!

Me: Long live the queen.

Camie: She is ugly!

Ymir: Frightening!

Dan Kouzo: (to the Xenomorph Queen) Geez, the others were right. You're one ugly motherfucker!

Xenomorph Queen: (Talking to us Telepathically) You humans have come back for more pain I see.

Me: You just never learn your lesson after all this time.

Ymir: Who are you talking to?

Nico: She's talking to him telepathically. She talks to all members of the hive through telepathic communication.

Xenomorph Queen: We see you remember that from the last time. Well you all will die here like so many others.

Me: I don't think so.

I fired waves of energy and fire and blasted the eggs!

The Xenomorph Queen screeched at us, but she too screeched in pain, and Haavik and The Xenomorph Queen screamed and screeched in absolute pain thanks to Caleb Maxwell's nightmare attack on them, and the amplification due to Caleb's demonic rage made their pain even worse!

Caleb Maxwell fired black and red energy blasts that hit Vilius and Rasputin, and it made the curse even more worse.

Me: That's for sure, and you got some nerve working with The Xenomorph Queen and The Xenomorphs, they're relentless killing machines who kill anyone and anything in their path.

Haavik: I don't care! I will destroy you all if it's the last thing I ever do!

The Xenomorphs came after us, but then, we saw paper talisman cards flying above us and they attacked some of the Xenomorphs and eviscerated them, and the talisman cards also fired blasts of fire, ice, wind, earth, lightning, light, and darkness at them and burned many of them.

Lincoln saw one of the talisman cards: the talisman cards were vermillion red in color with gold Chinese characters for Heaven in the center with a dragon on the bottom and a gold Yin-Yang symbol on top of the Chinese character for Heaven.

Lincoln: Zhuhe, did you...?

Zhuhe Xiangying: I know, Lincoln. But, we'll worry about that another time, it's time we took care of these two monsters.

Haavik: YOU! YOU INSIGNIFICANT...!

POW!

Caleb punched him in the face! But, that was only the beginning as we saw the skies turn red with blood!

Caleb Maxwell: So, you thought it was okay for you to ally with the most cancerous lifeform and danger to all life in the universe, just so you can get your revenge? IS THAT YOUR THOUGHT IN THAT PEABRAIN OF YOURS?!

Haavik: SO WHAT?! I DON'T CARE! EARTH AND EVERYTHING IN THIS DAMN UNIVERSE DESERVES TO BE DESTROYED!

THAT DID IT!

Caleb Maxwell: THAT'S IT, YOU PIECE OF SHIT!

CALEB MAXWELL JUMPED AT HAAVIK, AND A MASSIVE FIGHT CLOUD ERUPTED AS FISTS STARTED FLYING!

Caleb Maxwell: I'll teach not to sell yourself to those ugly destructive parasites from the darkest depths of space! I'LL TEAR YOUR BRAIN OUT OF YOUR HEAD AND SHOVE IT DOWN YOUR THROAT, YOU UGLY SACK OF GARBANZO BEANS!

IT WAS GETTING SUPER UGLY! THEN, CALEB ALSO FIRED ENERGY SLASHES THAT ALSO DISEMBOWELED AND TORE APART MANY XENOMORPHS IN HIS RAMPAGE!

CALEB MAXWELL KICKED HAAVIK OUT OF THE FIGHT CLOUD, AND HE WAS SENT FLYING AT THE XENOMORPH QUEEN INTO A WALL, AND WE SAW THE DAMAGE: HAAVIK HAD CLAW MARKS ON HIS BODY AND FACE WITH BLOOD COMING OUT, HIS FINGERS WERE BROKEN, AND CALEB EVEN TORE HIS RIGHT EYE OUT!

WE WERE HORRIFIED!

Suddenly, the magic circle appeared in the skies as the spirits of the Clow Cards appeared.

Me: We won't let the universe be tainted by you any longer!

Haavik: Putties! Hengemen!

An army of Putties and Hengemen appeared.

Me: Putties and Hengemen! Now we're talking!

We fired waves of energy and blasted them.

I punched a putty and blasted them down.

Then the Putties and Hengemen jumped the Battle Planet team and held them down.

The Battle Planet Team lay defeated at the hands of the Putties and Hengemen

Haavik: (laughs evilly) I'll do what Barodius couldn't and kill every Bakugan that dares try to stop me!

The Xenomorph Queen laughed evilly at this.

Xenomorph Queen: And I'll use my children to kill them.

Me: I don't think so you bitch!

Horsea: (squirts ink at Putty) Oh no! What do we do?!

Hitch, Shanan, and Deborah got an idea

Hitch: (to everyone watching) Everyone out there! Lend the Battle Planet team your strength!

Shanan: They get stronger with your support!

Deborah: When I go "1, 2", shout "Bakugan Brawl!"! Okay? 1, 2...

Dan Kouzo then punched a Putty into a Hengeman, knocking them both down.

Haavik: WHAT!?

Dan Kouzo: Thanks for the help, guys.

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at Haavik and The Xenomorph Queen with silver bullets from his guns and he blasted them with black and red, white, golden yellow, and blue energy blasts, stars, aura energy, white, golden yellow, and blue heavenly flames, divine darkness, blood, vampire bats, phoenixes, and angels, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at Haavik and The Xenomorph Queen as they were riddled with bullets as we all heard Caleb's wicked and insane laughter as he continued to shoot at Kisenian with darkness and malice. Caleb landed as the barrier came down.

And his little attack also killed many Xenomorphs that also came out of the shadows.

Nico: At least, that attack killed more Xenomorphs, and I'm so glad they didn't resort to you-know-what just like yesterday.

Nicole: I know, those three, what they did to The Kisenian Blossom yesterday, that proves when you cross a young man who was damaged mentally and physically by an asshole brother and driven to a dark psychotic state of vengeance and blood, it never ends well at all.

Deborah Bolton: But, now this is where it all ends for you.

Shanan: That's for sure, and as for you, Xenomorph Queen, you and your hive of murderous parasites have plagued the universe for the very last time, and we will make damn sure that you and every last Xenomorph parasite are destroyed here and now, along with Acheron.

In fact, the universe would be better off without your ugly, disgusting asses! Haavik, you suck at being a villain! I'm talking D-Class Villain, that's how much you suck! You Xenomorphs are an abomination of space nature, and as such, deserves nothing short of total erasure! You're all ugly as fuck, dull as fuck, and really are a disgusting bunch of freaks! Prepare your asses for defeat and one last thing?

Ed Cowart punched Haavik and messed up his face, then he wedgied Haavik and pulled his underwear over his head!

Ed Cowart: WEDGIE!

Then, Ed Cowart threw super sharp saw blades at Haavik and the Xenomorph Queen and left them slashed all over then fired hyper hot sauce and hyper hot nacho cheese and finished by turning The Xenomorph Queen into a Xenomorph croissant, and then, he kicked Haavik's crotch super hard, while thankfully Haavik's crotch is intact, but Haavik is in excruciating pain and sounding like a chipmunk and he turned Haavik into a villain donut!

Lincoln, Hitch Trailblazer, Shanan, Deborah Bolton, Nico, and I and the rest of us went after The Xenomorph Queen and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at The Xenomorph Queen, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Hitch Trailblazer, Shanan Knudson, and Deborah Bolton did the same by firing colored, white, golden yellow, and blue energy slashes from their gold-armored dragon claws and their massive greatswords, and Lincoln, Lori, Jessie Knudson, Joan Bolton, Anastasia, Nico, and I and the rest of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making The Xenomorph Queen even more angrier than ever.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The Xenomorph Queen and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of The Xenomorph Queen and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her. Lincoln threw the massive energy ball and it went right into the planet!

Me: LET'S GO!

Lincoln beamed back to the ship along with all of us and we hightailed it out of there. We got back home just in time, and then...!

CATASTROPHIC MASSIVE EXPLOSION!

ACHERON EXPLODED INTO NOTHING BUT SPACE DUST, AND THE PARASITIC SCOURGE OF THE XENOMORPHS WAS DESTROYED FOREVER!

We cheered as we holstered our weapons and powered down!

Nico: We did it, it's finally over, The Xenomorphs are gone forever, and we've completed the first half of the Ambassador missions for 2024.

Me: That's for sure, we'll be throwing a huge party at Lynn's Table. But there's one last thing we need to do. General fire at all targets!

General Morshower: Roger that! FIRE!

They fired Superlaser blasts and blew up Xenomorph Prime and the planets completely infested with Xenomorphs and destroyed them all and banished them to the Black Abyss forever!

Nico: Nice work!

Lincoln: And of course, humiliating the jerks as well.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Prismaura.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Prismaura.

Catherine Diamantis: There's only one person who matches this: Paula Prismaura, Avatar and Gene-Slammer of Gem-Knight Prismaura, and you guys are going to love meeting her, Paula Prismaura, Avatar and Gene-Slammer of Gem-Knight Prismaura, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of prism gems and crystals. She's known as The Prism Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Paula Prismaura came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of prism gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of prism gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Paula's parents and her little sister, Pamela, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Me: Oh man...! So, you weren't the only one who lost your parents and little sister to Zarya Kendrick.

Lincoln: Yep, Paula lost her parents, and her sister, Pamela, when Zarya Kendrick killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She doesn't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Me: YEAH!

Kerbero Gangan: They won't hurt anyone anymore!

Zavok: No, they won't!

Me: Good ddance.

SkullMeramon: This was an epic finish to this year's Ambassador missions.

10,000 Volt Ghost: It sure was!

Me: Yeah it was!

Nico: Lets head home.

Salami Swami: I'll prepare the Salami.

Nico: Great job today everyone.

Hitch Trailblazer: (To the viewers) That was so awesome and epic!

Me: It sure was.

We returned home and we got Dan Kouzo and the others settled in, and hours later, night fell on the city, and

Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, we got rid of Haavik and closed out the first half of the 2024 Ambassador missions with a bang.

Anna Anyanova: And that bang was the destruction of Acheron when we got rid of The Xenomorph Queen, and during our battle with Haavik, we also destroyed all of the Xenomorphs, now we're rid of them forever.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Flower Card, but tomorrow, I got the feeling we're going to take on the dark version of The Shield Card, and that thing was smart to hide, but not strong to survive the Sword Card. But, we'll also run into the mysterious stranger who helped us from the shadows when we went after The Xenomorphs and Haavik.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on.

THE END

Another awesome fanfic done.

The Xenomorphs and Haavik are now dead and gone for good.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Kentucky, and we're here to take down the clone of DarkEarth who has The Dark Shield Card in her hand, and once Lincoln sucks out the powers of The Dark Shield Card, Lincoln's going to absorb the clone of DarkEarth, and we're going to meet Paula Prismaura, Avatar and Gene-Slammer of Gem-Knight Prismaura, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of prism gems and crystals. She's known as The Prism Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Paula Prismaura came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of prism gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of prism gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Paula's parents and her little sister, Pamela, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Next up is a party for the celebration of completing all the Ambassador missions of the year.

See you all next time.

AMBASSADOR PARTY CELEBRATION

THE AMBASSADOR MISSIONS ARE COMPLETE

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a silver planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over the stars, space, and nebulae, and the ability to grow even stronger and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Spatiumaira, a purple planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Spatiumairans, the males were not only natural born fighters, but had powers over space, the stars, and nebulae, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Spatiumairans, and they were among the most advanced civilization in The

Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Oh man, a planet of the stars, nebulae, and space! This should be good.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Spatiumaira once inhabited by The Spatiumairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city and it was full of life absolute.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Spatiumaira, it truly is an awesome planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Spatiumaira and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a purple gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of golden yellow souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Spatiumaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Spatiumaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over the stars, space, nebulae, and the ability to grow even stronger, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and purple aura with stars and nebulae surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over the stars, space, and nebulae, and the ability to grow even stronger and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do, and I also forgot to mention that you are also now a Living Life Encyclopedia because this planet also kept records of all the planets throughout the beginning of the universe and the lifeforms that lived there.

Lincoln: Shanan is in for a huge surprise.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Spatiumaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Spatiumaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Spatiumaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no

Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Spatiumaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came Poromon woke up and starred at Nico in his face.

BLINK! BLINK!

Nico: Huh?

Poromon: (PLAYS REVELLE ON BUGLE)

Nico screamed.

Poromon: RISE AND SHINE!

Poliwag: The Party is today and we got to get ready!

Nico: (GASP) The party! Oh thanks guys.

Nico and May went and got dressed and got breakfast ready.

Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Spatiumaira, it was an amazing planet with an even more amazing city and it was where the Spatiumairans kept scores of records of many planets that had come into existence since the very beginning of the universe.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) You said it, but The Infernairans laid waste to The Vitairans as well, and there truly is no end to the terror they'd wrought throughout the universe.

Lincoln: Arpina's former people were absolute monsters. But, when I absorbed the souls of the male Spatiumairans along with Spatiumaira's core and planet itself and its Sun into my body, I gained all the knowledge of every lifeform and home planet that came into existence since the very dawn of the beginning of the universe.

Me: That means you're also a Living Life Encyclopedia and Eternal Life Wizard just like Shanan!

Lincoln: Along with this.

Lincoln created a nebulae with stars and constellations.

Nicole: (GASPS) Oh man, this also means you're also now an Eternal Star Master just like me! I know I taught you my Star Style techniques, now we'll see it in action.

Me: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was the immortal demon, Toffee, and he's in the Mewni Sector of the city and he wants revenge on Star and Marco.

Zoe Weatherly: I think that chance has come! Toffee has come out of hiding to get revenge on Star and Marco!

Ymir: Who is Toffee? Is he a candy?

WE LAUGHED!

Me: No he's not but that's funny.

Marco: He's an immortal demon who's been nothing but trouble to all of us.

Star: But, now we got a chance to get rid of him forever.

Me: WHOA!

Ymir: WHOA MAN! What did he do?

Poromon: Want a list?

Me: Well he did all kinds of horrific atrocities.

I went over his history

Toffee is the main antagonist of the Disney XD animated series Star vs. the Forces of Evil.

He is a Septarian warlord who wants to rid Mewni and the world of magic. He is also the archenemy of the Butterfly family, particularly Queen Moon Butterfly and Princess Star Butterfly.

He was voiced by Michael C. Hall, who also played Dexter Morgan in Dexter and Ken Castle in the film Gamer.

As revealed in the film "The Battle for Mewni", before the start of the series, Toffee (also known as "The Lizard") was a general in the monster army of Archduke Batwin fighting against the Mewmans. However, after his king decided to sign a peace treaty with the Mewmans, he and his group split off to fight on their own. When Archduke Batwin and the then-queen of Mewni, Comet Butterfly, were about to sign a peace treaty, he murdered her, making Comet's daughter Moon Butterfly (then only a child) the new queen.

Using a dark spell given to her by Eclipsa Butterfly, Moon approached Toffee and his equally immortal army to kill him. However, realizing the magic was making her dark and that Eclipsa would be free if she did (which was part of the bargain she made with Eclipsa), she simply used the spell to separate the middle finger from his right hand. When Toffee proved unable to regenerate it, his army ran away, scared of Moon's powers, forcing Toffee to withdraw begrudgingly and beginning a lifelong grudge against Moon.

Years later, when Moon has grown up and had her own daughter Star Butterfly, Toffee first appears in the series as an "evil efficiency expert" hired by Ludo in the season one episode "Fortune Cookies". Discovering that Star took fortune cookies seriously, he had Ludo's minions give her a fortune cookie that read "Love is always the answer," hoping she would refuse to fight back against the monsters and instead give them hugs. However, when the two-headed monster told Star the truth, she blasted the monsters away, foiling Toffee's plan.

In "Mewnipendence Day", Toffee replaced Ludo's right-hand man Buff Frog, who did not trust him, with an electronic eye to spy on Star. He also introduced a mace with a hidden portal and sent Buff Frog to use it to deliver Star's wand to Ludo. However, he sabotaged the device so it would not work for Buff Frog, causing him to fail his mission. Toffee then convinced Ludo to fire Buff Frog.

After Ludo's attempt to take Star's wand when the house became a labyrinth of Marco's beard was foiled, Toffee told Ludo's minions that Ludo was incompetent as a leader and urged them to choose between the two of them. The monsters chose Toffee as their new leader, and Ludo was kicked out of his castle.

In the Season One finale, Toffee captured Marco and held him for ransom, demanding Star's wand. Star, Ludo, and Buff Frog joined forces to defeat him, during which Star blasted his left arm off. He regenerated it and threatened to crush Marco, revealing that he wanted Star to destroy her wand rather than give it to him. Star used the Whispering Spell to destroy her wand, which caused an explosion that blew up Ludo's castle, presumably killing Toffee. However, it is later revealed that the explosion caused by the Whispering Spell could absorb any nearby body inside the wand, and Toffee knew all about that, as it was just another part of his plans.

In the second episode of Season Two, "Ludo in the Wild", after being banished to another dimension by Star following the Season One finale and the destruction of his castle, Ludo discovers a dark wand made from the right half of Star's wand and Toffee's skeletal right hand, which he continues to use from that point on. It is also revealed that the wand "speaks" to him, hinting that Toffee's ghost is manipulating Ludo from inside the wand.

In the episode "Into the Wand", Star tries to fix her own wand and discovers Toffee's finger inside it, so she removes it and places it in her secrets closet.

In the episode "Page Turner", Toffee is pictured in a crystal ball while trying to find the source of the universe's depletion of magic. At some point, the wand tells Toffee to guide Ludo to an ancient monster temple to live in.

In the episode "The Hard Way", it is confirmed that Toffee is indeed inside Ludo's wand: when Ludo becomes tainted by the dark magic of Queen Eclipsa's chapter in the Magic Instruction Book, this allows Toffee to take possession of his body. Toffee tells Glossaryck that he'll never get Ludo on his side, but Glossaryck says he doesn't have a side. In response, Toffee laughs and says, "Excellent."

In "Starcrushed", Toffee completely takes control of Ludo's body, and his skeletal hand regenerates onto Ludo's arm, fusing the magic crystal to his palm. He then proceeds to beat and drain the magic of all the Magic High Commission members, leaving Hekapoo, Rhombulus, and Omnitraxus Prime in a comatose state. Chancellor Lekmet uses up the last portion of his life energy to revive Moon and dissolves into dust, leaving behind a single horn. Moon rises to take on Toffee but is easily defeated, and she grabs her allies to escape. Before Moon leaves through a portal, Toffee tells her to tell Star that he will be coming for his finger.

In the movie "The Battle for Mewni", it is revealed that Toffee instructed Glossaryck to stay hidden during the events of "Starcrushed" in order to initiate a scheme to absorb the powers of the Magic High Commission. After Ludo furiously throws the Book of Spells into a fire, Toffee re-possesses Ludo and says that while he did not intend for Glossaryck to disappear, it still works to his advantage. Toffee's manipulations prove successful to the point where Ludo overthrows King River and takes over his position.

Star then uses the Whispering Spell and lets it absorb her into the wand crystal, where Toffee appears and emerges as an enormous slimy version of himself and takes her on, all the while convincing Moon to give him back his finger through Ludo. Moon finally agrees, and as the finger merges with his hand, he says goodbye to Star and leaves her trapped inside the now-inactive wand, as his true body emerges and forms around Ludo before spitting him out and declaring Star to be gone, crushing the wand's remnants from his hand to reaffirm this fact.

As he leaves, an enraged Moon uses the Darkest Spell taught by Eclipsa but is surprised when it does nothing to him. Toffee easily defeats Moon and Marco and prepares to leave them behind forever, having both recovered his finger and fulfilled his revenge on Moon. However, Star successfully breaks free from the inside, causing the wand halves to merge together and allowing Star to gain a new Mewberty form, in which she uses to burn the villainous lizard and sear his skin clean off, leaving him as a horrendous black ink-like creature with part of his ribs showing.

He merely laughs and says that it's not over, stating that he made all the plans and only he knows how everything will turn out. Before he can continue, Ludo pushes a pillar onto him, destroying most of his body and leaving only part of his destroyed hand and his eyeballs, with the rest of his body melting into sludge. Ludo proclaims that Toffee is dead.

With Toffee's destruction and Comet Butterfly avenged, Eclipsa's prison begins to crack, as Moon's bargain with Eclipsa is finally fulfilled. However, Toffee's last words about unknown plans still remain a mystery, especially with his claim that he is the only one who knows the plan. Furthermore, the fact that he already possesses all Magic High Commission members' powers, which were powerful enough to rule Mewni and easily kill Moon, yet chooses to walk away calmly after getting his finger back suggests that ruling Mewni or seeking revenge on Moon are not his ultimate goals. As of the show's final season, it seems likely that Toffee's actions were ultimately at the behest of a higher power.

A younger version of Toffee appears in the season four episode "Meteora's Lesson", after Glossaryck and Meteora Butterfly time-travel to an unknown point in the past. It is revealed that Toffee was once a "bad boy" teenager who had broken Glossaryck's arm due to the latter making a leaf hat. However, when Toffee was about to break Glossaryck's other arm, Meteora shoots green beams from her eyes at the Septarian, surrounding him with green-colored energy and rendering him unconscious for a moment. As soon as he regains consciousness, Toffee states that magic is the reason for the ongoing war between the Mewmans and the Septarians.

In "The Tavern at the End of the Multiverse", Star develops a hatred towards magic similar to Toffee's motives, believing that destroying it is the only way to defeat Mina Loveberry and her Solarian Warriors. Inside Glossaryck's magic eye, Star even admits that he was right, looking at the tapestry where he is defeated by Moon. Suddenly, the pictured Toffee comes to life and yells out "Surprise!" in a manner similar to his outburst in "Storm the Castle". This startled Star, sending her out of Glossaryck's eye. After the end of the show and seeing what Star did, it seems that Toffee ultimately and posthumously succeeded in his objective of destroying all magic.

When it was done everyone that hadn't heard about it was shocked and horrified!

Twilight Sparkle: Oh man! That is awful!

Qin: Yeah!

Camie: What a jerk!

Moon Butterfly: (British Accent) Indeed and I defeated him before.

Me: This time we're going to defeat him forever.

Lincoln: I know just what'll kill him: our weapons laced with our acidic and poisonous blood.

Nico: That's right, he may be an immortal demon, but we've dealt with evil immortals and demons like him.

Lincoln: Yep, he's about to be another evil immortal taken down and destroyed. Alright, now let's finish breakfast and head down to the Mewni sector and get rid of that immortal demon.

Zhuhe Xiangying: Right, and we'll also get a chance to see the mysterious stranger who helped us yesterday.

Braeden Carnes: I can't help but get the feeling that this guy is connected to you two and with what happened eight years ago.

We finished breakfast, and we headed out to the Mewni sector of the city to help Wind Whisper, Tingle, Tortamundo, Fly-By-Night, Spirit, Magpie, Night Light, Gari, Springsign, Moondancer of The Children of The Night, Candlelight, and Nightshade unlock their Rainbow Power and send Toffee to The Black Abyss.

Nico: Those Xenomorphs are always frightening

Me: And UGLY as all get out.

Applejack: But we met Emily here and I adopted her.

Nico: You sure did.

Emily Douglas: And I'm so happy for that!

Apple Bloom: Now I have a niece.

Me: You sure do.

Dan Kouzo: We can't thank you guys enough.

Me: Aww it was nothing. Also I hope this doesn't scar you for life because of what you saw because of the Xenomorphs.

Lia: They were everything like you said they were.

Shun (BP): Yeah no kidding.

Dan Kouzo: But we'll be fine. Now that they are gone.

Lia: Yeah.

Qin: Yeah.

Poromon: We now completed all of the Ambassador missions this year

Me: We sure did.

Twilight Sparkle: Yeah that was awesome!

Rainbow Dash: It sure was!

Xenia: I agree!

Varie: I agree too. Man that was awesome.

Ace Ukiyo: We had a lot of fun.

We walked around.

Poliwag: This place hasn't changed

Me: But it still has so many awesome creatures.

Varie: Fairies, mermaids, nymphs and many more.

Solaria Butterfly: And Mina Loveberry is not here too.

Me: Lets hope so. Mina Loveberry has caused enough problems already.

Qin: I agree too.

Zoe Weatherly: Yeah.

Ymir: How did this get here?

Me: Earth and Mewni became one after Star destroyed the magic dimension.

Eclipsa: (British Accent) It's all true. I helped her there.

Moon Butterfly: Same with me as well.

Eclipsa: And my little baby girl Meteora helped with that as well.

Star Butterfly: That was intense.

Manaphy: It sure was.

Star Butterfly: Yeah but it was good.

Me: I'm just glad everyone made it out okay.

Marco: Except for me though. Mina Loveberry stabbed me in the stomach.

He revealed a nasty scar on his stomach that was a stab wound.

Ymir and Camie gasped!

Ymir: OH MAN! That is awful!

Camie: That must've really hurt!

Me: He's lucky to have survived that. Usually you bleed to death from that.

Nico: And back then, you couldn't heal.

Marco: No I didn't have all your powers like you guys do. But now I do

Emily Douglas: How come?

Me: When you are with us it usually takes a while for your powers to manifest. Marco was beginning to understand his powers with us back then.

Nico: Yep.

Marco: Yeah long story.

Nico: Usually takes a week

Me: But with the way our powers have evolved they can appear at anytime.

Emily Douglas: I see.

Qin: Yep.

Xenia: Yeah.

Lincoln: Okay, guys, we're in for one explosive fight, we're here in the Mewni sector of the city to help Wind Whisper, Tingle, Tortamundo, Fly-By-Night, Spirit, Magpie, Night Light, Gari, Springsign, Moondancer of The Children of The Night, Candlelight, and Nightshade unlock their Rainbow Power and send Toffee to The Black Abyss.

We had all of TLPS and The MOE with us.

Yumi Yoshimura: I'd heard from Ludo he'd once gone to him long ago to get rid of Star, that was a big mistake on his part.

Zoe Weatherly: And no one was able to kill him since he's immortal.

Hercules Weatherly: And he has centuries of combat experience and magic at his disposal.

Lincoln: However, he's about to face us, and we have billions of years of combat experience, power, and the magic we wield is far more powerful than his.

Nico: You said a mouthful, Lincoln, but you're right, Toffee's done for.

Me: Yeah!

Ymir: What are the Children of The Night known for?

Me: Oh they are a group of 12 children that Princess Luna adopted. Eons ago, After the Battle with Discord that ravaged the land, many of the children were struggling to survive and Princess Luna thought it was a good idea to build a colony where all the children could be safe and happy. But her Sister Princess Celestia forbade it because she thought it would divide and shatter the kingdom forever. So Princess Luna decided to secretly care for them in her mansion in the Wolf Moon mountains and they because sorta like a cult. It was called The Children of The Night.

Snowdrop: It was true.

Gari: We were kept hidden for a thousand years because of Princess Luna fearing she would turn into Nightmare Moon and that fear became a reality.

Me: Yeah and during the 20 Days of Darkness on Day 5, during the first full moon of the year, I had a dream that lead me to them. I found them and brought them to us.

Princess Luna: It's all true.

Ymir: Wow! That is amazing.

Nico: It was.

Me: I told Princess Celestia that she didn't mean to cause any harm. She was doing it out of the goodness of her heart after Discord devastated the land.

Princess Celestia: It's true. And I respected that.

Me: We'll tell you more about it.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I turned the tips of my 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Apple Bloom heard a Pokemon cry.

Apple Bloom: Hey look guys!

We saw an Appletun!

Me: Cool an Appletun!

Applejack: Well I'll be sliced and served as Apple Pie!

Applin: Cool! Now your sister is getting her own mascot too!

Applejack: (LAUGHS) She sure is.

Apple Bloom: Yeah.

Appletun: Awesome. I am hungry though.

Apple Bloom gave it food.

Appletun: Thank you.

Appletun ate it.

Apple Bloom: You're welcome. Want to come with me?

Appletun: I would like that.

Me: Awesome! The Cutie Mark Crusaders all should get their own mascots to make it complete.

Marinette: That's a great idea. To make my big day more fun.

Nico: Because they killed Lila before

Sweetie Belle: We sure did!

Scootaloo: Yeah!

Me: We'll find you girls perfect ones that match you.

Diamond Tiara: Thanks J.D.

Me: You're welcome.

But then...

KRASPLAT!

Nico got hit in the face with a Watermelon!

Nico: OW!

Me: WHOA!

Nico: (SLURPS) Yummy watermelon. OKAY WHO IS THE WISEASS!?

May licked Nico.

Nico: Hey.

May: You taste great.

Then...

NUMEROUS BONKS!

I got buried in a huge pile of pineapples.

Me: What the? Ooh pineapples!

I ate one.

Me: (EATING) MMM! Juicy and yummy.

SpongeBob: (LAUGHS) Looks like J.D. got buried in more of my house.

WE LAUGHED!

Me: No kidding!

Then we smelled the scent of Watermelon and Pineapple.

Laney: I smell Watermelon and pineapple.

Me: (Sniffs) Me too.

Lana: It's from them!

We saw a Mega Serperior and a Mega Tsareena!

Me: WHOA! Mega Serperior and Mega Tsareena.

Xenia: Wow!

Nico: Where did they come from?

Me: Must be some of Dark Gale's handiwork.

But then...

ZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPP!

MAY GOT ZAPPED BY A MASSIVE BLAST OF LIGHTNING!

May: (SCREAMS IN AGONY)

Me: WHOA!

May was badly burned to a crisp!

Me: YIKES!

Manaphy: MAMA!

May: Ouch.

Manaphy hopped over to May.

May then fainted.

FWOMP!

Me: WHOA LOOK!

We saw a Mega Zapdos!

Me: A Mega Zapdos too! Wow!

Nico: GEEZ!

Kouta: Lets see here.

Kouta used his telepathy on Mega Tsareena and gasped!

Kouta: It's my sister Sakura Kazuraba!

Sonya Kazuraba: Sakura is here!? Whoa!

Mitsuzane: Lets see.

He used telepathy on Mega Serperior and gasped!

Mitsuzane: That Mega Serperior is my sister Kendra Kureshima!

Satsuki: Kendra Is here!? Oh man! If we see our brother Takatora I'm going to kill him!

Me: I don't blame you guys for wanting to mangle your brother up for everything he did.

Shinnosuke: Lets see.

He used telepathy on Mega Zapdos and gasped!

Shinnosuke: That Mega Zapdos is my sister Sheila!

WE GASPED AGAIN!

?: She is my partner.

We saw a Really awesome Ferrari CascoRasco!

Me: WHOA! Nice Ferrari!

Ferrari: Thanks. I'm her partner for the Drive Riders.

Nico: WHOA! It talks!

Live Action Hot Rod: (French Accent) You look great for a car. Are you Cybertronian?

Ferrari: No I'm her partner car.

Nico: COOL!

Me: Lets go help them.

We went over to them.

Mitsuzane: Kendra it's me Mitsuzane!

Kouta: Sakura it's me Kouta!

Shinnosuke: Sheila it's me Shinnosuke!

Mega Zapdos used Zap Cannon on Horsea but she put her clone in front of her

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAPPPPPPP!

The Horsea Clone got electrocuted and was knocked out!

Maria: YIKES!

Ferrari: That had to hurt!

Maria: Boy you remind me very much of the car from Knight Rider.

Ferrari: (LAUGHS) I sure do don't I.

Nico: More like a car that James Bond uses. Good times.

James Bond: (British Accent) Except I don't drive a Ferrari. I use an Aston Martin.

Lola: Both are really amazing cars!

Nico: They sure are.

Live Action Drift: They sure are awesome. Just like me.

Horsea blew a raspberry

Me: Okay then.

I snapped my fingers and they reverted back.

Sakura was a girl with blond hair and blue eyes and had yellow angel wings and had Mega Tsareena on her forehead and had a Cutie Mark of the Gaim Symbol with the Pineapple Lockseed symbol on it and had a Pineapple on it.

Kendra was a girl with green hair and had pink eyes and had green angel wings and had Mega Serperior on her forehead and had the symbol of Kamen Rider Zangetsu with a Watermelon and the Watermelon Lockseed Symbol on her arm as a cutie mark.

Sheila was a girl with red hair and red eyes and had red angel wings and had Mega Zapdos on her forehead and had the Drive Symbol with a lightning bolt and the Ferrari horse symbol on her arm as a cutie mark.

We wrapped them in blankets and brought them over to us.

Me: That was intense!

They woke up to see Horsea's smiling face.

Sheila Tomari: (Groans) Huh? A Horsea?

Horsea: You hit my clone!

Maria picked her up.

Sakura Kazuraba: I feel like I got hit by Kougane times 10.

Kendra Kureshima: Me too.

Shinnosuke: Are you okay?

Sheila Tomari: (GASP) Shinnosuke!

She hugged him.

Sheila: I'm glad you're safe. (GASP) May! It's good to see you again!

May: You too Sheila.

Me: You know Sheila too?

May: Me and Manaphy helped her kill Nira.

Me: REALLY?! Oh wow! That motherfucker had it coming.

Nico: He sure did.

Manaphy hopped over to her.

Sheila: Manaphy you are just as cute as ever.

Manaphy: You zapped Mama! Shame on you!

Me: You were turned into a Mega Zapdos by Dark Gale.

Sheila: Oh man! Sorry. But I was fighting Medic and Heart when I got changed.

Me: WHOA MAN!

Kouta: At least You're okay sis.

Sakura Kazuraba: Kouta! You're okay!

She hugged him.

Mitsuzane: Hey sis.

Kendra Kureshima: Mitsuzane!

She hugged him too.

Kendra Kureshima: Thank goodness you're safe. If I ever see Takatora then I will kill him!

Me: I know Takatora did some terrible things but...

Nico: Takatora already learned the error of his ways

Me: And you don't have to worry about Yggdrasil anymore. We blew that entire building to smithereens.

Fu: It's true. Long story.

Lillian Hale: Yeah.

Sakura Kazuraba: Oh man I heard all about that! Good riddance.

Me: Yep. Also girls you hit Nico in the face with a watermelon and buried me in a pile of pineapples.

Nico: Tasty and fruity.

Sakura Kazuraba: Oh man! Sorry.

Me: You both were turned into Mega Serperior and Mega Tsareena by Dark Gale.

Sakura Kazuraba: Oh man! We were battling Alfred back then.

Me: Oh man!

Lillian Hale: He might have come back earlier.

Me: He might have.

Poromon: What are your Rider Names?

Sakura Kazuraba: I am Kamen Rider Bromelias. I am the Pineapple themed rider.

Kendra Kureshima: I am Kamen Rider Suikas and I'm the Watermelon themed rider.

Sheila Tomari: I am Kamen Rider Ferrari. I am the Ferrari themed Kamen Rider.

Ferrari: And I am her personal car.

Me: Whoa! That is fitting and awesome!

Shinnosuke: It's true.

Onewa: We helped your brother and his team battle Banno.

Me: Yep and we drove to you guys in our cars which made it fun.

Onewa: I'm actually Shinnosuke's brother

Me: Long story on that but it's true.

Sheila Tomari: Whoa! I have a lot of catching up to do.

Me: Yep.

Rarity: Lets get you some new clothes darlings.

The Fashion Brigade gave them new clothes.

Sakura got Yellow and green clothes and a Pineapple Mace Club and her Driver Belt and Pineapple Lockseed.

Kendra got green and pink clothes and a Watermelon Lance and her Genesis Belt and Watermelon Lockseed.

Sheila got red clothes and a fire sword and her Drive Belt and a Ferrari Shift Car.

Sheila Tomari: We look great!

Me: You sure do. Also your Ferrari is a nice car.

Sheila Tomari: Oh thanks. I got him as a birthday present and the Drive Team modified him to help me out.

Ferrari: Indeed and it's cool.

Me: Just like in Knight Rider. How awesome is that.

Poromon: Yep and Mr. Belt is awesome and funny!

Poliwag: It's true!

Sheila Tomari: I heard all about how the mascots of the team like Mr. Belt.

May: Yeah! And if I see Nira on Onewa's big day I'm going to eat his heart like Nico did.

Me: Hope your stomach can handle it.

Sheila Tomari: It'll bring justice to our dad.

Qin: Yeah.

Me: Better than seeing me eat bugs.

NICO'S STOMACH GURGLES

Nico: (Groans) You just had to bring that up did you!

Me: Oops. (Whispers into Sheila's ear) Just a while ago we got Justice for all the shit Oogie Boogie put Nico into during the 20 Days fo Darkness and I killed Oogie by eating his last bug and it made Nico throw up.

Sheila Tomari: Oh man. Sorry.

Nico: Yeah.

Qin: No worries.

Nico: Now to find Toffee.

Lincoln: (Sensed for Toffee) AHA! There you are! I just spotted Toffee, he's 20 yards away and he's fighting the stranger who helped us yesterday.

Nico: Right, time to clean this mess up.

We then took off to help this mysterious stranger and send Toffee to The Black Abyss forever.

We were flying, and we saw Toffee, but then, we saw a 6'11" tall male with brown hair going down to his neck, brown eyes, he had on a long black long-sleeved coat, vermillion red shirt, black pants, and black boots. Then, we saw him fire vermillion red talisman cards and they fired blasts of fire, ice, wind, earth, lightning, light, and darkness at Toffee along with laser beams. Lincoln recognized him immediately.

Lincoln: (GASPS) No way.

Nico: Lincoln, you know him?

Lori: He does, and so do we, that's Alan Ramirez, he's an old friend of Lincoln's and our classmate from Royal Woods High School. He's also an ally of Lincoln's Guardian Angels, so you can guess he also clobbered me, Lynn, Lola, Lisa, and Luan hard on the head.

Luna: He may look like a tough guy, but he's a well-respected and smart teen, and he also clobbered Tyler Corso and Nate Krenshikov and got those two expelled. But, eight years ago, when he was 16, his life fell apart, he came back home to find out that his parents and his sister, Aria, were murdered, and the bad news: it was at the hands of those Hazeltucky buttfaces, Hawk and Hank.

WE GASPED!

Nico: Those miserable buttfaces! So, Cillia Cyberdark wasn't the only one those buttfaces murdered!

Lincoln: That's correct. After the funeral, Alan became completely enraged at them and he wanted to kill those two, but with Hazeltucky backing them up, he was left with rage in his heart.

Me: I remember that day, this was one week after I moved in to Royal Woods, Alan was really pissed off big time. You said this happened eight years ago, that means...!

Zhuhe Xiangying: This was right around the same time I showed up, and that time, Alan angry and furious charged at Hawk and Hank, but they beat him up so severely, he almost got that close to dying. When Lincoln and I left for the world of The Three Kingdoms, Alan must've followed us. He almost got killed by some of Dong Zhuo's men at Luoyang, and after Lincoln fought off Lu Bu, he and I found Alan and killed the group of Dong Zhuo's men and we brought him to my home, and then, I made a call to Michael

Ying Xiao, Alan Ying Xiao, Henry Ying Xiao, Hunter Ying Xiao, Marcus Ying Xiao, Gabriel Ying Xiao, Peyton Ying Xiao, Logan Ying Xiao, and Nicholas Ying Xiao.

Michael Ying Xiao: We got here as fast as we could after they brought him back to her home, and soon, Alan told us what happened, we couldn't believe he'd do something as boneheaded as that, but he was angry.

Hunter Ying Xiao: Losing his parents and his little sister really did that to him, so we had to heal him and fast. After that, Zhuhe used The Elemental Beastheart Transmigration that we used on Lincoln when he came to Flowerraira. But then, we saw The Yellow Emperor appear along with the other Chinese Gods and Goddesses, and they also gave him a divine blessing which suddenly awakened old memories, and when we saw the tattoos of The Phoenix, Mermaid, Golem, Fairy, and Shadow Wisp on the back of his left forearm, we recognized his true identity.

Nico: His true identity? So, that means...!

Lincoln: His name wasn't really Alan Ramirez, his real name is Xian Ying Xiao, the younger brother of The Ying Xiao Brothers, and unlike with Maria Ying Xiao and her sisters and Michael Ying Xiao and his other brothers, Xian is not The Ambassador of The Eight Demon Sorcerers, he's The Ambassador of The Eight Immortals and he's also a very powerful master over the forces of light and dark chi and he was born all the powers of The Eight Immortals, immortality, and invincibility, and full fledge mastery over the powers of Fire, Earth, Moon, Sky, Water, Mountain, Thunder and Wind, and he's a master of the Atavism of The Elemental Maiden and has mastery of all the powers of the creatures of the elements and the Elemental Forces themselves: The Fires of The Phoenix, The Waters of The

Mermaid, The Lightning of The Thunderbird, The Winds of The Sylph, The Earth of The Golem, The Light of The Fairies, and The Darkness of The Shadow Wisps.

Me: Whoa! But, how did he lose his memories?

Maria Ying Xiao: I think I remember, when he was fifteen, he got into a fight with Qin's possessive control freak ex-boyfriend, Xin Fa, in China and he got stabbed in the stomach and thrown into the ocean that brought him to America and to Royal Woods where Mr. and Mrs. Ramirez adopted him and he lost his memories and they named him Alan.

Qin: That motherfucking control freak!

Nico: I always knew Xin Fa was bad news, but this, this is unforgiveable. Now, let's help Xian and fast.

Lincoln: Leave it to me.

Suddenly, Lincoln was surrounded by an immense fire aura with phoenixes flying around him.

Lincoln: 以一千个熊熊烈火的强度从天而降，以百万个地狱的愤怒燃烧哦，烈火的强大凤凰！让我的火之歌对这些祸害这片土地的邪恶可憎之物带来神圣报应的火焰，并用美德之火净化和净化它! (Burn down from the heavens with the intensity of a thousand flaming embers of fire and burn with the fury of a million infernos oh mighty phoenixes of the flaming fire! Let my song of fire bring forth the flames of divine retribution on these evil abominations that plague the land and purge and cleanse it with the flames of virtue!)

Lincoln sang the Song of the Phoenix and then massive fireballs rained down from the skies and transformed into powerful phoenixes, and they hit Toffee and he got burned badly.

Suddenly, Alan Ramirez, or Xian Ying Xiao's brown eyes turned neon red and he was surrounded by a vermillion red, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, fire, earth, water, ice, lightning, light, darkness, metal, wood, nature, the forces of Fire, Earth, Moon, Sky, Water, Mountain, Thunder, Wood, Metal, Light, and Wind, dragons, phoenixes, sylphs, golems, fairies, mermaids, thunderbirds, shadow wisps, and angels.

Horsea: Where is he?

Maria turned Horsea and she saw him.

Horsea: Oh nevermind.

We landed.

Michael Ying Xiao: Xian, we're here, are you okay?

Xian Ying Xiao: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven

Nico: Lincoln and your brothers and sisters told us about you, and we know you're the one who helped us yesterday on Acheron.

Maria Ying Xiao: Anyways, you held off Toffee until we got here, Xian. Now, we can finish him off.

Me: So we meet at last Toffee. That's a nice suit you're wearing. Too bad it will be the only thing you wear when we kill you!

Toffee: You can't kill me, I am immortal.

Me: What a coincidence...

Lincoln: So are we, but here's the thing, we're true immortals who fight for good and you're nothing but an evil immortal, and we have one thing that kills evil immortals like you.

Lincoln threw a knife that was laced with his acid blood, and as it slashed Toffee's face, he felt his skin burning!

Toffee: AGH! What is this?!

Me: Our special weapon: our acid blood kills evil immortals and evil gods like you. Now, then, boys, go wild.

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, ASSHOLE!

I teleported and kicked him in his face and punched him in his stomach and punched him in his head.

I formed a nebula star and fired it and it hit him and blasted him on his head!

KRABBBBBBOOOOOOOOOOOOOOOOOOOMMMMMMM!

Camie used her Quirk and fired a Nebula Cloud and blasted him.

Appletun charged at him and blasted him with apples.

Ymir: Lets get it on!

She then felt a shape pain in her back!

WE GASPED!

Ymir: What the?

She saw that she had BLUE FIRE ANGEL WINGS!

Ymir: I have blue fire angel wings!? Oh wow!

Me: You sure do!

Ymir: Lets see what these can do.

She fired waves of fire and blasted him all over.

Ymir: WHOA! Powerful!

I fired waves of lightning and blasted Toffee.

Moon Butterfly: Remember me Toffee? Remember?

Nico: Because you should!

Toffee: How can I forget? Moon the Undaunted. She blasted off my finger and my powers are now gone because of you!

Me: Not just her. But Star, Eclipsa and Meteora! The Butterfly Family whom you came to loathe with every fiber of your being turned out to be your own undoing. All our powers are destroyed now. The only thing you have left is your immortality.

Nico: And even that won't save you!

Toffee: You may think you're strong but I have thousands of years of experience in me.

Me: Well news flash bub, we have trillions of years of experiences in us.

I teleported and kicked him and punched him in his stomach and dealt a powerful uppercut and flipped over a punch from him and kicked him in his face and knocked him down.

Me: We killed the most powerful villains in the entire universe and rose to the top as the most powerful force in the universe. You are hopelessly outclassed by us.

Toffee: We shall see!

Me: By the time we are done with you you're gonna wish that Moon killed you. You'll be completely helpless Toffee. Immortality is not just a blessing, it's also a curse. You should know this by now. Living on forever, unable to do anything with all of your power. It's an eternity where there is nobody but you!

Nico: That's right!

Poromon pecked him.

POINK POINK POINK POINK POINK POINK POINK POINK POINK!

Poromon: You like that!? HUH!? YOU LIKE THAT!

Poliwag and Skitty slapped him with their tails!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Star Butterfly: CUPCAKE BLAST!

She fired waves of cupcakes and blasted him all over.

Manaphy hopped over to him And headbutt him.

SMASH!

Horsea squirted ink into his eyes.

Jirachi: You may have lost your powers but Star Butterfly and her family and all of us never will!

Star Buttefly: SYRUP TSUNAMI SHOCKWAVE!

She fired a wave of syrup and drenched Toffee and stuck him to the ground!

I licked it.

Me: Mmm! Pancake syrup. Nice.

Nico licked the syrup.

Nico: Yummy.

Toffee got up. But the syrup was holding him down.

Me: Strong as glue.

Jirachi: Top this!

He used his powers and then GIANT HUGE PANCAKES RAINED DOWN!

Me: INCOMING!

We got out of the way and then...

KRASMASH!

It crushed him underneath it. Then two huge squares of butter and syrup rained down on them.

Me: WHOA!

Flint Lockwood: (LAUGHS) Just like what happened in Swallow Falls!

Me: Yeah!

Nico: Can't have syrup without pancakes

Me: Nope.

Toffee crawled out of the pancake and he was really in pain.

Me: Geez! A pancake that size must've weighed about 5,000 tons!

Nico: No kidding there! I remember it crushed an entire school in Swallow Falls.

He got up and his bones were all broken and mashed. He cracked and broke his bones and reset them back.

Toffee: That all you got?

Me: We're just getting warmed up.

Nico punched him.

POW!

Nico: How does it feel Toffee? All the pain you caused to so many.

Qin: Yeah!

Toffee: You think you can win?

Me: We don't think, we know.

KROW BIFF WHAM SMASH!

I punched him mercilessly all over!

Varie blasted him with energy.

Ymir fired more fireballs and blasted him.

Qin fired waves of lightning.

Me: Now lets give this a whirl.

I gave Emma, Gia, Connie, Kendra and Lillith keys for the Flower Kunoichi Team.

Me: The keys for the Flower Kunoichi Team of Kakuranger. I call them the Eden Flower Force.

Emma Goodall: Good idea!

Gia: This will be cool!

Emma: Here goes!

Megaforce Girls: LEGENDARY RANGER MODE! EDEN FLOWER FORCE!

They turned into the Flower Kunoichi Team!

Gia was Blue Iris, Emma was Pink Cherry Blossom, Lilith was Green Water Lotus, Kendra was Orange Lily and Connie was Purple Orchid!

Emma: WHOA!

Xenia: Cool!

Qin: Awesome!

Gia: Blue is awesome for me!

Connie: This is awesome!

Nico: Looking good!

Emma: Lets do it!

They went at Toffee and used the powers of the Flower Kunoichi Team and jumped all over and blasted him with flowers and more.

Aurico: I can see why our Japanese Counterparts had a lot of trouble with them.

Me: I know. That was back in 1994.

Nico: Impressive.

Qin: It sure is.

Me: Yep.

Sakura Kazuraba: Now it's our turn! HENSHIN!

She got out her Pineapple Lockseed and activated it and Donned the Pineapple Arms!

Sakura Kazuraba: THE TROPICAL FRUITS OF THE BROMELIAD! KAMEN RIDER BROMELIAS

Me: WHOA!

Qin: COOL!

Xenia: Tropical power!

Horsea: YAY!

Sakura Kazuraba: Watch this. PINEAPPLE MACE SMASHER!

She swung her mace and bashed Toffee intensely! She then fired Pineapple Bombs and blasted him all over.

Kendra Kureshima: My turn! HENSHIN!

She activated her Watermelon Lockseed and donned THE WATERMELON ARMS!

Kendra Kureshima: THE JUICY SEEDS OF THE WATERMELON! KAMEN RIDER SUIKAS!

Me: WATERMELON POWER!

Qin: YEAH!

Me: You know what I like best about watermelons?

Kendra Kureshima: What?

Me: This!

I ate a watermelon and spit the seeds like a machine gun!

SPITTING MACHINE GUN NOISES!

GUNFIRE NOISES!

Toffee got hit all over the place!

Horsea: I'll eat them!

Horsea ate some watermelon and spat the seeds out.

Same with the mascots.

Same with Yoshi too.

Kendra fired waves of bullets and energy.

Nico: Watch this.

He went and grabbed me and held me like a battering ram.

Nico: J.D. eat another melon.

Me: Oh I think I get it!

I did so!

He then spun my tail and I fired seeds like a gattling gun!

GUNFIRE AND MACHINE GUN NOISES!

Toffee was REALLY GETTING HIT HARD!

Sheila Tomari: My turn! I feel the need for speed! HENSHIN!

She transformed into a red version of Kamen Rider Drive!

Sheila Tomari: SPEED OF TURBO PROPORTIONS! KAMEN RIDER FERRARI!

Nico: COOL!

Me: Awesome!

Sheila Tomari: I'm going to take you for a drive!

Me: A Drive down the path to your demise!

Nico: Ooh nice!

Sheila ran fast and kicked and punched him all over!

Nico hopped on Yoshi and he fired waves of fireballs at him.

Shinnosuke: Like old times?

Sheila: You know it.

Shinnosuke and Sheila: DRIVING TURBO RAM!

They ran and smashed him down!

Me: ROADKILL!

Nico: Get him Yoshi!

Yoshi used his Final Smash!

Yoshi: YOSHI STAMPEDE STOMP!

He summoned a massive stampede of Yoshis and they trampled Toffee all over.

Alexander Maxwell and Tyler Maxwell charged at Toffee, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked him with swings of his massive spear and he even shot at him with his machine guns, while Alexander Maxwell slashed at him with his massive greatsword and shot at him with his guns.

Weep not, poor children, for life is this way

Murdering beauty and passions

Hush now, dear children, it must be this way

Too weary of life and deceptions

Rest now, my children, for soon we'll away

Into the calm and the quiet

Come, little children, I'll take thee away
